## **Going Off Guide For Black Women Whove Just About Had Enough:**

**Check It While I Wreck It** Gwendolyn D. Pough, 2015-12-01 Hip hop culture began in the early 1970s as the creative and activist expressions graffiti writing, break dancing and rap music of black and Latino youth in the depressed South Bronx and the movement has since grown into a worldwide cultural phenomenon that permeates almost every aspect of society from speech to dress. But although hip hop has been assimilated and exploited in the mainstream, young black women who came of age during the hip hop era are still fighting for equality. In this provocative study, Gwendolyn D. Pough explores the complex relationship between black women, hip hop and feminism. Examining a wide range of genres including rap music, novels, spoken word, poetry, hip hop cinema and hip hop soul music, she traces the rhetoric of black women bringing wreck. Pough demonstrates how influential women rappers such as Queen Latifah, Missy Elliot and Lil Kim are building on the legacy of earlier generations of women from Sojourner Truth to sisters of the black power and civil rights movements to disrupt and break into the dominant patriarchal public sphere. She discusses the ways in which today's young black women struggle against the stereotypical language of the past: castrating black mother, mammy, sapphire and the present bitch, ho, chickenhead, and shows how rap provides an avenue to tell their own life stories, to construct their identities and to dismantle historical and contemporary negative representations of black womanhood. Pough also looks at the ongoing public dialogue between male and female rappers about love and relationships, explaining how the denigrating rhetoric used by men has been appropriated by black women rappers as a means to empowerment in their own lyrics. The author concludes with a discussion of the pedagogical implications of rap music as well as of third wave and black feminism. This fresh and thought provoking perspective on the complexities of hip hop urges young black women to harness the energy, vitality and activist roots of hip hop culture and rap music to claim a public voice for themselves and to bring wreck on sexism and misogyny in mainstream society.

*Lectures on the Psychology of Women* Joan C. Chrisler, Carla Golden, Patricia D. Rozee, 2012-12-21 Designed as a supplement in courses on the psychology of women, the psychology of gender and gender role development, this collection of short, accessible lectures written by experienced and committed teachers spotlights topics that often receive less in-depth coverage in core textbooks. While topically arranged to align with standard texts, each favorite lecture stands alone essentially. Instructors can assign the readings to meet their own course needs. Among the student-friendly features are the informal writing styles, with each author speaking directly to the reader, questions and ideas that encourage critical thinking and biographical statements and photographs that introduce each contributor. The authors represent a variety of personal

backgrounds and experiences but they believe in the importance of gender equality To that point the book addresses common feminist themes including the social construction of gender power the value of diversity inclusive language the global status of women and the value of social activism      *God of Our Single Years* Kevin Morgan,2005-03-16 Christian singles face many challenges that threaten our peace of mind African American Christian singles must confront these and additional obstacles that arise solely because of our heritage and racial background Compounding these challenges many of us make decisions involving our spirituality our platonic family professional and romantic relationships that potentially introduce devastating long term problems into our lives Additionally many of the choices we make regarding our sexuality harms our relationships destroys our communities and blocks the blessings that God has for us This book seeks to clearly identify what is unique about the African American Christian single experience and to point out the role that Gods purpose plays in defining who we are Secondly this book proposes concrete and practical steps we can take to transform our singleness into blessedness      **Exposing the "Culture of Arrogance" in the Academy** Gail L. Thompson,Angela C. Louque,2023-07-12 There generally remains a gulf between the way most Black faculty perceive the racial climate at their institutions and the recognition by non Black faculty and administrators that there are problems and that these perceptions have merit This book is intended to promote a productive dialogue This book weaves the authors own experiences with the responses of 136 Black faculty to a questionnaire and a smaller sample who were interviewed to identify the factors that determine Black faculty s satisfaction or dissatisfaction with their jobs and institutions Recurring themes underscore the importance of a supportive work environment that is built on mutual respect full inclusion in the decision making process and an institutional climate that does not tolerate cultural insensitivity or racism The qualitative and quantitative information and the authors conclusions can help postsecondary institutions improve Black faculty satisfaction levels and ultimately retention rates This book will resonate with any Black faculty who have felt frustrated enough to consider leaving a postsecondary institution and with those who are content at their current institutions For non Black faculty and for administrators of all races the book illuminates the sources of job satisfaction and dissatisfaction explains the reasons their Black colleagues leave or stay and offers valuable recommendations for change For anyone at any level interested in the issue of the racial climate at his or her institution this book offers a constructive framework for discussion and action      **Ebony** ,2001-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine      *Workplace Communication for the 21st Century* Jason S.
