On-Going Professional Development and Growth

In TAP, the teacher rubric is used in two ways:

- as a summative measure in determining pay for performance
- as a formative measure which identifies instructional areas where master and mentor teachers can provide support to career teachers to increase student achievement

Going Professional:

An Introduction to Professional and Executive Coaching Sheila Boysen-Rotelli, 2021-03-01 The coaching profession is growing and innovating According to the International Coaching Federation ICF coaching earns over 3 Billion per year with over 100 000 practitioners of coaching This book is for both practitioners and scholars of executive coaching Coaching is an exciting and powerful skillset that allows individuals to empower others and helps individuals to generate awareness that opens the door for great levels of success The approach of this book is to look at the theoretical framework of coaching as it applies to the actual practice of coaching others and groups It is important to ground practice in theory and research to bring together the researched framework to help to inform the approach There is an old proverb that states Theory is when you know everything but nothing works Practice is when everything works but no one knows why The approach of this book will enable the student with the theory the processes and the skills to coach in a way that works and to be able to understand the why behind the success as well as make it replicable

Getting to Excellent Judith A. Langer, 2004 Getting to Excellent is for everyone educators parents civic leaders who want students to think sharply like learning and have the high literacy skills that will open the path to success in school work and life Using data from her groundbreaking study of diverse middle and high schools Judith Langer shows us what makes the difference between highly effective schools and typical business as usual schools This very accessible volume Provides research based guidance from schools in California Florida New York and Texas four states with diverse students and different testing demands Features many examples of schools in action identifying particular features that are present in effective schools but don't exist in others Examines the extent to which teachers and administrators are affected by the larger environment leading to professional growth or malaise Includes models for providing rich and exciting learning environments that undergird success for all students Includes self inspection checklists to help administrators teachers and others place their own school on the continuum from typical to excellent and identify areas that need improvement

Race in American Sports James L. Conyers, Jr., 2014-06-10 These essays critically examine the issue of race in college and professional sports beginning with the effects of stereotypes on black female college athletes and the self handicapping of black male college athletes Also discussed is the movement of colleges between NCAA designated conferences and the economic impact and effects on academics for blacks An essay on baseball focuses on changes in Brooklyn during the Jackie Robinson years and another essay on how the Leland Giants became a symbol of racial pride Other essayists discuss the use of American Indian mascots the Jeremy Lin spectacle surrounding Asians in pro sports the need to hire more NFL coaches of color and ideals of black male masculinity in boxing Instructors considering this book for use in a course may request an examination copy here
