Keeping Your Faith Through SoCrates's Journey Hope Isabella Lenkersdorf Smith,2022-12-28 Many of us believe in miracles signs and divine intervention We are often both knowingly and unknowingly manifesting Sometimes we get premonitions from our dreams which allows us to have deep connections with the universe It s comforting for me to know that when I ask God for something in prayer along with a sign to assure me that my prayer will indeed be granted God always sends me my sign I also know that in my own life all of the events that have happened and those still yet to come are being divinely orchestrated to lovingly guide me to where I am supposed to be and when I m supposed to be there If you look back at some of the events that have occurred in your life and connect them via dots from when the events started you will see how each event allowed for the next event and how that event in turn allowed for the following event and so on If you follow along in this manner you will see why each dot was significantly important for the conclusion of the situation or event to take place as God and the universe intended These concluding dots now allow for a new series of dots to begin so as God and the universe can once again lead you to the next conclusion I call this concept connecting the dots Let me be clear about something I believe that there are no coincidences in life and everything happens to us for a reason Although we all have free will to make the choices that we make every day the destination we reach has already been lovingly predetermined by God

Whenever we do anything for the glory of God and which praises him we will always achieve success doors will be opened and we will be blessed with everything good that God our Father wants and intends for us to have God our Father wants all of his children to be happy healthy and enjoy an abundant life These are the reasons that he made us in his image We are all God s children and he is our Father Signs are all around us They are not mere random occurrences that one could relate to any particular event We only have to open our eyes mind heart and soul to see that this is in fact the case If we open ourselves in this way it s easy to believe that these signs are real and meant for us They are there to guide us along on our journey throughout our lives It is sincerely my deepest desire that as you read the true to life stories of the many miracles granted to SoCrates and our family that you will be filled with hope and joy and be blessed with countless miracles just as we were You only need to have faith in God and trust in him as I have learned to do Ask and it shall be granted Hope Isabella Lenkersdorf Smith *The Heart of a Warrior: a Mom's Journey of Faith and Hope* , *Go the Distance* John T.
