Murphy, 2024-01-09 An in depth analysis of how humanity's compulsion to categorize affects every aspect of our lived experience The minute we are born sometimes even before we are categorized From there classifications dog our every step to school work the doctor's office and even the grave Despite the vast diversity and individuality in every life we seek patterns organization and control In *Categories We Live By* Gregory L. Murphy considers the categories we create to manage life's sprawling diversity Analyzing everything from bureaucracy's innumerable categorizations to the minutiae of language this book reveals how these categories are imposed on us and how that imposition affects our everyday lives *Categories We Live By* explores categorization in two parts In part one Murphy introduces the groundwork of categories how they are created by experts imperfectly captured by language and employed by rules Part two provides a number of case studies Ranging from trivial categories such as parking regulations and peanut butter to critical issues such as race and mortality Murphy demonstrates how this need to classify pervades everything Finally this comprehensive analysis demonstrates ways that we can cope with categorical disagreements and make categories more useful to our society **Conferring** Patrick Allen, 2023-10-10 In his years of teacher workshops author Patrick Allen has heard it all I don't have time I don't know what questions to ask I don't know what to write in my notes it's too hard In his book *Conferring: The Keystone of Reader's Workshop* Allen argues that the benefits of conferring outweigh the challenges and that teachers must put forth the effort of learning how to do it well Inside he shows teachers how to overcome their perceived obstacles and shows them how they can make conferring tangible *Conferring* lays the groundwork for effective reading instruction Conferences with students are purposeful conversations that scaffold reading comprehension strategies to guide the reader's progress Ultimately through the gradual release of responsibility you will create engaged and independent readers Starting with what conferring isn't Allen unpacks the essential components of the process Intimacy the social context of conferring Rigor the cognitive context of conferring Inquiry the analytical context of conferring With his guidance you will be able to set goals for student conferring and elevate student reader conferences from start to finish **We Used to Own the Bronx** Eve Pell, 2009-02-19 An inside story of privilege inherited wealth and the bizarre values and customs of the American upper crust **Saroyan** Lawrence Lee, Barry Gifford, 1998-01-01 A biography of William Saroyan an American author working mainly in the middle of the twentieth century **138,336 Feet to Pure Bliss: What I Learned about Life, Women (and Running) in My 1st 100 Marathons**, **The Babe, B.A.** E.
