Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders Dr. Steve A. Maglio, 2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry Throughout a chaplain's career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military However chaplains are challenged with the rigorous multitasked environment of this ministry Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier This book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout Second the leader's practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve Third practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith Research in the Social Scientific Study of Religion, Volume 22 Ralph L. Simple Faith Margaret Silf, 2012-01-01 For many people faith is based on creeds doctrine and head knowledge It's about mastering the facts and having the right answers But best selling author Margaret Silf believes that faith is not about mastery but about mystery and that living in that mystery allows us to properly shift our focus from religion to relationship a relationship with the Divine In Simple Faith Silf encourages us to rethink many of the teachings on faith that may be holding us back from the joy and freedom that can be found only in a meaningful experience of God Through her thought provoking even surprising answers to common questions about faith Is it true that God is love Why do bad things happen to good people Why did Jesus have to die she advocates radically simple yet profound beliefs that are based in a new liberating understanding of faith itself Ultimately Simple Faith moves us beyond the complexities of conventional religion and clears the path for us to grow in a life changing relationship with God

Inner Compass Margaret Silf, 2009-02-24 Whatever path you're on God is there to guide you Anyone seeking to deepen his or her relationship with God will greatly benefit from Inner Compass Margaret Silf's dynamic presentation of the profound insights of St Ignatius of Loyola's Spiritual Exercises While reflective the work exudes a congenial practical outlook and a thoroughly modern sensibility As Silf points out the book grew out of questions rather than certainty discovery rather than doctrine the experience of everyday living rather than academic study This edition of the acclaimed Inner Compass features a new introduction and personal invitation to the reader plus a significantly expanded resource section Devoted followers of Ignatian spirituality and spiritual seekers alike will find that wherever life has led them Inner Compass offers renewed direction and purpose and helps them recognize the will of God within their own hearts
