Finally, Dreams Coming True Jacqueline Speciner Phyllis Godwin, *This Kind of Child: The 'Disability' Story* K. Srilata, 2022-12-20 About the Book A SENSITIVE AND EYE OPENING ACCOUNT OF THE LIVES OF PERSONS WITH DISABILITIES AND THOSE AROUND THEM I am the mother of a child who did not fit the school system a child who was disabled by it She was a child who made errors mistakes that the school system was unforgiving of We were told by the principal of an alternative school that they could not possibly admit this kind of child My daughter went from being a child to this kind of child in that one moment When she started working on the book it was Srilata s daughter who was its protagonist But soon she realised that there was no way she could stop with her daughter s story With each step ahead or back she became acutely aware of the larger story of the things we frame as disability I have learnt that disability is profoundly political that it is heartbreakingly social In *This Kind of Child* Srilata brings together first person accounts interviews and short fiction which open up for us the experiential worlds of persons with disabilities and those who love them The book offers a multi perspectival understanding of the disability experience its emotional as well as imagined truth both to the disabled themselves as well as to those closely associated with them I have learnt that stories are always bigger than they seem at first bigger wider and deeper At the heart of this book is inter being and the question What does it mean to love and accept yourself or someone else fully

Crackers in the Glade Rob Storter, 2007-10-01 A visually stunning account of bygone days in the Everglades transports readers to the remote half wild frontier of southwest Florida in the early part of the twentieth century Reprint

Such a Pretty Girl Nadina LaSpina, 2019-07-19 A memoir by a disability rights activist Such a Pretty Girl is Nadina LaSpina s story from her early years in her native Sicily where still a baby she contracts polio a fact that makes her the object of well meaning pity and the target of messages of hopelessness to her adolescence and youth in America spent almost entirely in hospitals where she is tortured in the quest for a cure and made to feel that her body no longer belongs to her to her rebellion and her activism in the disability rights movement LaSpina s personal growth parallels the movement s political development from coming together organizing and fighting against exclusion from public and social life to the forging of a common identity the blossoming of disability arts and culture and the embracing of disability pride While unique the author s journey is also one with which many disabled people can identify It is the journey to find one s place in an ableist world a world not made for disabled people where disability is only seen in negative terms La Spina refutes all stereotypical narratives of disability Through the telling of her life s story without editorializing she shows the harm that the overwhelming focus on pity and on a cure that remains elusive has done to disabled people Her story exposes the disability prejudice ingrained in our sociopolitical system and denounces the oppressive standards of normalcy in a society that devalues those who are different and denies them basic rights Written as continuous narrative and in a subtle and intimate voice *Such a Pretty Girl* is a memoir as captivating as a novel It is one of the few disability memoirs to focus on activism and one of the first by an immigrant

Unleashing the Power of Encouragement Reid Lamport, 2011 Did you know

you possess the power to change another person's life Pastor and Hall of Fame Coach Reid Lamport provides insight as to why so many of God's children hold their words of encouragement at bay instead of using them to provide the emotional and spiritual support every one of us need Unleashing the Power of Encouragement presents practical advice to those who are intentional about coming alongside others to help them live as overcomers in this world Coach Lamport has spent his entire professional life building leaders in the classroom on the field and in the church This book brilliantly outlines his passion for encouragement and its crucial role in building others as servant leaders Every reader will benefit from Reid's successful plan that has been a long time difference maker for so many Jim Tressel Head Football Coach The Ohio State University Five time National Championship Coach Author of The Winners Manual For nearly forty years Reid Lamport has enthusiastically fulfilled his role as teacher and coach by encouraging and motivating thousands of students and athletes to rise above their earthly talents and circumstances and become the best they can be In addition he is senior pastor for The Church of the Rock in Poland Ohio Reid and his wife Michele have three adult children one son in law and the most handsome grandbaby ever

An Oral History of the Special Olympics in China Volume 3 William P. Alford, Mei Liao, Fengming Cui, 2020-05-26 This open access book brings together oral histories that record the experiences of individuals with intellectual disabilities in Shanghai as they participate in their careers Employees with intellectual disabilities describe their experiences seeking attaining and maintaining employment Their managers colleagues and family members also provide keen insight into the challenges and opportunities these individuals have encountered in the process of securing employment An appendix provides a compilation of employment policies related to people with intellectual disabilities particularly with respect to Shanghai Hearings United States. Congress Senate, 1949
