Gold At Fortymile Creek Early Days In The Yukon:

Gold at Fortymile Creek Michael Gates, 2011-11-01 Gold at Fortymile Creek tells the story of the search for gold in the Yukon before the great Klondike gold rush Michael Gates writes about the life and times of the early pioneers who suffered unimaginable hardships in search of the big strike It is a story about survival and adversity life and death good times and bad on one of the harshest most formidable frontiers in the world The book based on the accounts of dozens of prospectors follows the first gold seekers from their arrival in 1873 until the stampede to the Klondike in 1896 Gates captures the essence of these early years of the gold rush about which very little has been written He chronicles the trials hearbreaks and successes of the unique and hardy individualists who searched for gold in the wilderness With names like Swiftwater Bill Crooked Leg Louie Slobbery Tom and Tin Kettle George these men lived in total isolation beyond the borders of civilization They were often eccentrics and outcasts who shaped their own rules their own justice and their own social order Into this no man s land came the harbingers of civilization the traders missionaries gentlemen travellers pioneer women North West Mounted Police and countless others who populated the rough and ready settlements Fort Reliance Forty Mile Circle and Dawson which grew up around each new find Fascinating and informative Gold at Fortymile Creek tells the story of a rag tag group of risk takers and dreamers who set the stage for one of the most remarkable events of the nineteenth century the Klondike gold rush

Gold at Fortymile Creek Michael Gates, 1994 *Gamblers and Dreamers* Charlene

Porsild, 2011-11-01 The popular image of the Klondike is of a rush of white male adventurers who overcame great physical and geographical obstacles in their quest for gold Young white single American men carried forward the ideals and structures of the western frontier It was a man s world made respectable only after the turn of the century with the arrival of white middle class women who miraculously swept out the corners of dirt and vice and civilized the society These impressions endure despite recent attempts to correct them *Gamblers and Dreamers* tackles some of the myths about the history of the North in the era of the gold rush Though many inhabitants came and went Charlene Porsild focuses on the concept of community commitment to show that many put down roots This in depth study of Dawson City at the turn of the century reveals that the city had a cosmopolitan character a stratified society and a definite permanence It examines the lives of First Nations peoples miners and other labourers professionals merchants dance hall performers and sex trade workers providing fascinating detail about those who left homes and jobs to strike it rich in the last great gold rush of the nineteenth century In the process *Gamblers and Dreamers* puts a human face on this compelling period of history

An Indigenous Parliament? Kathrin Wessendorf, 2005 The indigenous peoples of the Arctic have achieved some of the most comprehensive self government arrangements in the world These are reflected upon in this collection of articles based on discussions between indigenous peoples in Russia and other parts of the Circumpolar North Decision making and political participation are of major concern for indigenous peoples in all parts of the Circumpolar North There are many positive

examples of indigenous political institutions land claims and self government agreements in the region and indigenous peoples have recognised that they can learn from each other Over the past decade indigenous peoples in Russia have attempted to gain rights and influence over political decisions concerning their lands and lives In some provinces of the Russian Federation they have achieved a certain level of influence over and an advisory role in political institutions And yet in others they remain voiceless This volume includes a number of articles on the legal situation of indigenous peoples in Russia and on their political participation at federal and provincial level along with case studies from Alaska northern Canada Greenland and S pmi This book was first published jointly by RAIPON and IWGIA in Russian in 2003

History of the Harrison Creek and Portage Creek Trails Rolfe G. Buzzell,2002 *Stampede* Brian Castner,2021-04-13 A gripping and wholly original account of the epic human tragedy that was the great Klondike Gold Rush of 1897-98 One hundred thousand men and women rushed heedlessly north to make their fortunes very few did but many thousands of them died in the attempt In 1897 the United States was mired in the worst economic depression that the country had yet endured So when all the newspapers announced gold was to be found in wildly enriching quantities at the Klondike River region of the Yukon a mob of economically desperate Americans swarmed north Within weeks tens of thousands of them were embarking from western ports to throw themselves at some of the harshest terrain on the planet in winter yet woefully unprepared with no experience at all in mining or mountaineering It was a mass delusion that quickly proved deadly avalanches shipwrecks starvation murder Upon this stage author Brian Castner tells a relentlessly driving story of the gold rush through the individual experiences of the iconic characters who endured it A young Jack London who would make his fortune but not in gold Colonel Samuel Steele who tried to save the stampeders from themselves The notorious gangster Soapy Smith goodtime girls and desperate miners Skookum Jim and the hotel entrepreneur Belinda Mulrooney The unvarnished tale of this mass migration is always striking revealing the amazing truth of what people will do for a chance to be rich

Alaska History Marvin W. Falk,2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom

Portrait of a Prospector Edward Schieffelin,2017-11-09 Edward Ed Schieffelin 1847-1897 was the epitome of the American frontiersman A former Indian scout he discovered what would become known as the legendary Tombstone Arizona silver lode in 1877 His search for wealth followed a path well trod by thousands who journeyed west in the mid to late nineteenth century to try their luck in mining country But unlike typical prospectors who spent decades futilely panning for gold Schieffelin led an epic life of wealth and adventure In *Portrait of a Prospector*

historian R Bruce Craig pieces together the colorful memoirs and oral histories of this singular individual to tell Schieffelin's story in his own words. Craig places the prospector's family background and times into context in an engaging introduction then opens Schieffelin's story with the frontiersman's accounts of his first prospecting attempts at ten years old, his flight from home at twelve to search for gold, and his initial wanderings in California, Nevada, and Utah. In direct, unsentimental prose, Schieffelin describes his expedition into Arizona Territory where army scouts assured him that he would find no rock but his own tombstone. Unlike many prospectors who simply panned for gold, Schieffelin took on wealthy partners who invested the enormous funds needed for hard rock mining. He and his co-investors in the Tombstone claim became millionaires. Restless in his newfound life of wealth and leisure, Schieffelin soon returned to exploration. Upon his early death in Oregon, he left behind a new strike the location of which remains a mystery. Collecting the words of an exceptional figure who embodied the western frontier, Craig offers readers insight into the mentality of prospector-adventurers during an age of discovery and of limitless potential. *Portrait of a Prospector* is highly recommended for undergraduate western history survey courses.

Healy's West Gordon E. Tolton, 2014. Through his incredibly varied fifty-year career, John J. Healy left an indelible mark on the Canadian and American west. At different points in his storied life, Healy was a soldier, a trapper, a prospector, a free trader, an explorer, a horse dealer, a scout, a lawman, a newspaper editor, a speculator, a merchant, a capitalist, a historian, and a politician. He defied classification while defining the lifestyle of a frontier adventurer and buccaneer capitalist in the late nineteenth century. In *Healy's West*, Gordon E. Tolton cuts through the mythology and controversy of this larger-than-life character, giving us the most complete and truly balanced account of Healy's life ever published. From Irish famine to army saddle, from scouting on the Oregon Trail to digging for mountain gold in Idaho, from taking on powerful monopolies to trading with the Blackfoot, from political manoeuvring to hunting down rustlers behind a sheriff's badge, Healy challenged life, nature, enemies, and governments head-on, in print, in business, and in physical combat. An entertaining and critical portrayal of the west's most charismatic figure, *Healy's West* is a must-read for any history buff.

The World-wide Encyclopedia and Gazetteer William Harrison De Puy, 1899

The Seventymile Kid Tom Walker, 2013-01-25. [CLICK HERE](#) to download the first two chapters from *The Seventymile Kid*. A true and complete account of the first successful ascent of Mount McKinley, setting the record straight. The summer of 2013 marks the 100th anniversary of the McKinley's first ascent. Features archival photographs including rare and never before published images. *The Seventymile Kid* tells the remarkable account of Harry Karstens, who was the actual, if unheralded, leader of the Hudson Stuck Expedition that was the first to summit Mount McKinley in Alaska. All but forgotten by history, a young Karstens arrived in the Yukon during the 1897 Gold Rush, gained fame as a dog musher hauling U.S. Mail in Alaska, and eventually became the first superintendent of Mount McKinley National Park, now known as Denali National Park and Preserve. Aided by Karstens's own journals, longtime Denali writer and photographer Tom Walker uncovered archival information about the Stuck climb and reveals that the Stuck triumph was an

expedition marred by significant conflict Without Karstens's wilderness skills and Alaska's honed tenacity it is quite possible Hudson Stuck would never have climbed anywhere near the summit of McKinley Yet the two men had a falling out shortly after the climb and never spoke again In this book Walker attempts to set the record straight about the historic first ascent itself as well as other pioneer attempts by Frederick Cook and Judge Wickersham Fans of Alaska literature American history and mountaineering lore will love this adventurous biography of the larger-than-life sourdough Karstens in which Alaska its wilderness its iconic mountain and its pioneer spirit looms large

Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada. Parliament. House of Commons, 1905 Studies by the U.S. Geological Survey in Alaska, 2000 John P. Hollywood in the Klondike Michael Gates, 2023-04-11 In this exciting first-hand account of an unexpected cinematic discovery Michael Gates delves into the history behind a hoard of silent films found buried beneath the permafrost of an Arctic gold-rush town In 1978 hundreds of reels of silent films were unearthed from beneath the demolished site of an old hockey arena in Dawson City Yukon Author Michael Gates witnessed the cinematic discovery of these once-lost films and in this book excavates and illuminates the history of a gold-rush town like no other An event in the most unlikely of places and circumstances the Klondike gold rush was unique in the history of Canada and the development of the North Dawson City the Paris of the North was the hub of the Klondike gold rush 125 years ago There were more saloons gambling halls and theatres than there were places serving food and the live theatre was at the centre of it all Discover the icons who went from the Klondike to Hollywood Robert Service Jack London Charlie Chaplin Alexander Panjov Sid Grauman Roscoe Fatty Arbuckle Marjorie Rambeau and more Join Gates on this cinematic journey as he ponders the question Did the Klondike help make Hollywood or did Hollywood make the Klondike Crafted from Gates's first-hand experience and extensive research **Hollywood in the Klondike** casts a spotlight on an exciting piece of Canadian history Mineral Resources of Alaska, 1936 Philip Sidney Smith, 1938

Official Report of Debates, House of Commons Canada. Parliament. House of Commons, 1905

Through Their Eyes Michael Koskey, Varpu Lotvonen, Laurel Tyrrell, 2018-08-15 The towns of Eagle Circle and Central are tucked away in the cold rugged and sparsely populated central-eastern interior of Alaska These communities have fewer than three hundred residents in an area of more than 22 000 square miles Yet they are closely linked by the Yukon River and by history itself **Through Their Eyes** is a glimpse into the past and present of these communities showing how their survival has depended on centuries of cooperation The towns have roots in the gold rushes but they are also located within the traditional territories of the Hän Hwch in the Gwichyaa Gwich'in and Denduu Gwich'in Dena Athabaskan peoples Over time residents have woven together new heritages adopting and practicing each other's traditions This book combines oral accounts with archival research to create a rich portrayal of life in rural Alaska villages Many of the stories come directly from the residents of these communities giving

an inside perspective on the often colorful events that characterize life in Eagle Circle and Central
