Selected Essays George Orwell, 2021 This volume contains the best essays by one of the best English essayists George Orwell has become famous all over the world for Animal Farm and Nineteen Eighty Four but throughout his writing life he was also a prolific journalist and essayist He wrote brilliantly about politics about literature and about contemporary cultural life always with that steely honesty and intolerance of cant which were the hallmarks of his direct limpid prose Stefan Collini's collection brings together nineteen essays including such well known pieces as Shooting an Elephant Charles Dickens Politics and the English

Language and Lear Tolstoy and the Fool A substantial introduction situates Orwell's writing in its historical context and analyses the distinctive features of his style while extensive notes explain historical allusions and identify his sources and quotations Klappentext The Complete Works George Orwell, 2022-11-13 George Orwell's The Complete Works is a monumental compilation that encapsulates the breadth of his literary contributions ranging from essays and journalism to fiction and political commentary Orwell's incisive prose and stark realism reflect the tumultuous political landscapes of the 20th century particularly the rise of totalitarianism and the complexities of social injustice His works such as 1984 and Animal Farm use allegorical and dystopian elements to dissect power dynamics while essays like Shooting an Elephant illustrate the moral ambiguities of colonialism through personal narrative The literary style exhibits clarity and precision establishing Orwell as a pivotal figure in modern literature George Orwell born Eric Arthur Blair was profoundly influenced by his experiences as a colonial police officer in Burma his time in the Spanish Civil War and his staunch opposition to oppressive regimes These experiences fueled his commitment to social justice and integrity driving him to craft works that challenge societal norms and advocate for the underprivileged His unique perspectives on language and politics intertwined with his personal hardships enhance the depth of his writings Readers seeking profound insights into humanity and the political machinations that govern society will find The Complete Works indispensable Orwell's ability to distill complex ideas into accessible narratives invites readers to reflect critically on their own realities This compilation not only serves as an essential reference for students of literature and politics but also resonates with anyone striving to understand the moral fabric of the modern world

The Novel Life of PG Wodehouse Roderick Easdale, 2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse's life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse's alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling Country Life This fascinating examination offers a refreshing and accessible study of Wodehouse's work Press Association

W. Musgrave,2015-08-27 Originally published in 1985 This is a fascinating account of the life cycle of a minor literary genre the boys school story It discusses early nineteenth century precursors of the school story didactic works with such revealing titles as The Parents Assistant and goes on to examine in detail the two major examples of the genre Hughes s Tom Brown s School Days and Farrar s Eric The slow development of the genre during the 1860s and 1870s is traced and its institutionalisation by Talbot Baines Reed in for example The Fifth Form at St Dominic s is described Many similar works were subsequently published for adults and adolescents and the author shows how they differ

from the originals in being critical in tone and written to a formula in plot and style This development is discussed in relation to the changing social structure of Britain up to 1945 by which time the life of the genre was almost ended **P.G.**
