Guns, Girls, and Greed Morgan Lerette, 2024-02-06 Guns Girls and Greed is an unvarnished behind the scenes tell all account of the scathing and dangerous life of mercenaries at war in Iraq Experience the world of private contractors conducting high threat missions for a nascent Iraqi government in the hopes of rebuilding after the fall of Saddam Hussein With limited support the men of Blackwater protected US diplomats as the country descended into sectarian violence It was a hazardous mission complete with rockets mortars improvised explosive devices and not knowing who or where the enemy

was Morgan Lerette's irreverently honest memoir shows the good and bad of injecting private armies into active combat zones in the name of diplomacy and digs deep into the bonds of brotherhood created by war. With gut wrenching tragedy, dark humor and parties that make *Animal House* seem like a Disney film, this memoir offers a firsthand perspective on how men act and react in war. Lerette, a private contractor employed by the notorious Blackwater in the early days of the Iraq War, pulls no punches in calling out the incompetence of both the US military and the Department of State during the collapse of Iraq. You can decide if the insertion of private contractors in Iraq assisted or detracted from the war effort and if the costs in blood and treasure were worth the carnage.

Outside the Gold Circle Emmanuel Okom, 2015-04-13 Expectations from home run high for Lucky. All the extended family resources have been spent on his university education with the hope that he will take over the family responsibilities when he gets a good job. But a good job in the Peoples Republic is a pipe dream for graduates from many families like Luckys who have nobody in government. He is outside the gold circle. He must penetrate it or forever be a failure. I marvel at the author's brilliant power of succinct articulation and enticing narration. I can see an Achebe in the making. It is a handy recipe for deliberate scholarship. Alh Muhammad Saba. A beautiful painting in words of the dismal job situation in the country. The author has succeeded in making a case for the many Luckys out there who are outside the gold circle with the hope that the authorities will do something about it. Theresa Ohaegbulem. A revelation of the damages done to millions of families in this country due to unfairness in the job selection process. The author surely deserves an award for this wonderful work. Emmanuel Ishiekwen.

Porto Bello Gold Arthur Douglas Howden Smith, 1924. Set a few years before Stevenson's *Treasure Island*, the story tells how Captain Flint and Murray raided the Spanish Gold Galleon and buried the treasure on the island of Dead Man's Chest.
