fatherless Californian in 1876 In his youth he was a boundlessly energetic adventurer on the bustling West Coast an oyster pirate a hobo a sailor and a prospector by turns He spent his brief life rapidly accumulating the experiences that would inform his acclaimed bestselling books *The Call of the Wild* *White Fang* and *The Sea Wolf* The bare outlines of his story suggest a classic rags to riches tale but London the man was plagued by contradictions He chronicled nature at its most savage but wept helplessly at the deaths of his favorite animals At his peak the highest paid writer in the United States he was nevertheless forced to work under constant pressure for money An irrepressibly optimistic crusader for social justice and a lover of humanity he was also subject to spells of bitter invective especially as his health declined Branded by shortsighted critics as little more than a hack who produced a couple of memorable dog stories he left behind a voluminous literary legacy much of it ripe for rediscovery In *Jack London: An American Life* the noted Jack London scholar Earle Labor explores the brilliant and complicated novelist lost behind the myth at once a hard living globe trotter and a man alive with ideas whose passion for seeking new worlds to explore never waned until the day he died Returning London to his proper place in the American pantheon Labor resurrects a major American novelist in his full fire and glory

In the Shadow of Billy the Kid Kathleen P. Chamberlain, 2013-02-15 The events of July 19 1878 marked the beginning of what became known as the Lincoln County War and catapulted Susan McSween and a young cowboy named Henry McCarty alias Billy the Kid into the history books The so called war a fight for control of the mercantile economy of southeastern New Mexico is one of the most documented conflicts in the history of the American West but it is an event that up to now has been interpreted through the eyes of men As a woman in a man's story Susan McSween has been all but ignored This is the first book to place her in a larger context Clearly the Lincoln County War was not her finest hour just her best known For decades afterward she ran a successful cattle ranch She watched New Mexico modernize and become a state And she lived to tell the tales of the anarchistic territorial period many times

American Mythmaker Mark J. Dworkin, 2015-02-27 Walter Noble Burns 1872-1932 served with the First Kentucky Infantry during the Spanish American War and covered General John J. Pershing's pursuit of Pancho Villa in Mexico as a correspondent for the *Chicago Tribune* However history making these forays may seem they were only the beginning In the last six years of his life Burns wrote three books that propelled New Mexico outlaw Billy the Kid Tombstone marshal Wyatt Earp and California bandit Joaquin Murrieta into the realm of legend

London in His Own Time Jeanne Reesman, 2020-07-01 Everyone knows Jack London for his tales of adventure in Alaska and the Canadian Yukon With his work translated into more than 100 languages London is one of the most popular American writers in the world alongside Mark Twain Yet for the reader tackling *The Call of the Wild* or *White Fang* or perhaps his most often anthologized short story *To Build a Fire* many misconceptions about his life confuse his legacy *London in His Own Time* is based on Jeanne Reesman's nearly thirty five years of archival research The book offers surprising perspectives on Jack London's many sides by family friends fellow struggling young writers business associates high school and college classmates
