Gold in the Woodpile Orin Kay Burrell, 1967      "*As Gold in the Furnace*" J. E. Copus, 2021-04-26 J E Copus's *As Gold in the Furnace* is a compelling exploration of transformation and resilience narrated through the struggles of individuals facing intense personal trials. The title itself evokes a metaphorical crucible signifying how extreme adversity can refine the human spirit. Copus employs a poetic and lyrical style rich in imagery and emotional depth, allowing readers to engage with the characters' inner turmoil and triumphs. Set against a backdrop of socio-cultural upheaval, this work not only addresses individual experiences but also reflects on broader societal issues, resonating powerfully within the contemporary literary landscape. J E Copus, an accomplished author known for his incisive storytelling, brings a wealth of experience to this narrative, often drawing upon his own life lessons and the struggles conveyed to him through dialogue with diverse communities. His background in sociology and literature profoundly influences his writing, enriching his characters with authenticity and depth while exploring profound themes of identity, belonging, and the human condition. Copus's empathetic approach reveals the scars and strengths that shape us. Recommended for those who seek thought-provoking literature, *As Gold in the Furnace* invites readers into a reflective journey of self-discovery and resilience. It is a must-read for anyone interested in the complexities of human experiences and the redemptive power of hardship.      **Apples of Gold in Pictures**

**of Silver** Yuval Levin, Thomas W. Merrill, Adam Schulman, 2012-07-10 Leon R Kass has been helping Americans better understand the human condition for over four decades as a teacher, writer, scholar, public champion of the humanities, and defender of human dignity. From bioethics to civic education, from interpreting the Bible to weighing the moral implications of modern science, Kass has offered wisdom, guidance, and instruction. In this volume, fifteen of Kass's admirers, including students, colleagues, and friends, honor his work by reflecting on the broad range of subjects to which he has devoted his life's work. Some of the essays offer interpretations of great works of literature and philosophy, from Homer, Sophocles, and Plato to Rousseau, Franklin, Jane Austen, Hawthorne, and Henry James. Others examine the significance of Leon Kass's work as a bioethicist and Chairman of the President's Council on Bioethics and as an interpreter of the Book of Genesis. The essays collected in *Apples of Gold in Pictures of Silver* offer a sense of the breadth of Kass's interests and insights and of the influence he has had on generations of scholars. The reader is further acquainted with the career of Leon R Kass by a biographical introduction and a comprehensive listing of his published writings and the courses he has taught.      *Fortune's Frenzy* Eilene Lyon, 2023-09-08 The road to hell is paved with good intentions and gold dust. When Henry Jenkins's sawmill business goes bust and his family loses their Indiana farm to foreclosure, he sees gold as the answer to his financial woes.
