Gold The Klondike Adventure:

Gold! Delia Ray, 1989 Recounts the quest for and finding of gold in the Klondike region of the Yukon Territory of northwestern Canada 1896 1898 an event that brought joy to some heartbreak to many and adventure to all [Call of the Klondike](#) David Meissner, Kim Richardson, 2019-08-13 The remarkable tale of two young men during the Klondike Gold Rush told through first hand diaries letters and more excellent reading for middle grade fans of The Call of the Wild and adventure stories School Library Journal As thousands head north in search of gold Marshall Bond and Stanley Pearce join them booking passage on a steamship bound for the Klondike goldfields The journey is life threatening but the two friends make it to Dawson City in Canada build a cabin and meet Jack London all the while searching for the ultimate reward gold A riveting true action packed adventure with their telegrams diaries and letters as well as newspaper articles and photographs An author's note timeline bibliography and further resources encourage readers to dig deeper into the Gold Rush era

Adventure in Gold Town Deborah Hopkinson, 2010-05-11 The trip down the Yukon River from Lake Bennett to Dawson City is exciting and dangerous but Davey's adventures don't end once he arrives at the bustling mining town Dawson is overrun with sad looking abandoned dogs Davey longs to help but what can a twelve year old boy do And how will he ever find his uncle Walt among the thousands of people who have flocked to the Klondike in search of gold Even more important what will happen to him if he can't But Davey's problems are forgotten when fire threatens to destroy the town Will Dawson survive And will Davey find what he's looking for among the ashes **All for the Greed of Gold** Catherine Holder Spude, 2021-07-27 When the steamship Cleveland left Seattle's docks on March 1 1898 William Jay Woodin was on board traveling with his father and several others They were chasing the nineteenth century's last great gold rush but instead of mining they planned to earn their fortune by providing supplies Enhanced with family photographs and skillfully edited Will's writings including diaries a short story and a delightfully candid 1910 memoir record events emotions and reflections as well as his youthful wonder at the beauty surrounding him Unlike many stampeders Will's party chose to take both the White Pass Trail and the Tutshi Trail and his story offers a rare glimpse into ordeals suffered along this less common route Will's experiences also epitomize a mostly untold story of how working class men endured a grueling Yukon journey He was part of an emerging middle class who with minimal formal education left farm life to seek urban employment Whether packing tons of goods on their own backs or building boats at the Windy Arm camp Will brings to light the cooperation and camaraderie necessary for survival *More Than Gold* Janis Smith, 2015-05-01 July 1897 Photographer Lars Niklasson is unexpectedly sent to record the greatest gold rush the world will ever see The race is on to reach the Yukon before freeze up and Lars is wholly unprepared for the perils of the arduous journey Life and death situations become a daily occurrence on the trail to Dawson but for those who make it that far the adventure has only just begun Trapped on the rim of the Arctic Circle all the gold in the world is worthless when there is nothing to buy nothing to eat Klondike kings and queens Vikings adventure love

enmity and murder transform the greenhorn into a sourdough in a world where no one and nothing is what it seems and where Lars finds himself on trial for his life Have you got what it takes to hit the trail Reviews It is always a pleasure to read a book based in the Klondike during the gold rush that is rooted in realistic portrayals and the true conditions that existed Usually those interested in this time period must study the diaries and documents of the time Janis Pegrum Smith has done this for you and produced compelling characters and scenarios that will stay with you long after you ve finished the book Laura Mann Executive Director Dawson City Museum I enjoyed particularly that the story focused on a Swedish immigrant which added colour and cultural texture to the plot Lars is a well chosen protagonist with many unique characteristics that make it fascinating to follow his path He is not the usual hero and macho you d expect in a novel about Alaska and he is accompanied by a great set of supporting characters With careful detail and atmospheric writing the author paints a great picture of the journey to Alaska and then the life in the hostile environment which refers not just to the forces of nature but also to the natives and the life and attitudes of the explorers The events that unfold during a hard winter are vividly shown and made for some fascinating and captivating reading With a hint of Jack London s adventure writing realistic settings and characters and a great idea and a little love story at its heart this is a very rewarding and gripping read in a wonderfully understated way An adventure story a coming of age story a love story and great historical fiction Historical Novel Society Review
