## **Gold Discovered In California:**

*The California Gold Rush* Mark A. Eifler, 2016-07-22 In January of 1848 James Marshall discovered gold at Sutter's Mill in the foothills of the Sierra Nevada. For a year afterward news of this discovery spread outward from California and started a mass migration to the gold fields. Thousands of people from the East Coast aspiring to start new lives in California financed their journey West on the assumption that they would be able to find wealth. Some were successful, many were not, but they all permanently changed the face of the American West. In this text Mark Eifler examines the experiences of the miners, demonstrates how the gold rush affected the United States, and traces the development of California and the American West in the second half of the nineteenth century. This migration dramatically shifted transportation systems in the US, led to a more powerful federal role in the West, and brought about mining regulation that lasted well into the twentieth century. Primary sources from the era and web materials help readers comprehend what it was like for these nineteenth-century Americans who gambled everything on the pursuit of gold.

**A Timeline History of the California Gold Rush** Stephanie Watson, 2015-08-01 In 1848 a carpenter named James Marshall discovered that there was gold in the riverbeds of the Sacramento Valley. Gold fever quickly spread across the country and around the world. By the thousands, hopeful people left their homes, families, and jobs in search of their fortune. The California gold rush lasted for only seven years, but in that time it transformed California and affected the whole nation. People used their new riches to start businesses and build cities. People from many nations arrived to fill those cities. And in their quest for gold, the prospectors clashed with American Indians and set the stage for long-lasting tensions. Explore the history of the California gold rush. Track the important events and turning points that made this discovery a pivotal part of the westward expansion of the United States.

[California's Gold Rush](#) Robert Grayson, 2012-01-01 This title examines an important historic event: the gold rush in California. Easy to read, compelling text explores the first discovery of gold and the creation of boomtowns in the West, issues with the Mexican government, military desertion, expansionism, and the environmental consequences of mining. Key characters such as John Sutter, Samuel Brannan, Colonel Richard B. Mason, and President James K. Polk, the roles of journalism, transportation, and racial discrimination, the development of mining technologies and entrepreneurship, and the effects of this event on society. Features include a table of contents, glossary, selected bibliography, web links, source notes, and an index, plus a timeline and essential facts. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of ABDO Publishing, a division of ABDO.

[Gold Discovered in California](#) Regina V. Phelan, 1994

**Days of Gold** Malcolm J. Rohrbough, 2023-09-01 On the morning of January 24, 1848, James W. Marshall discovered gold in California. The news spread across the continent, launching hundreds of ships and hitching a thousand prairie schooners filled with adventurers in search of heretofore unimagined wealth. Those who joined the procession soon called 49ers included the wealthy and the poor from every state and territory, including slaves brought by their owners. In numbers, they represented the greatest mass migration

in the history of the Republic In this first comprehensive history of the Gold Rush Malcolm J Rohrbough demonstrates that in its far reaching repercussions it was the most significant event in the first half of the nineteenth century No other series of events between the Louisiana Purchase and the Civil War produced such a vast movement of people called into question basic values of marriage family work wealth and leisure led to so many varied consequences and left such vivid memories among its participants Through extensive research in diaries letters and other archival sources Rohrbough uncovers the personal dilemmas and confusion that the Gold Rush brought His engaging narrative depicts the complexity of human motivation behind the event and reveals the effects of the Gold Rush as it spread outward in ever widening circles to touch the lives of families and communities everywhere in the United States For those who joined the 49ers the decision to go raised questions about marital obligations and family responsibilities For those men and women whose experiences of being left behind have been largely ignored until now who remained on the farm or in the shop the absences of tens of thousands of men over a period of years had a profound impact reshaping a thousand communities across the breadth of the American nation On the morning of January 24 1848 James W Marshall discovered gold in California The news spread across the continent launching hundreds of ships and hitching a thousand prairie schooners filled with adventurers in search of heretofore unimagined wealth

**California Gold Rush** Peter Roop, 2002 Describes in illustrations and easy text how gold was discovered in California how miners traveled to the gold fields how they sought gold or found riches other ways and their impact on California

California Gold James Stephens Brown, 1894

The California Gold Rush Elizabeth Raum, 2008 Describes the events of the nineteenth century California gold rush Reader's choices reveal historical details of how miners traveled how they looked for gold and their impact on California's history Provided by publisher

**The Discovery of Gold in California** John Shertzer Hittell, James Wilson Marshall, Edwin G. Waite, 1968 Narrative accounts of the discovery of gold in California in 1848

**A Timeline of the California Gold Rush** Kerri O'Donnell, 2009-01-01 Provides a chronological overview of the gold rush discussing what it was like to live and work in the mining towns how it changed people's lives and what happened when the gold ran out

*The California Gold Rush* KidCaps, 2016-04-09 If you think the gold rush was all about money and getting rich think again Most people didn't get rich at all In this book just for kids you will find out what really happened during the gold rush

*The California Gold Rush* Kelly Mass, On the morning of January 24 1848 James Wilson Marshall was inspecting the mill race at Sutter's Mill when something glinting in the shallow water caught his eye That moment of discovery would transform California from a remote Mexican territory into the most sought after destination in the world setting in motion one of the largest voluntary migrations in human history The discovery of gold at Coloma would attract over 300 000 people to California within just six years fundamentally reshaping the American West and altering the course of the nation's development in ways that continue to resonate today Marshall's discovery was almost accidental John Sutter had hired him to build a sawmill on the American River to supply lumber for his expansive agricultural empire in

the Sacramento Valley The mill s construction required deepening the tailrace to improve water flow and it was during this routine maintenance that Marshall spotted the metallic flakes that would change everything Initially skeptical Marshall collected several pieces of the mysterious metal and conducted crude tests including hammering and boiling which convinced him that he had indeed found gold

**California Gold Rush** Joe Dunn,2007-09-01 California 1849 The Wild West became the destination for many Americans in 1849 Gold fever had struck when a gold nugget was discovered in the American River Soon people were coming from the East any way they could to cash in on the riches Join the rush helped expanded the settlement of the United States in this stunning graphic novel Maps timelines glossaries and indexes make these titles an exciting addition to classroom discussion

[The California Gold Rush](#) Judy Monroe,2002 Follows the development of the gold rush in California starting in the 1840 s Examines its effects on the economic social and political development of the area from early times through statehood and into the modern day

**America's Gold Rush** Joanne Mattern,2003-12-15 1 Copy

**California Gold Rush!** Robin Johnson,2013 On January 24 1848 a man named James W Marshall found gold at Sutter s Mill in Coloma California This compelling title explains how Marshall s discovery sparked gold fever and lured thousands of people west in search of great fortunes Primary source accounts and historical photographs trace the history of the gold rush in California as well as the later Klondike gold rush

**The California Gold Rush** Sabrina Crewe,Michael V. Uschan,2002-12-17 The California Gold Rush

**The California Gold Rush** Kate Shoup,2015-12-15 On January 24 1848 pioneer James W Marshall discovered gold in central California When word got out gold fever set in drawing hundreds of thousands of pioneers to the state hoping to strike it rich Discover the circumstances and effects of this event in The California Gold Rush

**California Gold Rush, Grades 4 - 7** Cindy Barden,2001-08-01 Bring history to life for students in grades 4 7 with The California Gold Rush This 64 page book provides challenging activities that enable students to explore history geography and social studies topics Activities include word searches fact or opinion questions and creative writing The book includes answer keys time lines and suggested reading lists

**The California Gold Rush** Linda Jacobs Altman,2002-12-02 In 1848 gold was discovered in California This exciting news spread eastward People from all walks of life with dreams of enormous riches packed up their belongings and left their comfortable homes behind in search of the hidden treasure Author Linda Jacobs Altman describes the development of this rugged world of the mining towns which sparked the development of California Altman also highlights the stories of prospectors bandits and thrill seekers who make up the legend and the myth of the time

When people should go to the book stores, search commencement by shop, shelf by shelf, it is in reality problematic. This is why we give the book compilations in this website. It will agreed ease you to look guide **Gold Discovered In California** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly.
