Silence Is Goldfish Annabel Pitcher, 2016-05-17 My name is Tess Turner at least that's what I've always been told I have a voice but it isn't mine It used to say things so I'd fit in to please my parents to please my teachers It used to tell the universe I was something I wasn't It lied It never occurred to me that everyone else was lying too Fifteen year old Tess doesn't mean to become mute At first she's just too shocked to speak And who wouldn't be Discovering your whole life has been a lie because your dad isn't your real father is a pretty big deal Terrified of the truth Tess retreats into silence Reeling from her family's betrayal Tess sets out to discover the identity of her real father He could be anyone even the familiar looking teacher at her school Tess continues to investigate uncovering a secret that could ruin multiple lives It all may be too much for Tess to handle but how can she ask for help when she's forgotten how to use her voice In a brilliant study of identity betrayal and complex family dynamics award winning author Annabel Pitcher explores the importance of communication even when we're faced with unspeakable truths
