Golden Age D. Young, 1979 *The Golden Age* Cincinnati art museum (Ohio), 1989 **The Golden Age** Cincinnati Art Museum, 1979 *The Golden Age*, 1979 *Artists in Ohio, 1787-1900* Mary Sayre Haverstock, Jeannette Mahoney Vance, Brian L. Meggitt, 2000 A three volume guide to the early art and artists of Ohio It includes coverage of fine art photography ornamental penmanship tombstone carving china painting illustrating cartooning and the execution of panoramas and theatrical scenery **The Representation of the Struggling Artist in America, 1800-1865** Erika Schneider, 2015-04-23 The Representation of the Struggling Artist in America 1800 1865 analyzes how American painters sculptors and writers active between 1800 and 1865 depicted their response to a democratic society that failed to adequately support them financially and intellectually Without the traditional European forms of patronage from the church or the crown American artists faced unsympathetic countrymen who were unaccustomed to playing the role of patron and less than generous in rewarding creativity It was in this unrewarding landscape that American artists in the first half of the nineteenth century employed the struggling or starving artist image to satirize the country's lack of patronage and immortalize their own struggles Through an examination of artists journals letters and biographies as well as the development of art academies and exhibition venues this study traces the evolution of a young nation that went from considering artists as mere craftsmen to recognizing them as important members of a civilized society **The Golden Age**, 1979 **The Golden Age** Cincinnati art museum, 1979 **The Golden Age**, 1979 *Race and Racism in Nineteenth-Century Art* Naurice Frank Woods Jr., 2021-06-28 Painters Robert Duncanson ca 1821 1872 and Edward Bannister 1828 1901 and sculptor Mary Edmonia Lewis ca 1844 1907 each became accomplished African American artists But as emerging art makers of color during the antebellum period they experienced numerous incidents of racism that severely hampered their pursuits of a profession that many in the mainstream considered the highest form of social cultivation Despite barriers imposed upon them due to their racial inheritance these artists shared a common cause in demanding acceptance alongside their white contemporaries as capable painters and sculptors on local regional and international levels Author Naurice Frank Woods Jr provides an in depth examination of the strategies deployed by Duncanson Bannister and Lewis that enabled them not only to overcome prevailing race and gender inequality but also to achieve a measure of success that eventually placed them in the top rank of nineteenth century American art Unfortunately the racism that hampered these three artists throughout their careers ultimately denied them their rightful place as significant contributors to the development of American art Dominant art historians and art critics excluded them in their accounts of the period In this volume Woods restores their artistic legacies and redeems their memories introducing these significant artists to rightful new audiences **The Golden Age** Denny T.
