The Changing Shape of Geometry Mathematical Association of America, 2003-01-09 Collection of popular articles on geometry from distinguished mathematicians and educationalists *Gold Earrings* Diane E. Tatum, 2011-09 Daughter of a bordello madame and an Italian captain of the seas Angelina Mercy longs for a new life free from the condemnation associated with her mother's home in Boston A former navy man Jonathan Thomson has accepted God's call and become a minister of a small congregation Adrift from his Yankee heritage in the Missouri plains Jonathan longs for a family of his own Pursuing Alice the daughter of the town's wealthy patron Jonathan believes he can tame her wild ways and accomplish more as a preacher once so established When Angelina's guardian and Jonathan's seminary professor learns of Jonathan's misguided intentions he seeks out a solution to aid both individuals providing a new home for Angelina in St Joseph and Angelina and Jonathan are brought together with a strong initial attraction Can Jonathan ignore Angelina's Gold Earrings a constant reminder of the implications of her less than pristine parentage And will Alice succeed in keeping Jonathan from Angelina The resilient heroine of Diane E Tatum's novel will inspire you in this touching tale of love against the odds

Dancing in the Flames Linda Byrd Cook, 2009-06-08 This book examines Lee Smith's novel length fiction and its powerful reflection of her personal search for and journey toward spiritual reconciliation The protagonists of Smith's novels feel estranged from any sense of feminine sacredness as they struggle for a belief system that offers them hope and validation Chapters describe how Smith has retrieved in her fiction a source of transformative power the power of the sexual maternal feminine divine in hopes of creating a new image of the total sacred female whose sexuality creativity spirituality and maternity can reside comfortably in the bodies of everyday heroines **Parallel Bible-PR-Am/NKJV-Large Print**

Hendrickson Publishers, 2008 Complementary translations encourage in depth study of the Scriptures Bible study leaders Scripture students preachers and people curious to see their favorite biblical texts in different translations will benefit from this volume The same set of verses from both the NKJV and the Amplified Bible appear in side by side columns on each page making for effortless verse comparison Readers will appreciate this edition's easy to read type which is larger than that used in other parallel Bibles New King James Version Completely updated this translation remains faithful to the accuracy and beauty of the KJV yet uses contemporary readable language Amplified Bible Displaying additional words that communicate shades of meaning in the original text this translation expands the reader's understanding of the Scriptures The Masculine Cross Anonymous, 2021-04-26 The Masculine Cross is a provocative exploration of male identity and its evolving constructs within modern society This anonymous work intertwines narrative prose with theoretical analysis employing a lyrical yet incisive literary style that challenges conventional views on masculinity Set against a backdrop of contemporary cultural debates the book deftly navigates themes of vulnerability power dynamics and the impact of societal expectations on male behavior all while providing a nuanced critique of traditional gender roles through vivid character development and

poignant reflections The author choosing to remain anonymous reflects a conscious distancing from personal identity in order to lend universality to the discourse presented in this book This decision emphasizes the broader societal commentary once ensconced in the rigid frameworks of masculinity the author s journey resonates with many men who feel lost amid the conflicting messages of strength and sensitivity Such anonymity invites readers to focus on the ideas rather than the author s own narrative fostering a shared exploration of these pressing issues I highly recommend *The Masculine Cross* to anyone seeking a deeper understanding of masculinity s complexities in today s world Its blend of intellectual rigor and emotional resonance makes it a crucial read not only for scholars and activists but for anyone interested in personal growth and societal transformation

Conversations with Scripture Roy Heller,2011-09 The Book of Judges appropriate for Sunday School curriculum or an irredeemably violent book Throughout its history Judges has both entertained and appalled readers some read it as a series of simple stories about faithfulness and some as a brutal and bloodthirsty book Heller explores how Judges can shape our understanding of our world our relationships and can provide a path to a deeper appreciation of the ways of God among people Far from seeing the book as either simplistic or cruel Heller allows this odd text to speak to us anew about God sin relationships and justice

Ross,2023-03-27 Everyone did what was right in their own eyes This well known indictment rumbles across the epilogue of Judges denouncing God s people as wayward Yet understanding the source of Israel s degenerative and downward spiral comes from an oft overlooked declaration Yahweh is testing Israel s fidelity to the commandments he gave by the hand of Moses By employing covert allusions rather than explicit quotations Judges contrasts the obvious sins of Israel with veiled reminders of the law that they have abandoned In this volume Jillian Ross employs current insights from literary theory establishing a robust methodology for identifying allusions in the text Once applied the allusions to the Law especially as presented in Deuteronomy display three clear peaks the prologue Gideon narrative and epilogue The results suggest that Judges teaches a Deuteronomistic concept that the Israelites failed to obey the Torah particularly its call for covenant fidelity in worship and warfare as given to them by the hand of Moses **Women at the Crossroads** Chana Bracha Siegelbaum,2010 Women at the Crossroads A Woman s Perspective on the Weekly Torah Portion comprises 53 essays pertaining to women based on each of the weekly Torah Portions throughout the year Rebbetzin Chana Bracha Siegelbaum discusses in depth the characters and dilemmas of the women in the Torah that are relevant to the issues which women encounter today The author explores the underlying values of laws and rituals that pertain to women by examining the inherent nature of women as presented in the Torah Based on the intricacies of the Torah text she shows the beauty and depth of the role of women as portrayed in the Torah and teaches the importance of women and their immense influence on society as prime movers of history The book is divided into five chapters corresponding to the five books of the Torah Each chapter is divided into sections according to each Torah portion In addition it includes a comprehensive and useful compilation of biographies of the commentaries quoted in the book Expounding the Torah text through methodical research of Midrash Talmud and traditional commentators such as Rashi and the Ramban placed side by side with Chassidic masters like the Me or v Shemesh and modern commentators including Rabbi Aryeh Kaplan Rebbetzin Chana Bracha Siegelbaum weaves together the strands that make up the tapestry of life for the contemporary woman Rather than paying homage to the external competitive masculine world the author demonstrates how

Jewish women of today may look inwards to the women in the Torah for guidance in choosing their priorities in life
