determination beauty and talent Crawford's remarkable forty five year motion picture career is one of the industry's longest. Signing her first contract in 1925 she was crowned an MGM star four years later and by the mid 1930s was the most popular actress in America. In the early 1940s Crawford's risky decision to move to Warner Bros was rewarded with an Oscar for *Mildred Pierce*. This triumph launched a series of film noir classics. In her fourth decade she teamed with rival Bette Davis in *Whatever Happened to Baby Jane* proving that Crawford whose career had begun by defining big screen glamour had matured into a superb dramatic actress. Her last film was released in 1970 and two years later she made a final television appearance forty seven years after walking through the MGM gate for the first time. Crawford made a successful transition into business during her later years notably in her long association with Pepsi Cola as a board member and the brand's leading ambassador. Overlooked in previous biographies has been Crawford's fierce resolve in creating and then maintaining her star persona. She let neither her age nor the passing of time block her unrivaled ambition and she continually reimagined herself noting once that for the right part she would play Wally Beery's grandmother. But she was always the consummate star and at the time of her death in 1977 she was a motion picture legend and a twentieth century icon. *Flickering Empire* Michael Glover Smith, Adam Selzer, 2015-01-20 *Flickering Empire* tells the fascinating yet little known story of how Chicago served as the unlikely capital of American film production in the years before the rise of Hollywood 1907-1913. As entertaining as it is informative *Flickering Empire* straddles the worlds of academic and popular nonfiction in its vivid illustration of the rise and fall of the major Chicago movie studios in the mid silent era principally Essanay and Selig Polyscope. Colorful larger than life historical figures including Thomas Edison Charlie Chaplin Oscar Micheaux and Orson Welles are major players in the narrative in addition to important though forgotten industry titans such as Colonel William Selig George Spoor and Gilbert Broncho Billy Anderson. [Gloria Swanson](#) Tricia Welsch, 2013-07-27 A biography of the Queen of Hollywood and her decades of successes and comebacks in film art fashion and journalism. *Focus On: 100 Most Popular Deaths from Pneumonia* Wikipedia contributors,
