Heather Martin,2020-09-29 An exquisitely written and nuanced biography of an exceptional individual and writer who has created the 1 international bestselling hero Jack Reacher revered by dedicated and loyal readers worldwide Lee Child has a great public persona he is gracious and generous with readers and fans But Jim Grant is a reticent and very private man This rags to riches literary and social biography is based principally on disarmingly frank personal conversations and correspondence with the author since 2016 and privileged access to archival materials It consists almost entirely of original

material and is the nearest thing the world is likely to get to the autobiography he does not intend to write There are a handful of great Lee Child Reacher stories that have been recycled over and over again They are so good that no one has bothered to look beyond them This book revisits and sometimes revises those irresistible stories but goes back further and digs deeper The emphasis on chronology accuracy and specificity is unprecedented The Lee Child origin myth is much loved But mostly it sees him springing fully formed from the brow of Granada Television There are glancing references to Aston Villa and the schoolyard but no one has examined the social and historical detail or looked closely at where Lee really came from the people places and period This is the first time someone has described the Lee Child arc from peaceful obscurity in the Yorkshire Dales and Upstate New York to cult figure no 1 in America rock star celebrity and publishing institution through to backlash the changing zeitgeist and intimations of retirement The analysis of the emotional power and significance of Lee s work in the final chapters the themes of happiness addiction dependency loneliness and existential absurdity and the first hand retrospective accounts of his life and second act career are all exclusive to this definitive biography *The Golden Argosy*, 1886 *The Bookseller*, 1979 **Kate Gallagher and the Bexus Prophecy** Alan Cumming, 2014-04 She stopped and raised the torch Kate looked Alone on the wall was the figure of a girl with ice blue eyes and skin that glowed with a pure golden aura standing out like an island in a dark black lagoon There was no mistaking the identity of the tiny figure Kate was staring at her own image burned into the wall Bexus is another world a hostile world of magic adventure and tremendous danger and there s only one way to get there die Neither heaven nor hell Bexus is a world where the souls of the dead get a second chance When Kate Gallagher awakens in Bexus after she is killed in a train wreck she finds that her soul has retained a powerful memory of her earthly form She also finds she bears a very dangerous mark a golden aura that indicates purity and possibly the fulfilment of a prophecy Kate finds herself chosen and suddenly thrust into the middle of a conflict she cannot hope to survive With nowhere to turn and an entire world counting on her Kate has no choice but to set out to fulfil her destiny But Kate and her new friends are not the only ones who know of the prophecy that foretold her arrival Varak the tyrant lord of Bexus is well aware of what her coming could mean for him He s determined to capture and kill Kate before she can fulfil her destiny and return peace to Bexus *Project Superpowers Vol. 1* Jim Krueger, 2008-10-01 Tells the story of the great lost Superpowers men and women with incredible abilities who changed the course of mankind forever and who had been thought lost *The Frankster & Co, Party to Go - DJ & Karaoke* Frank Casto, 2012-12-19 The Frankster Co Party To Go Professional Mobile lighting live sound DJ Karaoke Top of the line equipment and modern music with paid subscriptions for current high quality song selections and up to date karaoke Sound for basic bands plus available slideshows videos music videos sent to TV s or projectors From casual to formal from the barn to the country club The Frankster and his wife Tammy bring high quality fun to any event Also at any given time there are assistants and friends that help make the party Anytime Anywhere The Frankster Co Party to Go **The Mistress and the**
