Lindall,John Milton,2020-01-01 Acrostics in Milton s poem have fascinated scholars and I thought I might like to write another synopsized version of Paradise Lost in acrostic form that actually tells the story briefly The idea was suggested by

John Geraghty a prominent collector of Milton books art and ephemera I am just beginning the project that I hope I can present it during National Poetry Month next year I will also present two first edition illustrated books of William Blake plus

many other remarkable illustrated books I do attempt things with Paradise Lost never done before One was synopsizing it and then popularizing it in Heavy Metal Magazine The synopsized book was on display in B Dalton s store window on 5th

Avenue in mid Manhattan and sold out Another was the Gold Folio and another was the Gold Scroll that reads like a Torah scroll p 65 Then there was the Paradise Lost Costume ball in 2008 that got a major article in the New York Times All were

successful We also have a major collection of Paradise Lost related materials including first illustrated editions an Elkington Shield that won a world fair award etc These will be on display when I produce the show related to the acrostic AB
