**Path of the Golden Heart** Cindy Jarrett, 2015-11-05 Path Of The Golden Heart Conscious Dating In An Unconscious World the first book in Cindy Jarrett s Conscious Relationships Series is based on Cindy s pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed It is an in depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other It brings an end to the suffering that has long been associated with dating It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief Love what we all desire It matters most to us and drives us to do the most courageous to craziest of things Love is what gives us our supreme experiences and challenges It is our most powerful expression Love heals all things And love is our greatest teacher Yet love eludes us It is everywhere and missing in so many hearts We fear it We run from it We long for it We deserve it It is our birthright And it is this desire for love that brings us to the dating ritual again and again And love is not enough We need more than just love to build and sustain a healthy relationship We also need commitment clarity honesty character an inner life consistency maturity an open heart forgiveness training guidance consciousness more maturity healthy communications sensitivity have I said maturity yet and much much more We don t usually relate to love or love relationships with maturity in mind We don t necessarily declare that these elements are also what loving another requires

Molding a Golden Heart , GoldenHeart: The Legacy Dylan Reneerkens, 2022-05-06 Important This book is the 14th book in our Superhero Universe The GoldenHeart family had disappeared without a trace For 26 years the protectors of the South of Magickla were gone leaving behind only their enchanted armor and the legendary sword known as the Heart Their former temple had been turned into a museum where the weapon remained sealed behind thick glass untouched and undisturbed Monica had just started working there as a guard but the museum had always felt like home She had visited it for years as a child drawn to the stories of the GoldenHeart family as if something inside her longed for a connection she couldn t explain Her favorite piece was the Heart a living sword said to contain the spirit of the first GoldenHeart It would kill anyone who wasn t of the bloodline Then one day a man appeared at the museum claiming to be a GoldenHeart He tried to steal the sword But the Heart didn t obey him Instead it flew into Monica s hand And suddenly the past wasn t just history anymore it was hers *Bulletin* United States.
