Results Now 2.0 Michael J. Schmoker, Mike Schmoker, 2023-05-05 Decades of research clearly show what works in schools yet a huge gap persists between those instructional best practices and what is widely taught and not taught in classrooms today In Results Now 2 0 Mike Schmoker expands on his bestselling book and offers a broader deeper analysis of the entire K 12 education system and how it can improve He describes a systemic buffer of policies pedagogy and initiatives that prevents everyone teachers students and parents from understanding our collective failure to align instruction with evidence of what works We need to bridge the gap between proven practice and common practice By focusing on the fundamental elements of curriculum literacy and effective instruction Schmoker offers hope for the future He describes schools that have successfully used evidence and strategic practice to remove the buffer and he shows how schools can improve quickly This book is a call for both educators and the public to demand transparency and fidelity to the most effective actions that transform our schools and help us see results now Minerals Yearbook, 2004 Bulletin, 1914
