## Goldmark Case:

**The Goldmark Case** William L. Dwyer, 1984 The lawyer for the plaintiff describes the 1963 libel case of Washington State legislator John Goldmark accused of being a communist and probes the impact of this case on issues of civil liberties communism and McCarthyism the radical right and trial by jury *The Goldmark Case* William L. Dwyer, 2017-09-01 In 1962 John Goldmark cattle rancher Harvard Law School graduate and distinguished three term state legislator for a lightly populated area in north central Washington was overwhelmingly defeated in his bid for reelection He and his wife Sally had been accused of being communists by a small group of right wing extremists The Goldmarks sued their accusers for libel and when their case came to trial in the winter of 1963 64 it has become a cause celebre throughout the country Witnesses of national reputation crossed the country to testify the eastern press covered the case and issues of civil liberties the communist challenge to the values of American society and the radical right movement were fought out before a rural jury The charge that the American Civil Liberties Union was a communist front among other issues was litigated for the first time Today the Goldmark trial can still tell us much about democracy civil liberties and trial by jury William Dwyer was the Goldmarks chief counsel His gripping story of their nightmare and ultimate vindication is a classic of American trial court history He provides a vivid picture of the political climate and its effect on everyone involved plaintiffs defendants and counsel for both sides In addition he gives us a fascinating description of the courtroom drama itself revealed in the extensively quoted testimony and a fascinating account of the way trial lawyers plan the strategy of a case from jury selection the questioning and cross examination of witnesses to final arguments Reports of the Tax Court of the United States United States. Tax Court, 1964 *Reports of the United States Tax Court* United States. Tax Court, 1964 **The Canwell Files** M. Kienholz, 2012 Court certified expert on Soviet Communism and controversial figure in the Pacific Northwest Albert Canwell born in Spokane Washington followed his father one time Pinkerton detective with his brother Carl Spokane Public Safety Commissioner and nephew David CIA into law enforcement He married the daughter of a prominent Harvard educated surgeon and raised six children at Montvale Farms on the Little Spokane River Elected Washington State representative Canwell was aptly chosen to investigate the notorious Democratic Capitol Club and served as appointed chairman of the state s un American activities committee After unsuccessful campaigns for Congress Canwell established the American Intelligence Service providing material from his personal files to private parties businesses and government agencies FDA FBI INS His life effective activism and network security experts J B Matthews Louis Budenz and Whittaker Chambers legislators and U S presidents were a lightning rod for approbation and condemnation by friends and enemies Repeated smear campaigns professional agitation and uninformed pseudohistorians left a wake of disinformation and historical inaccuracies about his career and data contained in his files As political historian and biographer Kienholz shares the contents of his files and corrects a web of distortions and propaganda promoted by adherents to Soviet Communism

**You Belong to Me and Other True Crime Cases** Ann Rule, 1994-09 The author mesmerizing readers with her command of key details about the circumstances surrounding each crime as well as her consistently masterful examination of the criminals involved      *The Fires* Joe Flood, 2010-05-27 New York City 1968 The RAND Corporation had presented an alluring proposal to a city on the brink of economic collapse Using RAND s computer models which had been successfully implemented in high level military operations the city could save millions of dollars by establishing more efficient public services The RAND boys were the best and brightest and bore all the sheen of modern American success New York City on the other hand seemed old fashioned insular and corrupt and the new mayor was eager for outside help especially something as innovative and infallible as computer modeling A deal was struck RAND would begin its first major civilian effort with the FDNY Over the next decade a time New York City firefighters would refer to as The War Years a series of fires swept through the South Bronx the Lower East Side Harlem and Brooklyn gutting whole neighborhoods killing more than two thousand people and displacing hundreds of thousands Conventional wisdom would blame arson but these fires were the result of something altogether different the intentional withdrawal of fire protection from the city s poorest neighborhoods all based on RAND s computer modeling systems Despite the disastrous consequences New York City in the 1970s set the template for how a modern city functions both literally as RAND sold its computer models

to cities across the country and systematically as a new wave of technocratic decision making took hold which persists to this day In *The Fires* Joe Flood provides an X ray of these inner workings using the dramatic story of a pair of mayors an ambitious fire commissioner and an even more ambitious think tank to illuminate the patterns and formulas that are now inextricably woven into the very fabric of contemporary urban life *The Fires* is a must read for anyone curious about how a modern city works
