**Negative Money** Lillian-Yvonne Bertram, 2023-06-27 Finalist for the New England Book Award From a National Book Award nominated poet this collection is about a life lived in the red on the edges of great lack and great abundance of financial and emotional margins Negative Money follows a speaker continually coming of age while probing the binary thresholds of racial and gender identity violence and safety security and precarity love and loneliness For readers of Readers Claudia Rankine Torrey Peters Ocean Vuong and Jericho Brown NBA nominated Lillian Yvonne Bertram's poems are innovative conceptually thoughtful work Through experimentation and muscular lyricism Bertram maintains a style that observes a speaker's attempt to understand and exert multiple identities within the binary confines of race and gender Playing and gliding from acrostics to sonnets to maps these compassionate cerebral and irreverent poems plainly recognize the larger and potentially escapable oppressive systems that dominate all of our lives by narrating the exhaustion that comes from living under constraining systems of relentless extraction systems whose powers fracture all attempts at genuine love and intimacy

**The Sneeze That Ended Time** Hugo Bainbridge, Nora our protagonist is not your average everyday person Oh no Nora is far more interesting than that She's the kind of person who can accidentally unravel the fabric of

spacetime with a single mightily powerful sneeze And that my friends is where our story begins What follows is not your typical apocalyptic tale There are no brooding villains no world ending prophecies unless you count the perpetually brewing espresso moon as a prophecy of caffeinated doom Instead we re diving headfirst into a world teeming with absurdity Think dinosaurs cycling to work philosophical debates between sentient cacti and philosophical pigeons and gravity taking an extended coffee break It s a topsy turvy universe where the only constant is the unexpected Nora s journey to fix her sneeze induced temporal mishap is not a somber quest but a hilarious chaotic adventure Along the way she ll face gravity defying races make unlikely allies a time traveling squirrel naturally and learn about the universe and herself in the most wonderfully bizarre ways imaginable So grab your favourite beverage espresso is strongly recommended but tea is acceptable if you must settle in and prepare for a rollercoaster of laughter adventure and a whole lot of existential pondering courtesy of a very opinionated cactus named Prickles Get ready to embrace the chaos You won t regret it Unless you re allergic to absurdity in which case maybe grab an antihistamine as well Just a suggestion      Sequels Janet G.
