Golf In Scotland:

The American Golfer's Guide to Scotland Bill Ruskin with Tom Renfrew, 2010-06-23 Scotland is known as the Home of Golf and is renowned for its fascinating history rich culture and heritage and but above all our golf courses are situated amid some of the most spectacular scenery in the world Throughout Scotland there is a huge choice of golf courses to suit every skill level offering quality value for money and above all a fantastic and unique golfing experience You are never too far from a golf course with more than 400 courses less than an hour from a city or an airport Furthermore the average green fee is 45 which is only around 70 Every golfer in the world should experience golf in Scotland at least once in their lifetime Up and down the country Scotland offers unique coastal courses and magnificent links golf complemented by breathtaking parkland heathland and moorland golf courses many of which have been designed by renowned golf architects and played by the golfing elite another reason for cementing Scotland's golfing reputation Scotland of course boasts the famous greens of Turnberry and The Old Course But we are not ones to rest on our laurels and new courses are being added to Scotland's amazing collection all the time Machrihanish Dunes Golf Club set hard against the shores of the Atlantic Ocean is the first 18 hole links golf course to be built on the west coast of Scotland in 100 years while Castle Stuart in the Highlands is a championship links course overlooking the Moray Firth and well known landmarks that are synonymous with Highlands With more than 550 courses populating the stunning scenery the length and breadth of the country you will never be stuck for quality or choice With all this and more there is always a reason for visiting Scotland Phillip Riddle Chief Executive VisitScotland

A Swing Through Time Olive M. Geddes, 2007 This is an expertly guided tour through the earliest written records of golf that sheds light on its origins techniques and equipment and above all the social standing of the game as it developed from an outlawed activity to the world's most internationally popular game Golf became so fashionable it not only earned the disapproval of the political authorities but of the Church of England and the edict extended to women who apparently also participated Games with ball and stick probably have been a part of human history since pre recorded time The early origins of golf are a mystery although Olive Geddes tells us that colf played in a defined area and on ice was played in the Low Countries from 1297 through the next century The Dutch version was a short game while the Scots evolved a long game that targeted getting the ball into a hole Long before its formalization the sale of golf balls by merchants or golf societies or clubs this most peaceful of sports evolved in extremely tumultuous times Without surviving documentary evidence and few recognizable images from before the mid 18th century the author's sources are original materials and books from the National Library of Scotland the co publisher of this book Chapters cover the unprofitable sport golf for royals James Melville the St Andrews student a school boys grammar Sir John Foulis of Ravelson Thomas Kincaid the golfing metropolis of St Andrews and golf in Edinburgh
