It's the first day of summer and the brilliant teenage sleuth Djuna is looking for a job when he meets a young boy named Jimmy whose father is the new golf pro at the country club. While Jimmy and his dad are moving into the clubhouse the movers drop an antique chest. When Djuna's dog Champ picks up a piece of the shattered wood in his mouth they see that it has writing on it. The letters spell purp and they are the first clue in the most dangerous mystery of Djuna's career. The chest is a century old and the mystery stretches back to the life of Jimmy's great great grandfather. The dangers of the purple bird are not to be underestimated. Centric Golf Savo Bojicic, 2008-10 Centric Golf is a revolutionary golf based on the geometry of a circle. Players use one circular swing for all golf shots regardless where the ball lands. **Wood Construction**, 1924 **Shooting and Fishing**, 1921 *Golf Is from Satan* T. Patterson, 2001-01-22 Born of a seething near psychotic indifference to golf that was transformed during its writing into the nihilistic and passionate obsession of a student in a Parisian school for acrobats and clowns *Golf Is From Satan* is the first book about golf that seeks and tells the truth about a game that longs to ascend to the heavens of public imagination on the singed wings of demons. This book sings, instructs, will send the reader into convulsive fits of nervous laughter, save or send the reader to hell, then finally and suddenly yield up the hidden secrets of the universe. And it's just a golf book that admittedly has little to do with golf itself. All Hands, 1968 **Driving Myself Crazy** Jessica Maxwell, 2001-02-27 Adventure writer Jessica Maxwell loves

a challenge and decided to tackle golf the way she had tackled skiing and fly fishing two demanding sports she took up in her early thirties after a life as a confirmed non jockette Surely golf couldn't be that much more difficult could it In this irreverent memoir we have a front row seat as Jessica struggles to learn golf's etiquette traditions and complex rules from her first comical attempts to coax practice balls out of a golf ball machine to just hitting the damn ball to acquiring her own set of Nancy Lopez clubs Among her coaches are Peter Croker a revolutionary Australian teaching pro Cindy Swift Jones his partner and putting guru and Al Mundle the Harvey Penick of the Northwest as well as seventy eight year old American women's golf legend Peggy Kirk Bell and the queen of golf herself Nancy Lopez A willful celebration of what one golf coach called the atrocious first year *Driving Myself Crazy* is an often hilarious always inspiring tale of one woman's obsession with proving to herself that golf played right is a beautiful game at least for that moment

**Quiet Desperation** Mark Alan O'Brien, 2007-10 From the prologue Seven steps later his foot landed on the battered mat at the base of the iron treads that lead up to the trailer's door John looked down and noticed that it actually said WELCOME The only problem was that the m and e were missing The outline was there but no me He half smiled at the thought Everything was there but me He'd felt that way for years *Quiet Desperation* is the story of a man who has recently suffered the loss of his wife and discovers that his boss is crooked With the help of his best friend and the spirit of his dead wife he sets out to get on with life and his boss out of the company he helped build
