history and design of the National Park Service golf courses at East Potomac Park Rock Creek Park and Langston As enthusiasm for the sport began in the early 20th century the District of Columbia s public golf courses were built by the federal government for those who could not afford to play at the area s private clubs and as part of the expansion of parks and recreation facilities in the nation s capital Initially built between 1918 and 1939 the three courses hosted numerous tournaments Presidents of the United States renowned American golfers as well as countless local citizens The golf courses also played a role in the city s Civil Rights movement the National Park Service s position against segregation and the integration of the city s recreational facilities between 1941 and 1954 The National Park Service will use these studies as critical planning tools for the on going management interpretation and public use of the golf courses Discover more resources relating to Civil Rights Equal Opportunity EEO here <https://bookstore.gpo.gov/catalog/civil-rights-equal-opportunity-eeo> Other products produced by the U S Department of Interior National Park Service is available here <https://bookstore.gpo.gov/agency/national-park-service-nps>

Women in Golf David L. Hudson Jr.,2007-11-30 Despite the thirst for more information about women s golf very little exists about its history outside of books about the legendary Babe Didrikson Zaharias Hudson fills this void offering a complete history of women in golf He focuses on the fascinating development of women s golf the creation of the women s tour star athletes of the past the astronomical rise of the present day tour greats and the future of the sport Golf may well have replaced baseball as America s pastime and the sport enjoys incredible popularity across the globe At the professional level women s golf continues to escalate in popularity and media attention particularly with the dominance of LPGA champion Annika Sorenstam and the interest surrounding teenage phenom Michelle Wie Despite the thirst for more information about women s golf very little exists about its history outside of books about the legendary Babe Didrikson Zaharias Hudson s new book fills this void focusing on the fascinating development of women s golf the creation of the women s tour star athletes of the past and the astronomical rise of the present day tour greats In addition Hudson examines women s golf in the context of the country s history of discrimination against women Women s golf grew in popularity after the passage of the 19th Amendment in 1920 granting the right of suffrage Unfortunately gender discrimination remains a reality in the world of golf in certain locales of country club golf Nonetheless women s golf has never been more popular For example the Futures Tour where girls and young women hone their skills on the way to the LPGA has grown to more than 300 players from 27 countries making it the largest international developmental tour in the world And the 2006 LPGA Tour featured 34 events with prize money nearing 50 million the highest ever in LPGA history In 1890 Hudson writes the Washington Post reported that some girls are anxious to learn golf because they are really fond of sport and exercise others because it gives them a chance to show off a natty suit Those girls are now acknowledged as women and this book shows how very far they and their sport have come

Luke Air Force Base (AFB), Construct and Operate a Golf Course ,1996 *Golf Course Management & Construction* James C. Balogh,William J. Walker,2020-10-25

Golf Course Management Construction presents a comprehensive summary and assessment of technical and scientific research on the environmental effects of turfgrass system construction and maintenance. Although the book focuses on golf courses, it also discusses turfgrass systems for residential and commercial lawns, parks, and greenways. The book is an excellent introduction to the concepts of nonpoint source environmental impacts of turfgrass management for turfgrass scientists and specialists, landscape and golf course architects, turfgrass system and golf course developers, golf course superintendents, environmental scientists, and land use regulators. Landscape Restoration Handbook, Second Edition Donald Harker, 1999-02-16. Five years after the first edition of Landscape Restoration Handbook was published, its natural landscaping and ecological restoration techniques have become standard and successful practice throughout the nation. Now the Landscape Restoration Handbook Second Edition substantially widens the scope of the original work. Approximately 250 pages larger than the first edition, new and expanded chapters offer guidance on Development of natural landscaping and ecological restoration programs, Education, regional planning, and increased biological diversity. Ecological communities, species listings, Scientific and common plant names associated with ecological communities, Nurseries that propagate and sell native plants throughout the United States, Naturalization has proven to be a win-win situation all around. Monetary costs that landowners are saving on maintenance and chemicals also translates to environmental benefits for the greater community. Landscape and golf course architects, urban planners, horticulturists, golf course superintendents, and consultants have already put the Landscape Restoration Handbook to the test. Let the Second Edition bring you up to date on the numerous benefits of naturalization. Golfers Magazine, 1918. **Main Street to Miracle Mile** Chester Liebs, 1995-08. Traces the transformation of commercial development as it has moved from centralized main streets out along the street car lines to form the miracle miles and shopping malls of today. Also explores the evolution of roadside buildings. Back cover. **Who's who in the Nation's Capital**, 1921. Primary Education, 1927. **Industrial Arts Index**, 1915. **The Industrial Arts Index**, 1915. **Congressional Record** United States. Congress, 2010. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824, the Register of Debates in Congress 1824-1837, and the Congressional Globe 1833-1873. **Golf Architecture, Vol IV** Daley, Paul, Leading golf architects from 15 countries present their ideas, providing a much needed international assessment of the principles and practices of golf architecture. Ingenuity, imagination, and freedom of expression merge together as man crafts nature into a work of art. Discussions of course design, restoration, terrain, climate, and hand labor are included in this illustrated coffee table book.
