Trials and Triumphs of Golf's Greatest Champions Lyle Slovic, 2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In Trials and Triumphs of Golf s Greatest Champions A Legacy of Hope Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf s Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will

also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials The Wee Ice Mon Cometh Ed Gruver,2024 A look back at golfer Ben Hogan s historic 1953 season still the closest any player has gotten to winning golf s Grand Slam **Release** Bart Steib,2005-08 We live in a self evident age where the issue of the day is whether life has any meaning RELEASE is about the works in our natures Are these works self evident or revealed to us Can you play the game of golf with a self evident nature known only to the senses or do you need a test to know you are truly playing Do you need to be free to pass the test RELEASE explores the passion in the game of golf which drives the player forward It s a passion which will compel you to wonder whether you are really striking the ball at all Is the game of golf and life itself originating in your soul Are you passing the tests of life because you are free and therefore can see the abundance you need to drive out all excuses So much of life and golf is the abundance you need to drive out all excuses Is that possible My book says data can never be the absolute answer to striking the ball in the game of life There is another answer which eliminates all excuses and that answer is the meaning of RELEASE a meaning that will surely not leave you alone on your journey inside being Quotes Golf swing is so simple we can t do it Golf swing is a motion we try to perfect but can t feel There are no parts to the golf swing it s all one motion When the club is released there is no fear All quotes are attributed to Mike Wynn PGA Pro *National Union Catalog* ,1982 Includes entries for maps and atlases **The New Metropolitan** ,1914
