Gamborg,2017-04-11 A searing emotional and inspiring memoir *The Family*

Album *Reminiscing About the Past* tells the story of a resilient family living in Russia during some of the country's darkest and most difficult history. With photographs dating from the end of the 19th to the end of the 20th century, the book tells the powerful and sometimes heartbreaking stories of four families trying to survive during the Russian Revolution, the Great Purge, and The Great Patriotic War. With skilful and engaging storytelling, this memoir details the rich history of the time through photos while telling personal stories such as how the author's own father perished while fighting for his country and how she and her mother survived the Leningrad Blockade. Despite the hardships faced by the family, this book still brims with hope, enthusiasm, and patriotism and offers its readers an uplifting lesson in history and the strength of the human spirit.

*A Family of Noblemen* Mikhail Saltykov, 2014-09-01 First published in the original Russian in 1880 and also known in translation as *The Golovlyov Family*, this was the most famous work of Saltykov, a major 19th-century Russian satirist. **The Russian Student**, 1928 **"Truth Behind Bars"** Paul Kellogg, 2021-11-05 Just north of the Arctic Circle is the settlement of Vorkuta, a notorious camp in the Gulag internment system that witnessed three pivotal moments in Russian history. In the 1930s, a desperate hunger strike by socialist prisoners, victims of Joseph Stalin's repressive regime, resulted in mass executions. In 1953, a strike by forced labourers sounded the death knell for the Stalinist forced labour system. And finally, in the late 1980s and early 1990s, a series of strikes by new independent miners' unions were central to overturning the Stalinist system. Paul Kellogg uses the story of Vorkuta as a frame with which to reassess the Russian Revolution. In particular, he turns to the contributions of Iulii Martov, a contemporary of Lenin, and his analysis of the central role played in the revolution by a temporary class of peasants in uniform. Kellogg explores the persistence and creativity of workers' resistance in even the darkest hours of authoritarian repression and offers new perspectives on the failure of democratic governance after the Russian Revolution. *Writing Fear* Katherine Bowers, 2022-03-01 In Russia, gothic fiction is often seen as an aside, a literary curiosity that experienced a brief heyday and then disappeared. In fact, its legacy is much more enduring, persisting within later Russian literary movements. *Writing Fear* explores Russian literature's engagement with the gothic by analysing the practices of borrowing and adaptation. Katherine Bowers shows how these practices shaped literary realism from its romantic beginnings through the big novels of the 1860s and 1870s to its transformation during the modernist period. Bowers traces the development of gothic realism with an emphasis on the affective power of fear. She then investigates the hybrid genre's function in a series of case studies focused on literary texts that address social and political issues such as urban life, the woman question, revolutionary terrorism, and the decline of the family. By mapping the myriad ways political and cultural anxiety take shape via the gothic mode in the age of realism, *Writing Fear* challenges the conventional literary history of nineteenth-century Russia. **Unknown Masterpieces** Edwin Frank, 2003-07-31 In this original collection, several of today's finest writers introduce little-known treasures of literature that they count among their favorite books.
