in pursuit of the heiress Eugenie but finds himself in the midst of the American claim for independence. Meanwhile Henry the family's bastard offshoot pursues pleasure relentlessly but pennilessly until he finds a niche for himself in the fashionable Parisian salons whilst outside revolution creeps closer. **The Long Shadow** Cynthia Harrod-Eagles, 2011-08-25 1670 King Charles II's reign has brought peace and prosperity to the Morland family but James II's ascent to the throne will shatter their restored fortunes. In Yorkshire Morland Place has flourished during the Restoration and in London the beautiful and spirited Annunciata is now Countess of Chelmsford, a wealthy and well-connected woman intimate with the Royal Family. But storm clouds gather over them all when the reign of James II brings rebellion and discord. Trouble is never far from Annunciata in these turbulent times. Jealousy, betrayal and violent death threaten her children and for Annunciata herself comes the anguish of love lived in the long shadow of secrecy, a love that can only lead to tragedy. *The Winter Journey* Cynthia Harrod-Eagles, 2011-08-25 In 1851 the fortunes of the Morland family are more buoyant than they have been for years. Morland Place is recovering under Benjamin's steady hands, happy at last with Sibella Charlotte, now Duchess of Southport, is shortly to give birth to her second child and on the point of opening her modern hospital for the poor. Cavendish's engagement to the ethereally beautiful but slightly silly Miss Phipps causes a stir in the drawing rooms of Mayfair and his wedding causes his family some misgivings. Then the storms in Europe spill in to Britain when the army is forced to defend Turkey against the Tsar. Within weeks Cavendish is in the Crimea and disappears in the Charge of the Light Brigade. Another moving and beautifully portrayed episode in the riveting Morland saga. *The Founding* Cynthia Harrod-Eagles, 2011-08-25 Brilliant, a definite page-turner. They combine real historical events with fascinating fictional characters. The twenty-three volumes of the Morland Dynasty series have been completely repackaged in the most elegant style using contemporaneous artwork for each period. This wonderful series opens with the backdrop of the Wars of the Roses with the marriage between Eleanor Morland and a scion of the influential house of Beaufort. It is a union which establishes the powerful Morland dynasty and in the succeeding volumes of this rich tapestry of English life we follow their fortunes through war and peace, political upheaval and social revolution, times of pestilence and periods of plenty and through the vicissitudes which afflict every family: love and passion, envy and betrayal, birth and death, great fortune and miserable penury. The Morland Dynasty is entertainment of the most addictive kind. **The Hidden Shore** Cynthia Harrod-Eagles, 2011-08-25 When Charlotte Meldon's father dies, she believes herself to be destitute but a lawyer's letter reveals that she is not only part of the great Morland family but wealthy and a countess in her own right. She is expected to make a great marriage and with her vivacious cousin Fanny by her side she is launched into her first Season. But it is Fanny, the hardened flint, who loses her heart first while Charlotte catches the eye of Oliver Fleetwood, the most eligible man in London. Then the Season ends in disillusion and Charlotte rebels against a life of idle amusement. With calm courage she flouts convention and embarks on a new journey which will change her life in very unexpected ways. *The Regency* Cynthia Harrod-Eagles, 2011-08-25 1807 the Napoleonic

Wars continue and their violence reverberates in the lives of the Morland family Lucy trying to rebuild her life after the death of her lover Captain Weston is thrown into doubt and confusion by an unexpected proposal of marriage At Morland Place the hard won happiness of James and Heloise is threatened by his rebellious daughter Fanny As heiress to the Morland estate Fanny is determined to claim more than her inheritance but for those dependent on her generosity Fanny's decision to marry the unscrupulous Lieutenant Hawker brings only anxiety These troubled times hold many surprises and in their darkest hour the Morlands make an astonishing discovery which enables them to face the uncertain future with new strength

The Dream Kingdom Cynthia Harrod-Eagles, 2011-08-25 Edwardian England is a country at the peak of its power a kingdom of peace prosperity and progress As Jessie and Violet enjoy their coming out in the glittering Season of 1908 their thoughts are of pleasure dancing and falling in love For the Morlands things seem set fair new business ventures expand their influence and wealth there are weddings babies in the nursery careers for the boys now reaching manhood It is an exciting age with new technologies motor cars telephones radio aeroplanes extending man's control over the natural world But under the appearance of permanence a different reality is stirring Socialism the suffrage movement the constitutional crisis all call forth ever more dissent and anger Increasingly violent protests and strikes disturb the peace war with Germany looms ever closer With the King's death it begins to seem that the safe Edwardian world was only a dream from which the waking will be hard indeed

The Restless Sea Cynthia Harrod-Eagles, 2011-08-25 England in 1912 still bears itself with Edwardian confidence but strikes protests and public violence reveal the fault lines as society evolves under the spur of new ideas and technology Among the many branches of the Morland family Jessie and Violet childhood friends learn to cope with the surprises of marriage and motherhood and their different strata of society Jack disappointed in love loses himself in designing aircraft and training airmen for the newly formed flying corps And Anne exhausted by the Suffragette struggle seeks comfort in her friendship with an unconventional young woman The Titanic tragedy shakes the confidence of a people used to conquering nature with engineering and all the while the troubled nations of Europe edge closer to a war no one wants but which seems inevitable

The Question Cynthia Harrod-Eagles, 2011-08-25 In the last years of the nineteenth century the Morlands' fortunes are changing for the better as Henrietta and Jerome find a true home at Morland Place and Teddy ploughs his profits into restoring it to its former glory But the reverses and cruelties of the Boer War and the death of Queen Victoria shake the foundations of a confident nation The accession of King Edward seems to mark the end of the old familiar England Old certainties are being questioned everything is changing and the young generation of Morlands faces a new world full of wonders but full of dangers

**The Outcast** Cynthia Harrod-Eagles, 2011-08-25 Benedict Morland's comfortable life is upset when an old enemy's dying wish leaves him guardian of an orphaned boy No one including his wife Sibella can understand why Benedict accepts Lennox Mynott into his household and amid growing hostility at Morland Place he takes the boy to America to join his daughter Mary at Twelvetrees Plantation Here Benedict as well as Lennox fall in love

with the Southern way of life just at the moment when bitter civil war is about to destroy it forever      The Measure Of Days Cynthia Harrod-Eagles, 2011-08-25 1916 England is at war and the Morland family is in the thick of it with two men already in France and three more soon to go Tragedy strikes Morland Place when Jessie's husband Ned is reported missing on the Western Front His father launches a desperate bid to find him but the family fear the worst Jessie in mourning and frustrated by her job as an auxiliary nurse goes to London to work in a military hospital There she is reunited with her old friend Oliver posted to the capital under the RAMC Also in London is Violet whose affair with the brilliant artist Octavian Laidislaw is about to erupt in scandal The Measure of Days paints a portrait of a family and a nation at war at a pivotal point in history With the onset of conscription no one is left unaffected Every man must hold himself in readiness and every woman knows that when she says goodbye it might be for the last time      *The Burning Roses* Cynthia Harrod-Eagles, 2011-08-25 In 1915 the first euphoria of the war has worn off but the nation is more determined than ever to win When Ned is sent to the Front ahead of his battalion Jessie already involved in various charity works feels the need to do more and becomes an auxiliary nurse But life on the wards is harder than she expects Meanwhile Helen and Jack settle in a home of their own at last and Helen takes on a surprise war role of her own And for Violet in London a chance meeting with talented young artist threatens to destroy her calm and ordered life With stalemate on the Eastern Front everything now hangs on the new September offensive on the Western Front the Battle of Loos Both Ned and Bertie will be leading their men over the top leaving the rest of the family to pray for their safe return      **The Oak Apple** Cynthia Harrod-Eagles, 2011-08-25 1630 after long years of peace the reign of Charles I brings brutal civil war to England The clash between King and Parliament is echoed at Morland Place when Richard brings home a Puritan bride while his brother Kit joins Prince Rupert and the Royalist cavalry leaving their father Edmund desperately trying to steer a middle course between the fighting factions As the war grinds on bitterness and disillusion replace the early fervour and the schisms between husband and wife father and son grow deeper Edmund struggles grimly through it all in an attempt to keep the Morland fortune intact but he is thwarted by the estrangement between his sons and then alienated from his beloved wife Mary
