The Windsors at War Alexander Larman, 2023-04-18 The next volume in Alexander Larman's biographical chronicle of the Windsor family as they go to war with Adolf Hitler and each other At the beginning of 1937 the British monarchy was in a state of turmoil The previous king Edward VIII had abdicated the throne leaving his unprepared and terrified brother Bertie to become George VI surrounded by a gaggle of courtiers and politicians who barely thought him up to the job Meanwhile as the now Duke of Windsor awaited the decree that would allow him to marry his mistress Wallis Simpson he took an increased interest in the expansionist plans of Adolf Hitler He may even have gone so far as to betray his country in the process And as double agents and Nazi spies thronged the corridors of Buckingham Palace the only man the King could trust was his Prime Minister Winston Churchill But they faced a formidable even unbeatable adversary his own brother *The Windsors at War* tells the never before told story of World War Two in Britain and America with a fresh focus on the royal family their conflicted relationships and the events that rocked the international press How did this squabbling dysfunctional family manage to put their differences aside and unite to help win the greatest conflict of their lifetimes Alexander Larman author of *The Crown* in
