**Gooch** Graham Gooch, Frank Keating, 2002 English Test batsman Graham Gooch reveals his true thoughts on his career to date He talks about the friction between him and his fellow players during his England captaincy the South Africa rebel tours and their repercussions and the philosophy behind his approach to the game 1996 The White Heat - My Autobiography Tomás Ó Sé, 2015-10-16 I went as hard as I could for as long as I could When Tom s S retired from the Kerry senior panel in 2013 he did so as one of the longest serving players in intercountry history and one of its most prolific winners Tom s epitomised everything that Kerry football is all about His commitment determination and never say die attitude were plainly visible every time he took to the pitch He was a warrior and the best wing back that I have seen play the game amonn Fitzmaurice Kerry senior team manager But his drive and determination weren t forged in a vacuum they came from growing up in a family and place where Gaelic football was all that mattered For Tom s and his brothers Marc and Darragh football always came first each of them inspired by the larger than life personality of their uncle P id the talisman of Kerry s fabled team of the early 1980s In his memoir an account of his upbringing and time in the Championship cauldron competing alongside and against the sport s modern greats Tom s writes candidly about life as a member of Ireland s greatest sporting dynasty the victories and disappointments the rivals and roguery the clashes and confrontations not to mention the tremendous responsibility that came with donning the green and gold of Kerry Moving thrilling and frequently hilarious The White Heat is an exploration of what it means to eat sleep and bleed Gaelic Games **The Art of Centuries** Steve James, 2015-04-09 A century has always had a special resonance in all walks of life and none more so than in cricket Scoring one hundred runs is the ultimate for a batsman As former England captain Andrew Strauss admits it s incredibly hard to do for Ricky Ponting it s a transformational moment in the career of a cricketer Or in the words of Geoffrey Boycott a century has its own magic In The Art of Centuries Steve James applies his award winning forensic insight to the very heart of batting Through interviews with the leading run scorers in cricket history and his own experiences Steve discovers what mental and physical efforts are required to reach those magical three figures Despite his own haul of 47 first class tons he himself felt at times that he was poorly equipped for the task So working out how to score centuries is an art And bowlers might not agree but there really is no better feeling in cricket **The Hollow Crown** Mark Peel, 2020-05-18 Award winning cricket writer Mark Peel charts the development of the England captaincy from 1945 to the present with portraits of England s 43 captains Is England s failure to produce sufficient leaders of stature especially in comparison with Australia down to individual deficiencies or the exacting nature of the job Long Shot Summer Neil Robinson, 2015-06-15 A look at the summer of 1988 a year of turmoil in the English Cricket Team Grovel! David Tossell, 2012-05-11 When England cricket captain Tony Greig announced that he intended to make the West Indies grovel he lit a fire that burned as intensely as the sunshine of Britain s long hot summer of 1976 Spurred on by what they saw as a deeply offensive remark by a white South

African Clive Lloyd's touring team made Greig pay through the exciting batting of Viv Richards and the frightening pace of bowlers Michael Holding and Andy Roberts. Grovel provides a fascinating study of the events and social issues surrounding one of the sport's most controversial and colourful tours. Runner up in Best Cricket Book category at both the British Sports Book Awards and Cricket Society Book of the Year. Forthright foreword by Tony Greig in which he addresses one of the most infamous comments in cricket history. Featuring interviews with key figures from English and West Indian cricket. Addresses all the vibrant sporting storylines of the series while examining the darker undercurrent that existed in a period of ongoing racial tension around the country. Traces the origins of the great West Indies team of the 1970s and 80s which featured in the film *Fire of Babylon*.

Graeme Swann: The Breaks Are Off - My Autobiography Graeme Swann, 2011-10-13 Graeme Swann's transformation from international outsider to England's primary match winner and undisputed best spin bowler in the world has been remarkably rapid. Within two years of his 2008 Test debut he had become his country's most reliable bowler, made the shortlist for the ICC's cricketer of the year award and claimed an Ashes sealing wicket. Yet the script took many twists and turns along the way. Drafted into the squad for the full tour of South Africa in 1999-2000, Swann's meteoric rise received a jolt. While some liked the cut of his jib, others did not, and England coach Duncan Fletcher already had a foot in the latter camp when Swann missed the bus for the first of two times on that tour. Suddenly he was judged on temperament and not talent. Although Swann candidly concedes he was nowhere near good enough for the top level at that stage in his career, his jettisoning back to county cricket for the next seven years following a solitary one-day international hinted at a career wasted. A clash with then Northamptonshire coach Kepler Wessels triggered his move to Nottinghamshire in 2005. A County Championship winner in his debut season, he was back in the England fold at the end of his third. Forever a flamboyant showman, he made up for lost time with two wickets in his first over against India; his habit of striking in his opening over a spell has become a party piece. You cannot keep the spotlight off him for long. Since moving into the top 10 of the world rankings for bowlers on the back of eight wickets in the Ashes-defining Oval Test of 2009, he has not dropped outside it and has been widely tipped to be the decisive factor in the defence of the urn in Australia.

*International Sport* Richard William Cox, 2004 There has been an explosion in the quantity of sports history literature published in recent years, making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1 000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the importance of sport history research within academe. This international bibliography of books, articles, conference proceedings and essays in the English language is a one-stop for the sports historian to know what is new.

British Sport: Biographical studies of British sportsmen, sportswomen, and animals Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written

of literary bad temper especially when confronted by committee room idiots and officious gatemmen The Highlights includes much of his best writing in the Guardian on a huge range of sport plus extracts from his work elsewhere including The Observer The Oldie and The Spectator and from his books including the autobiography Half Time Whistle and his classic account of the 1980 81 England tour of the Caribbean Another Bloody Day in Paradise Edited by his friend and colleague Matthew Engel The Highlights is a lasting record of the work of a very special writer **No Surrender** Dave

Bowler,2013-06-13 The unauthorised biography of the world s most entertaining and Britain s most successful cricketing all rounder In his prime year in year out Ian Botham provided the most memorable moments of the cricketing season Yet there has always been more to Botham than just cricket and this biography examines why he inspires both admiration and fury in his fans Primarily a celebration of Botham and cricket NO SURRENDER explores the life and times of the most important cricketer of the past quarter century British Sporting Relations with Apartheid South Africa Matthew P. Egerton,1994 Wesley Wark and John Naylor analyse the proliferation of intelligence memoirs and government efforts to protect official secrets from the revelations of the candid memoirist The principal findings reached by the contributors in their study of this problematic but influential genre are set out by the editor in the concluding chapter **1916** Keith

Jeffery,2016-01-26 So much of the literature on the First World War centers on the trench warfare of the Western Front and these were essential battlegrounds But the war was in fact truly a global conflict and by focusing on a sequence of events in

1916 across many continents historian Keith Jeffery's magisterial work casts new light on the Great War Starting in January with the end of the catastrophic Gallipoli campaign Jeffery recounts the massive struggle for Verdun over February and March the Easter Rising in Ireland in April dramatic events in Russia in June on the eastern front the familiar story of the war in East Africa where some 200 000 Africans may have died and the November U S presidential race in which Woodrow Wilson was re-elected on a platform of keeping the United States out of the war a position he reversed within five months Incorporating the stories of civilians in all countries both participants in and victims of the war 1916 A Global History is a major addition to the literature and the Great War by a historian at the height of his powers Liberty's Dawn Emma Griffin,2013-06-11 DIVThis remarkable book looks at hundreds of autobiographies penned between 1760 and 1900 to offer an intimate firsthand account of how the Industrial Revolution was experienced by the working class The Industrial Revolution brought not simply misery and poverty On the contrary Griffin shows how it raised incomes improved literacy and offered exciting opportunities for political action For many this was a period of new and much valued sexual and cultural freedom divDIV divDIVThis rich personal account focuses on the social impact of the Industrial Revolution rather than its economic and political histories In the tradition of best selling books by Liza Picard Judith Flanders and Jerry White Griffin gets under the skin of the period and creates a cast of colorful characters including factory workers miners shoemakers carpenters servants and farm laborers div **A memoir of the life and writings of the late William Taylor of Norwich** John Warden Robberds,1843 **Romantic women's life writing** Susan Civalé,2019-03-14 This book explores how the publication of women's life writing influenced the reputation of its writers and of the genre itself during the long nineteenth century It provides case studies of Frances Burney Mary Wollstonecraft Mary Robinson and Mary Hays four writers whose names were caught up in debates about the moral and literary respectability of publishing the private Focusing on gender genre and authorship this study examines key works of life writing by and about these women and the reception of these texts It argues for the importance of life writing a crucial site of affective and imaginative identification in shaping authorial reputation and afterlife The book ultimately constructs a fuller picture of the literary field in the long nineteenth century and the role of women writers and their life writing within it
