Healthy Eating - Introduction to Vegetables Dueep J. Singh, John Davidson, 2015-02-15 Healthy Eating Introduction to Vegetables Table of Contents INTRODUCTION TO VEGETABLES INTRODUCTION VEGETABLE CUISINE IN ASIA INDIGENOUS VEGETABLES CABBAGES AND POTATOES POTATO ROSTI VEGETABLE BASED DISHES IN EUROPE WHY COOK VEGETABLES IN SLICES LEAF WRAPPED FOODS TRADITIONAL CABBAGE ROLLS SAUERKRAUT KIMCHI OR FERMENTED RADISH CABBAGE ARTICHOKE CHOOSING AND EATING ARTICHOKE WHITE SAUCE FOR ARTICHOKE PEAS TRADITIONAL PEAS PUDDING DOLMA SAUT FENNEL CONCLUSION AUTHOR BIO PUBLISHER Introduction

Someone once asked me whether I was a vegetarian and when I said that I had tried vegetarianism for about five years she asked me whether I found some improvement in my health And even my mental and spiritual behavior and outlook As she is a strict vegetarian and is rather fanatical about promoting vegetarianism in her circle She was a bit disappointed when I said well I can take it or leave it and I did not find any great change in health when I was a vegetarian and then one fine day I decided to go back to my state of omnivorous grazing which included everything from vegetables roots bark leaves to snakes and snails and oxtails Well let me admit that I was taking a Mickey out of her Vegetarianism had improved my health considerably as well as made me feel more youthful energetic and had even improved the texture of my skin and hair But I was not going to admit that to her And then I had digressed back to animal tissue and found that the extra toxic waste build up in my body had brought my health level back to what it was previously before I had started on a fully vegetarian diet Also I did not want to admit to her another rather tricky matter of personal hygiene When I was on a vegetarian diet eating just vegetables so all right I used to sweat as much as any other average person living in a moist hot and muggy humid atmosphere in the summer But the sweat did not give out a displeasing odor at all In fact it was almost like the body was getting rid of extra water through the skin So for all those people who are so used to using lots of deodorants in the summer in order to get rid of that pong try eating a fruit and vegetable diet in summer without any vestige of meat or spices You will be surprised at the nearly immediate and visible and very clearly apparent change within two three days As for my tendency of losing my temper at the drop of a hat believe it or not in the five years when I practiced being a vegetarian on a total fruit and vegetable and cereals diet I was a much calmer person and whether that is due to autosuggestion or just because I was growing up more tolerant is a thing of which I am not quite certain I am definitely not advocating vegetarianism if you are not inclined to change your eating habits However I intend to introduce more vegetables as a welcome addition to your diet Depending on the place in which you live there is a wide ranging variety and choice of fresh vegetables which are going to be available to you all year round unless you are living in the frozen reaches of the South Pole and the North Pole Even there you are going to get frozen vegetables
