

# Island Poem

*If ever you've lived on an island  
If ever you've lived by the sea:  
You'll never return to the mainland  
Once your spirit has been set free.*

*If ever you've smelled the ocean  
Or tasted the salt in the air:  
You'll know you've discovered a haven  
That is uncommon, precious and rare.*

*If ever you've seen the whales play  
Or watched the eagles in flight:  
You'll remember, again, why you live here  
And why it feels so right.*

*If ever you've seen the sunset  
As the ferry passed the shore:  
You've seen the beauty of the island  
That will be with you forever more.*

*If ever you've heard the seagulls  
The waves, a foghorn, the winds:  
Then you've heard the song of the island  
And the peaceful message it sends.*

*Indeed, if you live on an island  
If you're lucky to live by the sea:  
You'll never return to the mainland  
As your spirit has been set free.*

**Good Dream Island Poetry Book** Jacqueline S. Shor, 2004-04-01 I was asked by a very close friend to write a children's book I had never written a book before this one I didn't think I could do it All of a sudden my imagination and creativity crept into my soul There is a great message to all of us in this book Good always wins over evil My prayer is that all the children that read this story will benefit from this message Also I hope that they have a wonderful time having it read to them or reading it by themselves I was told by my mom a long time ago that I had a great imagination when I was a child I am still waiting for my Prince Charming to come into my life All I know is that I am having a wonderful time writing All my life I never thought I could accomplish anything Here I am writing books and lyrics Enjoy the book      **The Collected Poems of Philip Lamantia** Philip Lamantia, 2019-10-22 The Collected Poems of Philip Lamantia represents the lifework of the most visionary poet of the American postwar generation Philip Lamantia 1927-2005 played a major role in shaping the poetics of both the Beat and the Surrealist movements in the United States First mentored by the San Francisco poet Kenneth Rexroth the teenage Lamantia also came to the attention of the French Surrealist leader Andr  Breton who after reading Lamantia's youthful work hailed him as a voice that rises once in a hundred years Later Lamantia went on the road with Jack Kerouac and shared the stage with Allen Ginsberg at the famous Six Gallery reading in San Francisco where Ginsburg first read Howl Throughout his life Lamantia sought to extend and renew the visionary tradition of Romanticism in a distinctly American vernacular drawing on mystical lore and drug experience in the process The Collected Poems gathers not only his published work but also an extensive selection of unpublished or uncollected work the editors have also provided a biographical introduction      **One Hundred Poems and the Brain** Henry Ryman Miner, 2023-12-19 About the Book As Henry Ryman Miner began to grow older he noticed a subtle increase in forgetfulness like going to another room and forgetting what he came for He began to undertake various forms of mental exercise in an effort to improve his memory which led him to engage in the practice of memorizing and reciting favorite and newly discovered poems a practice that he combined with cycling in the Oakland hills Gradually his collection of memorized verse grew to reach one hundred poems Broken into three parts Miner first details his process for memorization explaining in detail his methods and strategies In part two he lists all one hundred poems and includes his thoughts on each reflecting on its place in the chronology of his life Now familiar with his personal process and poems Miner in part three explains the science behind memory memorization and the brain proving and disproving some of his own methods in part one A fascinating read on the realities of memory loss with aging and the power of poetry Miner's One Hundred Poems and the Brain blends science and art into one engaging thoughtful mental exercise      **The Poems and Prose Sketches of James Whitcomb Riley ...: The flying islands of the night. 1898** James Whitcomb Riley, 1900      **Chambers's Cyclop dia of English literature, revised by R. Carruthers**, 1889      **The Celtic Monthly**, 1906      **Ecstatic Occasions, Expedient Forms** David Lehman, 1996 An unexpectedly entertaining

collection of writing by poets discussing the creative inspiration and artistic form of their work      *Yeats's Poems* W. B. Yeats, 1989-10-19 Here in one volume is the entire canon of Yeats's verse who was awarded the Nobel Prize for Literature in 1923 He was a poet and playwright storyteller and visionary The author also wrote *Yeats Man and Poet*      *Origins of the Dream* W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W. Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J. Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In *Origins of the Dream* Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry      **At the Beach Café, Poems 1991-2009** Carmel Dylan, 2010-07-09 At the Beach Café Poems 1991-2009 is a collection of over 40 poems written and performed in beach cafés in California the French Riviera and on the French island of Corsica It is an eclectic and penetrating situational study of island lifestyles Motifs of love integrity art and war are interwoven in the text      **The Pop Music and the Classical Chinese Metered Poems** Weimin Liang, 2019-12-30 All my Chinese poems follow the rules and forms of classical poetic composition exactly      **The Columbia Granger's Index to African-American Poetry** Nicholas Frankovich, David Larzelere, 1999 Responding to the enormous interest in African American literature Columbia University Press is publishing a Granger's Index devoted exclusively to poetry by African Americans To compile the Index to African American Poetry a team of consultants identified the best most widely available anthologies and volumes of collected and selected works The result this new index includes more than 11 000 poems by 659 poets      **Poems** Denis Florence MacCarthy, 2016-03-08 Denis Florence MacCarthy was an Irish poet translator and biographer Poems Published in Dublin by M. H. Gill and Son in 1882 an extensive collection edited by the poet's son His poems are distinguished by a sense of harmony and sympathy with natural beauty Such poems as *The Bridal of the Year* *Summer Longings* alias *Waiting for the May* and his long narrative poem *The Voyage of St. Brendan* are among his most enduring works The last mentioned which paraphrases the Ave Maria *Stella* as the evening song of the sailors is also marked by the earnest religious feeling which marked its author throughout life      **Ludwig Strauss: An Approach to His Bilingual "Parallel Poems"** Julia Matveev, 2018-08-06 This book is devoted to the study of the bilingual parallel poems of Ludwig Strauss Aachen 1892 Jerusalem 1953 created between 1934 and 1952 in Palestine Israel and which exist in two

variants a Hebrew and a German version one of which is the original and the other a self translation The aim of this study is to compare the versions and their interpretation based on Strauss s theoretical essays on poetry and translation his political writings and works of literary criticism Special attention is paid to Strauss s concept linked with the idea of messianic redemption of poetry as a fore image of a future true community of men and as the earthly expression of the Absolute directed at interpreting divine revelation and its translation into human language In examining Strauss s experiments with self translation by which he aimed at establishing a dialogue between languages and between people and nations this study considers the two processes of translation from divine speech into human language and from one human language into another
