Gehrke, Gary Mongiovi**

Economics And Interdisciplinary Exchange:

Economics and Interdisciplinary Exchange Guido Erreygers, 2001-04-12 This book documents exchanges between individual scientists and explores the boundaries between economics and neighbouring fields **Law and Economics as Interdisciplinary Exchange** Péter Cserne, Magdalena Małecka, 2019-09-09 Law and Economics is an established field of research and arguably one of the few examples of a successful interdisciplinary project This book explores whether or to what extent that interdisciplinarity has indeed been a success It provides insights on the foundations and methods achievements and challenges of Law and Economics at a time when both the continuing criticism of academic economics and the growth of empirical legal studies raise questions about the identity and possible further developments of the project Through a combination of reflections on long term trends and detailed case studies contributors to this volume analyse the institutional and epistemic character of Law and Economics which develops through an exchange of concepts models and practices between economics and legal scholarship Inspired by insights from the philosophy of the social sciences the book shows how concepts travel between legal scholarship and economics and change meanings when applied elsewhere how economic theories and models inform and transform judicial practice and it addresses whether the transfers of knowledge between economics and law are symmetrical exchanges between the two disciplines Sraffa and Modern Economics, Volume I Roberto Ciccone, Christian Gehrke, Gary Mongiovi, 2013-06-17 Analyzing Sraffa one of the key figures in the history of economics this book explores his legacy and the relevance of his thought for modern economics Written by an array of internationally respected contributors including Schefold Aspromourgos Nell and Kurz it is an invaluable tool for all those studying the history of economic thought **A Dynamic Approach to Economic Theory** Ragnar Frisch, 2013-03 This book contains a set of notes prepared by Ragnar Frisch for a lecture series that he delivered at Yale University in 1930 complete with an introductory essay from Olav Bjerkholt and Duo Qin placing the notes in their historical context *The Analysis of Linear Economic Systems* Christian Bidard, Guido Erreygers, 2020-11-25 Maurice Potron 1872 1942 a French Jesuit mathematician constructed and analyzed a highly original but virtually unknown economic model This book presents translated versions of all his economic writings preceded by a long introduction which sketches his life and environment based on extensive archival research and family documents Potron had no education in economics and almost no contact with the economists of his time His primary source of inspiration was the social doctrine of the Church which had been updated at the end of the nineteenth century Faced with the economic evils of his time he reacted by utilizing his talents as a mathematician and an engineer to invent and formalize a general disaggregated model in which production employment prices and wages are the main unknowns He introduced four basic principles or normative conditions sufficient production the right to rest justice in exchange and the right to live to define satisfactory regimes of production and labour on the one hand and of prices and wages on the other He studied the conditions for the existence of these regimes both on the quantity

side and the value side and he explored the way to implement them This book makes it clear that Potron was the first author to develop a full input output model to use the Perron Frobenius theorem in economics to state a duality result and to formulate the Hawkins Simon condition These are all techniques which now belong to the standard toolkit of economists This book will be of interest to Economics postgraduate students and researchers and will be essential reading for courses dealing with the history of mathematical economics in general and linear production theory in particular **Economic**

Development and Global Crisis José Luís Cardoso, Maria Cristina Marcuzzo, María Eugenia Romero Sotelo, 2014-02-05 This edited collection uses a history of economic thought perspective to explore the evolving role of Latin America within the context of globalization In particular it examines the region s resilience in the face of the global financial crisis Economic Development and Global Crisis explains that Latin America is a region with distinct characteristics and peculiarities which have been shaped from the colonial era up to the present day The contributions suggest that several features which were perceived as economic backwardness have turned out to be advantageous and this may explain why Latin America is withstanding the crisis much better than Europe Japan and the USA This book will be of interest to scholars working in the areas of economic development economic history the history of economic thought and Latin American studies **Value and**

Prices in Russian Economic Thought François Allisson, 2015-05-15 This book explores Russian synthesis that occurred in Russian economic thought between 1890 and 1920 This includes all the attempts at synthesis between classical political economy and marginalism the labour theory of value and marginal utility and value and prices The various ways in which Russian economists have approached these issues have generally been addressed in a piecemeal fashion in history of economic thought literature This book returns to the primary sources in the Russian language translating many into English for the first time and offers the first comprehensive history of the Russian synthesis The book first examines the origins of the Russian synthesis by determining the condition of reception in Russia of the various theories of value involved the classical theories of value of Ricardo and Marx on one side the marginalist theories of prices of Menger Walras and Jevons on the other It then reconstructs the three generations of the Russian synthesis the first Tugan Baranovsky the second the mathematicians Dmitriev Bortkiewicz Shaposhnikov Slutsky etc and the last Yurovsky with an emphasis on Tugan Baranovsky s initial impetus This volume is suitable for those studying economic theory and philosophy as well as those interested in the history of economic thought **Macroeconomics and the History of Economic Thought** H.M.

Krämer, Heinz Kurz, H.-M. Trautwein, 2012-03-29 The essays in this Festschrift have been chosen to honour Harald Hagemann and his scientific work They reflect his main contributions to economic research and his major fields of interest The essays in the first part deal with various aspects within the history of economic thought The second part is about the current state of macroeconomics The essays in the third part of the book cover topics on economic growth and structural dynamics The History of Ancient Chinese Economic Thought Cheng Lin, Terry Peach, Wang Fang, 2014-04-24 This volume comprises twelve

papers written by Chinese scholars on various aspects of the history of ancient Chinese economic thought The contributions are preceded by an introduction which gives an overview of the development of the subject of history of economic thought in China and which also provides an historical context to the individuals who constitute the major schools of ancient Chinese economic thought The authors of the papers are leading scholars who have dominated this research area since the founding of New China in 1949 while the broad range of topics covered by the contributions includes questions of methodology detailed and sometimes controversial interpretations of texts and schools and the international influence and modern relevance of ancient Chinese thought A recurrent theme is that ancient Chinese thought has at least as much to offer to the historian as ancient Western thought As the first such volume of papers to be translated into English this collection provides a unique opportunity for non Chinese readers to sample the way in which Chinese historians of economics have attempted to understand their own intellectual heritage This book will be relevant to scholars interested in the history of economic thought economic history and Chinese studies *A Re-Assessment of Aristotle's Economic Thought* Ricardo F.

Crespo,2013-10-30 The world has seen several financial and economic crises in the past few years Psychological ethical and philosophical levels of causal analysis have been discussed and in this context an interest in classical thinkers has emerged The work of Aristotle has influenced writers from Marx and Menger to Amartya Sen This book introduces us to Aristotle s thought on the economic and on its influences on economists First it focuses on Aristotle s ideas situating Aristotle in his historical context describing his positions on the economic and analysing what kind of reality the economic is its relation with ethics and with politics Then it determines what kind of science is concerned with the economic Later it analyses related topics and shows the influence of Aristotle s ideas on contemporary economists It concludes by highlighting the Aristotelian contributions to today s economy This scholarly volume offers important new insights into the Aristotelian approach to the economy itself as well as to the idea of economics as a science bringing Aristotle s views to bear on the modern economy

A Bibliography of Female Economic Thought to 1940 Kirsten Kara Madden,Janet A. Seiz,Michèle A. Pujol,2004 Contains references to over 10 000 articles books and pamphlets on economic issues written by more than 1 700 women published between 1770 and 1940 Introduction **A Bibliography of Female Economic Thought up to 1940** Kirsten Madden,Michele Pujol,Janet Seiz,2004-03-01 Contributions to female economic thought have come from prolific scholars leading social reformers economic journalists and government officials along with many other women who contributed only one or two works to the field It is perhaps for this reason that a comprehensive bibliographic collection has failed to appear until now This innovative book brings together the most comprehensive collection to date of references to women s economic writing from the 1770s to 1940 It includes thousands of contributions from more than 1 700 women from the UK the US and many other countries This bibliography is an important reference work for systematic inquiry into questions of gender and the history of economic thought This volume is a valuable resource and will interest researchers on women s contributions to

economic thought the sociology of economics and the lives of female social scientists and activist authors With a comprehensive editorial introduction it fills a long standing gap and will be greeted warmly by scholars of the history of economic thought and those involved in feminist economics

The Political and Economic Thought of the Young Keynes Carlo Cristiano,2014-06-13 A century ago John Maynard Keynes entered the Treasury to serve his country during the First World War but as is well known appalled by the terms of the end of war Treaty of Versailles he abandoned the British delegation outlining the predictable adverse results in the Economic Consequences of the Peace published in 1919 Far less well known is his personal and political development that led him to be called to service even before Great Britain entered the conflict Starting from Keynes s early political activity Carlo Cristiano charts the stages through which Alfred Marshall s young pupil rapidly rose to be one of his country s major experts on monetary issues The very young Liberal Imperialist was soon to become a staunch supporter of the liberal government strongly committed to Lloyd George s 1909 people s budget Moreover the good relations he had established during his two years at the India Office of London and his growing expertise in money and finance made him one of the few who genuinely grasped the functioning of the pre war gold standard and an ally of the Treasury and the Bank of England in the struggle within the City for control and management of London s gold reserves Abandoning the stereotyped image of Keynes in his early years so often described as a young connoisseur interested in philosophy and with little inclination for politics this book sees his perfect fusion of political vision and economic competence in the era of New Liberalism as the true wellspring of Keynesianism

Subjectivism and Objectivism in the History of Economic Thought Kiichiro Yagi,Yukihiko Ikeda,2012-07-26 This book investigates the tensions between subjectivism and objectivism in the history of economics The book looks at the works of Adam Smith Carl Menger Leon Walras William Stanley Jevons Oskar Morgenstern Ludwig Mises Piero Sraffa and so on The book highlights the diverse subjective and objective elements of their economic theories and suggests a reframing of methodology to better address the core problems of the theories Contributors of the volume are leading members of the Japan Society of History of Economic Thought who have provided a comprehensive overview on the economics methodology and the related problems Hence this book will be of an invaluable asset to not only those who are interested in the history of economic thought but also to scholars who are concerned with the methodological problems of economic science

Economic Thought and Policy in Less Developed Europe Maria Eugenia Mata,Michalis Psalidopoulos,2001-12-06 The essays in this volume explore and discuss the process of dissemination of economic ideas among Europe s less developed countries and regions as well as the interaction between economic thought and economic policy in different times and places during the nineteenth century The comparative approach adopted sheds new light on the course of economic development in Europe s less developed countries in the nineteenth century and the role played by political economy Amongst a host of others the topics covered include economic policy in Denmark monetary and trade policy in Norway the influence of the German Historical School in Finland

land Reform and the abolition of serfdom in Russia and in Poland With contributions that disclose important insights into national traditions in economic thought and policy and the diffusion of ideas in Europe this work will be essential reading for all scholars of the history of economic thought *Austrian and German Economic Thought* Kiichiro Yagi,2013-03-01 This book intends to renovate the view of social sciences in the German speaking world It explores the intellectual tension in the social science in Austria and Germany in the late nineteenth and early twentieth centuries It deals with how the emergence of the new school Austrian School changed the focus of social science in the German speaking world and how it prepared the introduction of an evolutionary perspective in economics politics and sociology Based on mostly hitherto unknown primary evidence this development is lively described in a series of encounters and decisions by each social scientists

Considerations on the Fundamental Principles of Pure Political Economy Vilfredo Pareto,2007-05-07 Between May 1892 and October 1893 the Giornale degli Economisti published Vilfredo Pareto s Considerazioni sui principi fondamentali dell economia politica pura in five parts Viewed in its entirety the outcome is essentially a classic monograph on the fundamental issues in pure economic theory in the Lausanne tradition Pareto s work forms a document of major historical significance which to date has only been available to the relatively small number of international economists and historians of economics who read Italian This first English language edition is a significant landmark in the history of economics Crises and Cycles in Economic Dictionaries and Encyclopaedias Daniele Besomi,2013-03-01 This book aims at investigating from the perspective of the major economic dictionaries the notions of economic crisis and cycle The project consists in giving an extensive summary of a number of significant entries on this subject with an introductory essay to each entry placing them and the dictionary to which they belong in their context giving some details on the author of the dictionary entry and assessing the entry s and its author s contribution The broad picture including the history of these encyclopedic tools will be examined in the introductory essays Rosa Luxemburg and the Critique of Political Economy Riccardo Bellofiore,2009-05-27 Bringing together contributors from outside the Marxian tradition as well as from within including Paul Zarembka Jan Toporowski and Paul Mattick Jr this book analyzes the important contributions made by Rosa Luxemburg to economic theory *Economic Justice and Liberty* Huei-chun Su,2013-07-18 This new book reopens the debate on theories of justice between utilitarian theorists and scholars from other camps John Rawls 1971 publication of A Theory of Justice put forward a devastating challenge to the long established dominance of utilitarianism within political and moral philosophy and until now no satisfactory and comprehensive utilitarian reply has yet been put forward By expounding John Stuart Mill s system of knowledge and by reconstructing his utilitarianism Huei chun Su offers a fresh and comprehensive analysis of Mill s moral philosophy and sheds new light on the reconciliation of Mill s idea of justice with both his utilitarianism and his theory of liberty More than a study of Mill this book uses a systematic framework to draw a comparison between Mill s theory of justice and those of John Rawls Amartya Sen and Friedrich von Hayek It hence establishes common ground between

different schools of thought in the fields of economics and philosophy and enables more effective dialogue This book will be indispensable both to those interested in Mill's moral philosophy and to those seeking a solid theoretical basis for analyzing the idea of justice as well as to anyone with an interest with the history of economics economic philosophy and the history of economic thought more generally

This is likewise one of the factors by obtaining the soft documents of this **Economics And Interdisciplinary Exchange** by online. You might not require more get older to spend to go to the ebook launch as without difficulty as search for them. Economics And Interdisciplinary Exchange Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economics And Interdisciplinary Exchange has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economics And Interdisciplinary Exchange has opened up a world of possibilities. Downloading Economics And Interdisciplinary Exchange provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economics And Interdisciplinary Exchange has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economics And Interdisciplinary Exchange. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economics And Interdisciplinary Exchange. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economics And Interdisciplinary

Exchange, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economics And Interdisciplinary Exchange has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Economics And Interdisciplinary Exchange Books

1. Where can I buy Economics And Interdisciplinary Exchange books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Economics And Interdisciplinary Exchange book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Economics And Interdisciplinary Exchange books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Economics And Interdisciplinary Exchange audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
