

# APA REFERENCING GUIDE

Edith Cowan University uses APA (6th edition) referencing style in most of its courses unless otherwise stated in the unit plan. One exception is the Bachelor of Laws course. This guide has been developed to assist undergraduate students with using APA 6th referencing style and contains examples of the most commonly referenced materials. For more detail, please refer to our comprehensive online [Referencing Library Guide](#), where you will also find a link to the APA Style Central database.

If you are unsure that APA is the correct style to use for your work, please consult your unit plan or contact your lecturer or unit coordinator.

## Why should I reference?

Referencing is an essential part of writing at university. It is necessary to reference the information sources you have used in your work to:

- acknowledge the work of other writers;
- enable other researchers to trace your sources;
- demonstrate the depth of your research; and
- support your arguments or opinions put forward in your work.

By acknowledging the work of others, you avoid **plagiarism**. Plagiarism is a form of academic misconduct and is taken very seriously at university and can lead to possible exclusion from a course. Plagiarism is where you either intentionally, or unintentionally, fail to acknowledge other writers' words, ideas, or concepts, and/or claim the words, ideas, and concepts as your own. However, the use of common knowledge in your discussion is not considered to be plagiarism (i.e. the sky is blue, or the chemical formula for water is H<sub>2</sub>O).

## What is APA Referencing?

APA is the referencing style set by the American Psychological Association, and has been adopted across the majority of courses at ECU. It is an **(author, date)** style of referencing that consists of two parts:

1. **In-text Citation** – a short reference (author, date) contained within the text of your assignment **AND**
2. **End-text Reference** – the full citation details of each in-text citation used in the text of your assignment.

## In-text Citations

In-text citations include the details of the author/s (usually just the surname), and the year of publication in the **(author, date)** format. You must always include an in-text citation when you:

- **Quote** another author (word for word)
  - Note: you must also include a page number for direct quotes **(author, date, page number)**. For electronic sources where there is no page number, use the paragraph number or section heading.
- **Paraphrase, summarise or synthesise** another author's work in your own words
  - In-text citations, when paraphrasing, can take a number of forms, depending on how you choose to structure your sentence. For example,
    - Kessler (2014) found that among epidemiological samples . . .
    - Early onset results in a more persistent and severe course (Kessler, 2014) showed . . .
    - In 2014, Kessler's study of epidemiological samples showed that . . .
- **Support** your own work with another author's work (either to provide an example or to provide evidence for an argument).

Rodgers, 2007-05-08 This is a Foreword by an archaeologist not a conservator but as Brad Rodgers says Conservation has been steadily pulled from archaeology by the forces of specialization p 3 and he wants to remedy that situation through this manual He sees this work as a call to action for the non professional conservator permitting curators conservators and archaeologists to identify artifacts that need professional attention and allow these professionals to stabilize most artifacts in their own laboratories with minimal intervention using simple non toxic procedures p 5 It is the mission of Brad's manual to bring conservation back into archaeology p 6 The degree of success of that goal depends on the degree to which archaeologists pay attention to and put to use what Brad has to say because as he says The conservationist archaeologist is responsible to make preparation for an artifact's care even before it is excavated and after its storage into the foreseeable future a tremendous responsibility p 10 The manual is a combination of highly technical as well as common sense methods of conserving wood iron and other metals ceramics glass and stone organics and composites a far better guide to artifact conservation than was available to me when I first faced that archaeological challenge at colonial Brunswick Town North Carolina in 1958 a challenge still being faced by archaeologists today The stage of conservation in 1958 is in dramatic contrast to the procedures Brad describes in this manual conservation has indeed made great progress For instance a common procedure then was to heat the artifacts red hot in a furnace a method that made me cringe *Dispute Settlement Reports 2007: Volume 2, Pages 423-718* World Trade Organization, 2009-03-19 The authorized paginated WTO Dispute Settlement Reports in English cases for 2007 Annual Report of the Executive Directors for the Fiscal Year International Monetary Fund, 1993 Disabled International Students in British Higher Education Armineh Soorenia, 2013-12-30 A wealth of evidence demonstrates that disabled domestic students experience disabling barriers in

such areas as funding pedagogy and social life in Higher Education HE Research also indicates that non disabled international students experience a wide range of cultural and linguistic difficulties throughout their university experience whilst studying in England Nevertheless there is a dearth of research concerning the specific experiences of disabled international students in English universities With the increasing internationalisation of HE in the past two decades this is highly significant Analysing disabled international students accounts in British universities appears to be all the more pertinent due to the current austerity measures which have impacted on the financial situation of Higher Education Institutions Armineh Soorenia comments on the relevance of inclusive educational theories and policies within an increasingly internationalised HE system with reference to disabled international students experiences in England The project is both timely and appropriate as there is an acute shortage of documentation on the application of policies for the inclusion of disabled students and disabled international students specifically in English universities The findings identify key barriers in the four broad categories of 1 Information Access and Funding 2 Disability Services 3 Learning and Teaching and 4 Non Disability Support Services such as accommodation and social life The study provides an up to date snapshot of disabled international students accounts and the multiple disadvantages they experience in their universities based on their identities as disabled international and sometimes mature students The author also draws on a number of insights which could contribute towards a more inclusive HE system The implication of concentrating on disabled international students experiences have direct ramifications not only for this specific group but also a wide range of students from diverse minority backgrounds who could gain from inclusive practices in education

Banking on Sterling Ophelia Eglene,2011-01-01 Banking on Sterling Britain s Independence from the Euro Zone by Ophelia Eglene provides an in depth analysis of the British policy on the European Economic and Monetary Union EMU over the past twenty years Eglene demonstrates how the Conservative government of John Major and the Labour government of Tony Blair implemented policies that had the same overriding goals The first of their shared goals was to continue being involved in decisions on the

remaining details of the EMU and to avoid discrimination in the European Union by appearing as a member state willing to embrace the full European project at an indeterminate point The second goal was to address the conflicting preferences of domestic economic actors with an ambiguous policy aimed at buying time Pressure on the British government came from both the business and financial sectors on the question of EMU membership While the business community was divided on the euro there was one sector export oriented producers strongly in favor The financial sector for its part needed more time to clearly assess where its interests lay and it insisted that the government not rush a decision one way or the other Banking on Sterling demonstrates that the government no matter which party was in power always had in mind the welfare of the financial sector When the conclusion was reached in London that its financial sector would benefit more from an offshore position than as a member of the EMU the British government provided both direct and indirect compensation to the export oriented business sector that had definitely lost the battle for the euro Ophelia Eglene s Banking on Sterling Britain s Independence from the Euro Zone effectively shows the unequal influence of business and finance on the British economy

## **FAQs About Ecu Report Books**

**What is a Ecu Report PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ecu Report PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ecu Report PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ecu Report PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ecu Report PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives

for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
