Hastings,2019-03-13 This book presents attitudes information and tools for a holistic approach to medicine health and mental health In our discussions among ourselves and with the contributing authors we defined three aspects of a holistic approach First such an approach involves expanding our focus to include the many personal familial social and environmental factors that promote health prevent illness and encourage healing Second a holistic approach views the patient as an individual person not as a symptom bearing organism This attitude emphasizes the self responsibility of the person for his or her health and the importance of mobilizing the person s own health capacities rather than treating illness only from the outside Third the holistic approach tries to make wise use of the many diagnostic treatment and health modalities that are available in addition to the standard materia medica including alternative medical and healing systems as well as psychological techniques and physical modalities Some of these methods of treatment and health practices are already accepted others are accepted but not applied in practice and still others need further research to explore the range of their uses *Mind Trek: My Journey from Panic to Peace* Carl J. Mattina,2023-08-11 This autobiographical work of Dr Carl Mattina explores the author s struggles with severe anxiety panic and agoraphobia Dr Mattina reveals how mental and physical abuse at home and psychological torture from members of the medical establishment aided in causing his self esteem to plummet leaving him in the depths of depression at a very young age As a young adult his conflicts with sex and religion forced him to come to terms with his own sexuality and religious belief system He continued to battle with severe stress ongoing anxiety and panic attacks while fighting to make sense of his torn fragmented emotional state The battle was not altogether lost however One may witness his transformation to a positive lifestyle full of hope and personal accomplishments brought about by a program called CHAANGE Dr Mattina discusses the necessary tools to overcome the symptoms of severe anxiety panic and agoraphobia as well as rebuild self esteem After more than forty years Dr Mattina has turned fear into love and discovered his life s purpose Be prepared to experience the author s magnificent journey from panic to peace *Acid-Base Balancing* Dale Carlin, **Natural Health** Mary D. Martino,2011-08-01 In the past eight to ten years there have been many important breakthroughs in scientific research and health as well as many more new prescription drugs Yet there has been little change if any in health or obesity problems in this country I have tried to understand why this is happening when there is so much information in bookstores on the Internet to asking your health care provider for advice
