Becoming a Garamut Player in Baluan, Papua New Guinea Tony Lewis,2018-04-19 The garamut is a log idiophone that is found in many of the coastal and island areas of Papua New Guinea The instrument s primary use is as a speech surrogate and in some regions the garamut is also used in large ensembles to play complex music for dancing In Baluan Island within the Manus Province this style of garamut playing is comparatively highly developed This book follows the author s processes and methods in learning to play the music of the garamut to the level at which he became accepted as a garamut player by the people of Baluan Lewis argues that analysis is essential in learning to play the rapid tempi and complex rhythms of Baluan garamut music in a cultural context where there is no formal teaching process for the music The transcription and analysis of the Baluan garamut repertoire is the centrepiece of this study reflecting the cognitive structures of the learning process and revealing the inner workings of the music s complexity as well as a striking beauty of form and structure The book concludes with reflections on the process of a cultural outsider becoming a garamut player in Baluan and on the role of musical analysis in that process on the ethnomusicologist s role in transmission of the music and on the nature of continuity and change in a musical society such as Baluan

Dunkirk Sinclair McKay, 2014-09-18 From the author of the Sunday Times bestseller *The Secret Life of Bletchley Park* When Churchill made one of the most inspiring speeches of the 20th century we will fight them on the beaches he was giving thanks for the miracle of deliverance the harrowing and breathless evacuation of over 338 000 troops from the beaches and harbour at Dunkirk Churchill was determined it shouldn't be labelled a victory He was already too late Hours later broadcaster JB Priestley was to call it an absurd English epic Those days of Dunkirk are still invoked now whenever the nation finds itself in any kind of crisis But there is a wider story too that involves a very large number of civilians from nurses to racing enthusiasts trades union leaders to dance hall managers novelists to seaside caf owners And even wider yet a story that starts in September 1939 of young civilian men being trained for a war that was already 25 years out of date and the increasing suspense and occasional surrealism of the Phoney War The absurd epic of Dunkirk told here through fresh interviews with veterans plus unseen letters and archival material is the story of how an old fashioned island was brutally forced into the modernity of World War Two **Church Music at the Crossroads** Lionel Dakers, 1970 **The**
