

elephant gnosis

The artwork is a complex, surrealist painting. The central figure is a large, reddish-brown elephant head, rendered with a textured, almost metallic or stone-like appearance. It has multiple eyes: a large, dark eye on the left, a smaller eye on the right, and a circular, concentric eye-like structure on its forehead. The trunk is thick and segmented, with a lighter, almost white tip. The background is a dense, swirling composition of organic, cellular forms in shades of green, brown, and orange, creating a sense of depth and movement. The overall style is reminiscent of surrealist art, with a focus on symbolic and dreamlike imagery.
