Elephants The Endangered Species:

Are African Elephants an Endangered Species? Greg Hertzler, Maxwell Gomera, 2004 *Elephant Destiny* Martin Meredith, 2009-04-27 For thousands of years the majestic elephant has roamed the African continent as beloved by man as it has been preyed upon But centuries of exploitation and ivory hunting have taken their toll now as wars and poachers continue to ravage its habitat as disease and political strife deflect attention from its plight the African elephant faces imminent extinction What will become of these magnificent beasts As the elephant s future looms ever darker Martin Meredith s concise and richly illustrated biography traces the elephant s history from the first ivory expeditions of the Egyptian pharaohs 2500 years ago to today exploring along the way the indelible imprint the African elephant has made in art literature culture and society He shares recent extraordinary discoveries about the elephant s sophisticated family and community structure and reveals the remarkable ways in which elephants show compassion and loyalty to each other Elegant illuminating and urgent *Elephant Destiny* offers a beautiful and important tribute to one of earth s most magisterial creatures at the very moment it threatens to vanish from being *Endangered Elephants* Bobbie Kalman, 2005 Elephants are the largest land dwelling mammals on Earth best known for their tremendous trunks and tusks These majestic animals are in danger of becoming extinct however *Endangered Elephants* details both the African and Asian habitats of these animals the stages of the elephant life cycle and the social structure of elephant herds This book also explains how habitat loss war and poaching have contributed to the endangerment of elephants and what people are doing to help save them from extinction

The African Elephant John Albert Torres, 2004 Describes the characteristics of the African elephant the fight to stop poachers from killing them their loss of habitat and conservation efforts to keep them from becoming extinct Includes Internet links to Web sites related to elephants *Top 50 Reasons to Care About Elephants* Mary Firestone, 2010-01-01 Discusses elephant s ears trunk and teeth what they eat their ancestors the different kinds of elephants and why they are on the endangered animals list [Endangered Species Series, Elephants](#) Patti Petrone Miller, 2017-07-29 Elephants are facing extinction through the illegal actions of poaching and or death through abusive captivity This is the story told through the eyes of a baby elephant named Ella Ella desperately wants to change the way humans perceive these emotional intelligent and massive animals of the wild tundra of Africa They desperately need our help for their survival Ella tells the true story without back washing the issues that threaten these majestic creatures their home and the loving tender closeness they share as pack animals Teachers will be able to incorporate this into their daily curriculum Their future is the children that will learn how critical it is to help in their survival before they perish forever **An Elephant s Life** Sara Antill, 2011-08-15 Introduces elephants discussing the physical characteristics life cycle and eating habits of the species

Elephants Tara Moore, 1982 Discusses the world s largest land animal found only in Africa and Asia and decreasing in population every year **Elephant** Judy Allen, 1995-01-23 When Hannah finds an ivory necklace that belonged to her great

grandmother it gives her dreams and she knows she must make restitution to the elephants for their suffering caused by the ivory trade *50 Ways to Save the Elephants (and Change the World)* Isabel Abrams,2018-09-04 Discover the simple and considerate things YOU can do to save the elephant and the world In recent years the global elephant population has diminished rapidly in recent years Both Asian and African elephants face a number of grave threats including poaching and loss of habitat African elephant numbers are estimated to have dropped by 30% in the past decade alone These beautiful creatures need your help more than ever but it s never been so easy to make a difference 50 Ways to Save the Elephants is packed with steps you can take to help elephant populations recover and protect elephants in captivity Whether it s engaging in online activism from your home helping to reduce climate change or being a conscientious consumer and traveler these simple contributions will benefit more than just the elephants they also help make a difference in our community and the world *Elephants* Peter Jackson,1990 An analysis of the evolution anatomy senses and undoubted intelligence of both the African and the Asian elephant and of their sometimes harrowing relationships with humans **Elephants** Amanda Harman,1996 Provides descriptions of the physical characteristics and habits of both Asian and African elephants

Elephant Rescue Jody Morgan,2004-09-01 Presents information about the world s largest existing land mammal traces the efforts of individuals and organizations to learn about and conserve these creatures and suggests that man and animal should be able to live together Elephant Rescue Jody Morgan,2004 From the book I just want to make sure there are elephants around for generations to enjoy like I have In 1979 the African elephant population was 1 3 million By 1989 that total dropped dramatically to 609 000 During the 1980s poachers killed some three hundred elephants a day Although active measures were soon enforced to protect African and Asian elephant populations the elephant s future is still uncertain Elephant Rescue traces the efforts of individuals and organizations that confront the international ivory trade and lobby indigenous governments to create protective environments One innovative program described is green hunting Sport hunters who once shot and killed elephants are now given the opportunity to use tranquilizers The animal suffers no harm and accompanying researchers can fit these elephants with a radio collar for further studies The book also covers How elephants live Ways elephants protect their families Elephants astonishingly intricate behavior Physiology life span diet and more Elephant Rescue is a fascinating book about how people and elephants can thrive in a shared environment About the Firefly Animal Rescue series The Firefly Animal Rescue identifies endangered and threatened species and what is being done to protect them Combining lively accessible text and stunning color photographs each book provides a detailed overview of the species describing its characteristics behavior habits physiology and more These attractive books are a call to action fascinating readable accounts School Library Journal Succinct introductions to the science and practice of wildlife conservation written in accessible lively language Booklist *Asian and African Elephant Conservation* United States. Congress. Senate. Committee on Environment and Public Works,1998 The Elephant Jenny Jones,1993-01 Describes the

physical characteristics behaviour and habitat of African and Indian elephants and looks at threats to their survival in the wild Suggested level junior primary *H.R. 1787, Conservation of Asian Elephants* United States.
