**Arcane Advent: The Mage, The Girl, and The Ruined City** R. Kain, 2012 The curtain of tragedy descended upon the unsuspecting people under the light of the crimson moon The elements raged vicious beasts painting the asphalt and concrete scarlet with the blood of the innocent and the guilty the young and the old alike Their lives were sacrificed offered up to stir the sleeping demon into awakening In the end only two remained to tell the tale of the ruined city a story of survival against all odds where magick and mages did battle for the sake of power Awakening at the center of the cataclysm the runic mage wielding mystic arts took it upon himself to carry the wishes of the fallen on his back He became their Avenger seeking to end the nightmare The girl who remained at his side the sole remaining innocent left in the city could only watch as he shed blood for her while flames burned the world around her This novella length story is the first in the Arcane Advent series a chronicle of contemporary urban fantasy tales between those with the power to shape the world

*Peredur, The Undiscovered Truth of the Nazi Grail Quest* David James Senior, 2025-01-16 Uncover the intertwined quests of Otto Rahn's Nazi search for the Holy Grail and the true hero Peredur in this captivating exploration of history and legend Peredur The Undiscovered Truth of the Nazi Grail Quest is written in two parts The first part of the book charts the life and adventures of Otto Rahn the man tasked by the Nazis in the 1930s with finding and getting his hands on the Holy Grail for them The Nazis were hell bent on finding the Grail and

reuniting it with the Holy Lance in a bid to create a mythical past of the Aryan race Rahn believed that by uncovering the truth behind the Germanic saga of Parzival he would discover the whereabouts of the Grail Parzival had according to legend successfully completed a quest to find the Grail while being a knight in the court of King Arthur In dissecting the story of Parzival Rahn concluded that the Grail had been held by the Cathars a heretical Christian sect in their fortress at Montsegur He believed that the Grail was still there waiting for him to find it and based his quest around this belief Unfortunately after chasing round Europe in his efforts to find the Grail and coming within touching distance of finding the truth the Nazis patience with him ran out with him and Rahn came to a sticky end without ever having found the Grail Rahn was the real life figure who inspired the fictional movie character Indiana Jones The second part focusses on Peredur a British knight hailing from York and the true hero of the original Grail Story By examining the life of Peredur and the Grail Story Peredur the Son of Evrawc written about him we are able to reach the truth of the Grail Rahn and the Nazis never found Rahn came very close to uncovering this but the Nazis had lost faith in him and casting him as a charlatan hounded him to his death Much of the story of Peredur the Son of Evrawc is played out in the ancient British kingdom of Elmet encompassing much of what we now call South Yorkshire and whose southern border lay along the line of the River Don As the story is unpicked the truth of the Grail is unraveled leading to some astonishing findings

**Selahattin Ülkümen, the Turkish Righteous among the Nations** Yücel Güçlü, 2022-04-08 The history of the Holocaust is far from complete Even with more than seven decades of Holocaust research and writing behind us there are many specialist topics within Holocaust historiography that have not been dealt with in detail including the role of Turkey This has caused the researchers of the Holocaust in other countries to often include limited outdated and sometimes incorrect data about Turkey in their studies Within the flood of publications on Holocaust history that has been rising since the 1990s and which has maintained its momentum ever since studies on the role of Turkey remain comparatively underexplored Selahattin İsmail Men a Turk is the only Muslim diplomat who thus far has been designated as Righteous among the Nations by the Yad Vashem the Holocaust Martyrs and Heroes Authority in Jerusalem for saving at his own risk the lives of 42 Jews in Rhodes from the Nazis in 1944 Thus momentarily thrust into prominence he excites a certain curiosity However current scholarship has failed to reveal a single monograph or even an article in periodical literature on him Neither Turk nor Westerner has devoted more than a few pages to his exploits References to him in other sources are slight and fall short of explaining a satisfactory explanation of his deeds The remarkable story of İsmail Men is an important but little known aspect of Turkish history in the Second World War period He is an individual who has not received the attention he deserves This book serves to fill this historiographical void It draws on the previously unused files of the Turkish Ministry of Foreign Affairs the Yad Vashem Archives and available primary and secondary sources in Turkish English and French

three dwellings the Old Chancellery in Berlin his apartment in Munich and the Berghof his mountain home on the Obersalzberg to foster the myth of the Führer as a morally upstanding and refined man Author Despina Stratigakos also reveals the previously untold story of Hitler's interior designer Gerdy Troost through newly discovered archival sources At the height of the Third Reich media outlets around the world showcased Hitler's homes to audiences eager for behind the scenes stories After the war fascination with Hitler's domestic life continued as soldiers and journalists searched his dwellings for insights into his psychology The book's rich illustrations many previously unpublished offer readers a rare glimpse into the decisions involved in the making of Hitler's homes and into the sheer power of the propaganda that influenced how the world saw him Inarguably the powder keg title of the year Mitchell Owen Architectural Digest A fascinating read which reminds us that in Nazi Germany the architectural and the political can never be disentangled Like his own confected image Hitler's buildings cannot be divorced from their odious political hinterland Roger Moorhouse Times
