## **Eleventh Hour The Eightieth Anniversary Of Armistice Day:**

At the Eleventh Hour Hugh Cecil, Peter H. Liddle, 1998-08-12 Following on from the highly acclaimed Facing Armageddon and Passchendaele in Perspective At the Eleventh Hour recognises that a world was ending in November 1918 and by international collaboration on the 80th Anniversary we learn through this book what it was like to experience the transition from war to peace Distinguished historians brilliantly convey a sense of immediacy as the Armistice is recreated and analysed The reader will not just acquire new areas of information he will have some of the existing knowledge which he thought was soundly held strikingly challenged in the pages of this superbly illustrated book **The Last Post** Alwyn W.

Turner, 2014-10-16 A history of the military bugle call its use at the end of World War I on Armistice Day and its effect in today's culture At eleven o'clock on the morning of the 11th November 1919 the entire British Empire came to a halt to remember the dead of the Great War During that first two minute silence all transport stayed still all work ceased and millions stood motionless in the streets The only human sound to be heard was the desolate weeping of those overcome by grief Then the moment was brought to an end by the playing of the Last Post A century on that lone bugle call remains the most emotionally charged piece of music in public life In an increasingly secular society it is the closest thing we have to a sacred anthem Yet along with the poppy the Cenotaph and the tomb of the Unknown Warrior its power is profoundly modern It is a response to the trauma of war that could only have evolved in a democratic age In this moving exploration of the Last Post's history Alwyn W Turner considers the call's humble origins and shows how its mournful simplicity reached beyond class beyond religion beyond patriotism to speak directly to peoples around the world Along the way he contemplates the relationship between history and remembrance and seeks out the legacy of the First World War in today's culture

Kentucky Cured Al Smith, 2012-10-09 Andrew Jackson fought a duel in rural Logan County Kentucky Jesse James robbed a bank there and frontier lawyers began political careers But a resentful Al Smith knew none of this when he got off the bus at Russellville rented a room at a shabby hotel and asked for the nearest bootlegger After losing two newspaper jobs in New Orleans he was the new tramp editor of Russellville's little country weekly He was thirty one and his life was in shambles Fifty sober years later his stories tell what happened after he was cured of his negative obsessions and discovered Kentucky was a land of the second chance From county courthouse to the White House read all about it The Missing of the Somme Geoff Dyer, 2024-07-30 A deeply personal meditation on remembrance art and World War I by the legendary Geoff Dyer reissued with a new introduction by Drew Gilpin Faust The Missing of the Somme is part travelogue part meditation on remembrance and completely unabashedly unlike any other book about the First World War Through visits to battlefields and memorials Geoff Dyer examines the way that photographs and film poetry and prose determined sometimes in advance of the events described the way we would think about and remember the war With his characteristic originality and insight Dyer untangles and reconstructs the network of myth and memory that illuminates our understanding of and relationship to the

Great War Reissued with a new introduction The Missing of the Somme stands as one of Dyer's classic works      **Trauma and the Memory of Politics** Jenny Edkins, 2003-07-31 In this interesting study Jenny Edkins explores how we remember traumatic events such as wars famines genocides and terrorism and questions the assumed role of commemorations as simply reinforcing state and nationhood Taking examples from the World Wars Vietnam the Holocaust Kosovo and September 11th Edkins offers a thorough discussion of practices of memory such as memorials museums remembrance ceremonies the diagnosis of post traumatic stress and the act of bearing witness She examines the implications of these commemorations in terms of language political power sovereignty and nationalism She argues that some forms of remembering do not ignore the horror of what happened but rather use memory to promote change and to challenge the political systems that produced the violence of wars and genocides in the first place This wide ranging study embraces literature history politics and international relations and makes a significant contribution to the study of memory      *Ten Hits, One Run, Nine Errors* John E. Berger, 2000 John Berger's lively and invigorating messages tell us that the path to true happiness is through God From the man who remembered to thank Jesus for being healed of leprosy to the persistent widow from the penitent tax collector to the forgiven thief on the cross all these characters and more were happier when they did things God's way Berger brings us face to face with the people in gospel passages from the Revised Common Lectionary Contrary to his whimsical title readers will discover that Berger does far better than score one run in ten trips to the plate his sermons consistently knock the ball out of the park Titles include Ten Hits One Run Nine Errors Luke 17 11 19 Don't Hang Up On God Luke 18 1 8 God The Ultimate Professional Luke 20 27 38 Golden Rule Saints Luke 6 20 31 For What God Has Given John 6 25 35 John E. Berger is a cum laude graduate of Ohio State University and Hamma School of Theology A veteran of 45 years in pastoral ministry Berger was the longtime pastor of St Lucas Lutheran Church in Toledo Ohio Now retired he serves interim pastorates in the ELCA's Northwestern Ohio Synod      **Eleventh Month, Eleventh Day, Eleventh Hour** Joseph E. Persico, 2004 Re-creates November 11 1918 the final day of World War I when Allied military commanders in search of glory and advancement flung men against an already beaten enemy leading to eleven thousand casualties      **Stuff Happens** Jack Henry Markowitz, 2008-03-11 Who is Dobbin Feldman and why is he saying those awful things about me In this fictional yet semi autobiographical novella the author tries to explore the existential experience of being born Jewish into a particularly strange set of familial circumstances that encapsulates the Boomer generations struggle to make sense of the Helter Skelter world bequeathed to them by their fathers and mothers      *The City of First* George Morgan, 1926      **The Liaison**, 1999      Official Report of the Debates of the House of Commons Canada. Parliament. House of Commons, 1920      *House of Commons Debates, Official Report* Canada. Parliament. House of Commons, 1920      *The Northwestern Miller*, 1919      **Tour of Duty** Paul Warren James, 2002      *Official Report of Debates, House of Commons* Canada. Parliament. House of Commons, 1920      Keeping Faith Brian Harding, 1990-12-31 For the millions who had fought in the Great War and for their

families the land fit for heroes turned out to be an illusion instead there was suffering and deprivation Out of this on 1 July 1921 was born the British Legion In the years that followed the Legion fought for justice for the ex service community meanwhile seeking to protect them It introduced the Poppy Appeal and insisted on an annual act of national Remembrance for the fallen It went to extraordinary lengths to try to prevent another war ultimately finding itself in controversial discussions with Hitler Even after the Second World War the Legion s work was far from over the war disabled and the war widows seemed to have been forgotten in the new welfare state Remembrance itself appeared to be under threat as the memory of war receded There were more battles to be fought while conflicts such as the Gulf War brought fresh problems Perhaps most inspiring is the human aspect Those who have done the Legion s work represent every class of society from admirals and former private soldiers to poppy collectors But they have one thing in common compassion for all who have suffered in the service of the country This is their story too
