## **Freedom And Culture Essays:**

**Freedom and Culture** Dorothy Lee, 2003-01-01      Freedom and History and Other Essays Richard P. McKeon, 1990  
This volume of essays is an important introduction to the thought of one of the twentieth century's most significant yet underappreciated philosophers Richard McKeon. The originator of philosophical pluralism, McKeon made extraordinary contributions to philosophy, to international relations and to theory formation in the communication arts, aesthetics, the organization of knowledge and the practical sciences. This collection, which includes a philosophical autobiography as well as the out-of-print title essay *Freedom and History* and a previously unpublished essay on *Philosophic Semantics and Philosophic Inquiry*, is a testimony to the range and systematic power of McKeon's thinking for the social sciences and the humanities.

*In Search of a Beautiful Freedom: New and Selected Essays* Farah Jasmine Griffin, 2023-03-28. Named a Most Anticipated Book of 2023 by *The Millions*. Lively insightful writings on Black music, feminism, literature and events from a masterful critic and master teacher. Walton Muyumba, *Boston Globe*. *In Search of a Beautiful Freedom* brings together the best work from Farah Jasmine Griffin's rich forays on music, Black feminism, literature, the crises of Hurricane Katrina and COVID 19, and the Black artists she esteems. She moves from evoking the haunting strength of Odetta and the rise of soprano popular singers in the 1970s to the forging of a Black women's literary renaissance and the politics of Malcolm X through the lens of Black feminism. She reflects on pivotal moments in recent American history, including the banning of Toni Morrison's *Beloved*, and celebrates the intellectuals, artists and personal relationships that have shaped her identity and her work. Featuring new and unpublished essays along with ones first appearing in outlets such as the *New York Times* and NPR. *In Search of a Beautiful Freedom* is a captivating collection that celebrates the work of one of the few great intellectuals in our time. Cornel West.

Freedom and Culture Dorothy D. Lee, 1959      **Experiences of Freedom in Postcolonial Literatures and Cultures** Annalisa Oboe, 2011-03-30. Modern ideas of freedom and human rights have been repeatedly contested and are hotly debated at the beginning of the third millennium in response to new theories, needs and challenges in contemporary life. This volume offers culturally diverse contributions to the debate on freedom from the literatures and arts of the postcolonial world, exploring experiences that evoke, desire, imagine and perform freedom across five continents and two centuries of history. *Experiences of Freedom* opens with an introductory philosophical essay by Achille Mbembe and is divided into four sections that consider resisting history and colonialism, the right to move and to belong, the right to believe in free futures, imaginative freedom and critical engagement. Each section contains a piece of creative writing directly connected to these topics from authors Chris Abani, Anita Desai, Caryl Phillips and Alexis Wright, followed by a selection of critical essays. Contributors: Chris Abani, Rochelle Almeida, Gil Anidjar, Jogamaya Bayer, Elena Bernardini, Anne Collett, Carmen Concilio, Paola Della Valle, Roberto Derobertis, Anita Desai, Lorna Down, Francesca Giommi, Gareth Griffiths, Dave Gunning, John C Hawley, Peter H Marsden, Russell McDougall, Achille Mbembe, Cinzia Mozzato, Kevin Newmark, Berndt Ostendorf, Mai Palmberg, Owen

*Foundations of Intellectual Freedom* Emily J. M. Knox, 2022-10-28 Enshrined in the mission statement of ALA intellectual freedom is one of the core values of the information professions. The importance of ensuring information access to all and the historical, social, and legal foundations of this commitment are powerfully explored in this essential primer. Designed to function as both an introductory text for LIS students as well as a complementary resource for current professionals, this book provides a cohesive, holistic perspective on intellectual freedom. Extending beyond censorship to encompass such timely and urgent topics as hate speech and social justice, from this book readers will gain an understanding of the historical and legal roots of intellectual freedom with an in-depth examination of John Stuart Mill's *On Liberty* and Article 19 of the U.N. Declaration of Human Rights and its central concepts and principles, the intersection of intellectual freedom, freedom of expression, and social justice, professional values, codes of ethics, ALA's Library Bill of Rights, and Freedom to Read. View Statements pro and anti censorship, arguments and their use in impeding and facilitating access to information, book banning, and internet filtering, privacy and its relationship to information services, U.S. case law and precedents, the basics of U.S. copyright law including fair use, and how it differs from international copyright law and emerging global issues and their impact on future intellectual freedom.

*The Meaning of Freedom* Max Ko-wu Huang, 2008-03-15 This book is about how one of the leading intellectual architects of Chinese modernization, Yan Fu (1854-1921), introduced the Chinese intellectual world to the liberalism of John Stuart Mill, partly by grasping Mill's ideas but also by misunderstanding and projecting them onto indigenous Chinese values, which in turn led to criticism and resistance. Rather than bending Western liberalism to the purposes of Chinese nationalism, Yan initiated a distinctively Chinese liberal tradition that became a major component of China's modern political culture.

**Essay on the Historical Failure of Democracy in the 21st Century** Jesús G. Maestro, 2024-01-06 The democracy of the late 20th century has been more beneficial to the friends of commerce than to the democrats. Its advantages and successes have turned it into a political regime that is now anachronistic and untimely. Democracy is the name inherited from a past imperfect and recent which used to manage our way of life. Today that life of ours is managed by commerce and the friends of commerce. If politics is the organization of power, that is to say, the administration of freedom, the rights of the democratic citizen are moving away from the legal framework of the States. With the historical failure of democracy in the 21st century, three realities with which humans have lived since the Renaissance also fail: the modern State, political freedom, and civil laws. A post-democratic society is one in which the State fades away, political freedom disintegrates, and civil laws fit onto a complaint form because the rights of the citizen are the rights of the consumer in the hands of the friends of commerce, which is to say, nothing. People have not yet internalized the failure of democracy. The market does not want democrats; it wants consumers.

**African Freedom** Phyllis Taoua, 2018-07-26 A comprehensive synthesis of the ideal of freedom in African culture from a pan-African perspective after independence.

*Montaigne and the Life of Freedom* Felicity Green, 2012-06-29 A new interpretation of the Essais situating Montaigne's project of self study in the context of a broader commitment to liberty

**A Critical Interpretation of Mill's Human Freedom** Sir Dr. Christopher Chude, 2023-11-07 This critical interpretation of Mill's idea of Human Freedom is Socio Political Philosophy help to confirm that Mill's argument lacks an adequate Metaphysical treatment and has no good inquiry about Human person he intend to protect He held Mill's conception could be taken as a heap of atoms linked together by private interest Then on the whole this critical argument carried out is of great value modern and serve as an eye opener to all Our Freedom should not be absolute but gentle and under the Control of Law for Common good Honestly our liberty freedom in question must be true and genuine built on Moral reality of Justice and love This as I noted Morality in US sustain Politics in individual and social compartments Presently Sir Dr Chude is carrying out a research work Social Problems in the third world nation

*Cultural Visions: Essays in the History of Culture*, 2022-03-07 This collection opens with an inquiry into the assumptions and methods of the historical study of culture comparing the new cultural history with the old Thirteen essays follow each defining a problem within a particular culture In the first section Biography and Autobiography three scholars explore historically changing types of self conception each reflecting larger cultural meanings essays included examine Italian Renaissance biographers and the autobiographies of Benjamin Franklin and Mohandas Gandhi A second group of contributors explore problems raised by the writing of history itself especially as it relates to a notion of culture Here examples are drawn from the writings of Thucydides Jacob Burckhardt and the art historians Alois Riegl and Josef Strzygowski In the third section Politics Nationalism and Culture the essays explore relationships between cultural creativity and national identity with case studies focusing on the Holy Roman Emperor Maximilian I the place of Castile within the national history of Spain and the impact of World War I on work of Thomas Mann The final section Cultural Translation raises the complex questions of cultural influence and the transmission of traditions over time through studies of Philo of Alexandria's interpretation of the Hebrew Bible Erasmus use of Socrates Jean Bodin's conception of Roman law and adaptations of the Hebrew Bible for American children
