

FREEDOM AND OBLIGATION

**A study of
the Epistle to
the Galatians**

C. K. BARRETT

O FOOLISH Galatians, who did bewitch you, before whose eyes Jesus Christ was openly set forth crucified.

2 This I marvel at in you, that ye receive not the grace of our Lord Jesus Christ, which is of faith, and of the works of the law.

3 And ye are fallen from grace, ye which began by the law, and ended in the law.

4 Did ye receive the law, and ye have not kept it? For ye are under the law, and ye are under the curse of the law.

5 For ye are the children of the law, and ye are under the law, and ye are under the law, and ye are under the law, and ye are under the law.

6 Even as Abraham believed God, and it was reckoned unto him for righteousness.

7 Know therefore that they which be of faith, the same are sons of Abraham.

8 And the scripture, foreseeing that God would justify the Gentiles by faith, preached the gospel beforehand unto Abraham saying, In thee shall all the nations be blessed.

9 So then they which be of faith are blessed with the faithful Abraham.

Freedom And Obligation A Study Of The Epistle To The Galatians:

Freedom and Obligation Charles Kingsley Barrett, 1985 Author provides an analysis of issues that concerned the early church and that continue to vex contemporary Christians He argues that Galatians stands at the heart of the New Testament Historically this is because Paul's conflicts with Judaism and with Jewish Christianity ensured the freedom of the gospel to generate a potentially universal church Theologically the same conflicts provided a channel for the life and teaching of Jesus to flow through the ages BACK COVER

Handbook on Acts and Paul's Letters (Handbooks on the New Testament) Thomas R. Schreiner, 2019-11-05 Leading biblical scholar Thomas Schreiner provides an easy to navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages This is the first volume in the Handbooks on the New Testament series which is modeled after Baker Academic's successful Old Testament handbook series Series volumes are neither introductions nor commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The series will contain three volumes that span the entirety of the New Testament with future volumes covering the Gospels and Hebrews through Revelation Written with classroom utility and pastoral application in mind these books will appeal to students pastors and laypeople alike

Preaching the New Testament as Rhetoric Tim MacBride, 2014-11-05 Since the rise of the New Homiletic a generation ago it has been recognized that sermons not only say something to listeners they also do something A truly expository sermon will seek not merely to say what the biblical text said but also to do what the biblical text did in the lives of its original audience In Preaching the New Testament as Rhetoric MacBride looks how at the discipline of rhetorical criticism can help preachers discern the function of a New Testament text in its original setting as a means of crafting a sermon that can function similarly in contemporary contexts Focusing on the letters of Paul he shows how understanding them in light of Greco Roman speech conventions can suggest ways by which preachers can communicate not just the content of the letters but also their function In this way the power of the text itself can be harnessed leading to sermons that inform and most importantly transform

1 Corinthians (Baker Exegetical Commentary on the New Testament) David E. Garland, 2003-11-01 Paul's first letter to the Corinthians is one of the most important epistles in the New Testament David Garland's thoughtful new commentary draws on extensive research and engages the best of contemporary scholarship while providing a readable study that will be accessible to thoughtful readers as well as students pastors and scholars After considering the context of the letter and the social and cultural setting of Corinth Garland turns to his exegetical work An introduction to each major unit of thought is followed by the author's own translation of the Greek text In the course of his verse by verse commentary he incorporates references to other ancient writings that help explain particular aspects of Paul's meaning or provide information on the social and cultural context He also refers to the work of other commentators and

provides extensive notes for further reading and research

Introduction to the New Testament Helmut Koester, 1995

This work has established itself as a classical text in the field of New Testament studies. Written in a readable non-technical style, it has become an indispensable textbook and reference for teachers, students, clergy, and the educated layperson interested in a scholarly treatment of the New Testament and its background in the Judaic and Greco-Roman world.

Paul's

Ekklesia as a Civic Assembly Young-Ho Park, 2015-04-21 How did Paul's term *ekklesia* formulate the Christian self-

understanding? Young-Ho Park finds the answer in its strong civic connotation in the politico-cultural world of the Greek East under the Roman Empire. By addressing his local Gentile congregation as *ekklesia* in his letters, Paul effectively created a symbolic universe in which the Christ worshippers saw themselves as the honorable citizens who represented the city before God. Paul's Eschatological Anthropology Sarah Harding, 2016-02-01 In this study Sarah Harding examines

Paul's anthropology from the perspective of eschatology, concluding that the apostle's view of humans is a function of his belief that the cosmos evolves through distinct aeons in progress toward its telos. Although scholars have frequently assumed that Paul's anthropological utterances are arbitrary, inconsistent, or dependent upon parallel views extant in the first-century world, Harding shows that these assumptions only arise when Paul's anthropology is considered apart from its eschatological context. That context includes the temporal distinction of the old aeon, the new aeon, and the significant overlap of aeons in which those in Christ dwell, as well as a spatial dimension that comprises the cosmos and the powers that dominate it, especially sin and the Holy Spirit. These eschatological dimensions determine the value Paul attaches to any particular anthropological aspect. Harding examines the cosmological power dominant in each aeon and the structures through which, in Paul's view, these influence human beings, examining texts in which Paul discusses *nous kardia* and *soma* in each aeon.

Righteous by Promise Karl Deenick, 2018-05-01 Establishing a biblical theology of circumcision, this NSBT volume by Karl Deenick shows that the concepts of righteousness and faith are central to both the New Testament understanding and the developing Old Testament understanding of circumcision. They are held together by the unfolding promise of a blameless seed of Abraham, Jesus Christ, through whose sacrifice the promised righteousness will finally come. Paul and

First-Century Letter Writing E. Randolph Richards, 2025-07-29 Traditional Christian art depicts Paul, the letter writer, pen in hand, attentive to the Spirit. We might think we know better and imagine him pacing in agitation as he rapidly dictates to a secretary his letter to the Galatians. But in reality, neither of these pictures is accurate. In Paul's day, producing a letter was a time-consuming and costly business. And we have ample resources from the ancient world to piece together what it must have been like. A secretary was usually part of the picture. But so were notes, drafts, corrections, and careful rewrites, not to speak of scratchy pens, sooty ink, and coarse papyrus. Interestingly, there is evidence that Paul involved his missionary team in the writing of letters. And then came the delivery, over land and sea, the reading and circulation, as well as the epistolary afterlife.

of copying collecting and storing E Randolph Richards has extensively studied ancient letter writing and secretaries Informed by the historical evidence and with a sharp eye for telltale clues in Paul s letters he takes us into this world and places us on the scene with Paul the letter writer What first appears to be just a study of secretaries and stationery turns out to be an intriguing glimpse of Paul the letter writer that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be *First Corinthians* David E. Corinthians and the social and cultural world of Corinth Part of the critically acclaimed BECNT series **On Paul** C. K. Barrett,2003-05-01 A valuable collection of C K Barrett s writings on Paul the summation of a lifetime s work by the pre eminent New Testament scholar This book contains a number of essays some hitherto unpublished on historical aspects of Paul s work Sometimes Professor Barrett takes a broad view often he looks sharply at important topics Many of the themes are familiar but Barrett always illuminates them from new angles formulating fresh questions and approaches A new and extensive introductory essay examines the relation of Paul to Christian leaders in Jerusalem **Towards Ethnic Liberation**

Theology in Nigeria John Arierhi Ottuh,2019-01-22 This book provides a Biblical and theological underpinning to the concept of ethnic liberation in Nigeria It argues that the present economic political ethnic and religious structure of Nigeria represents injustice and oppression to those in the so called minority groups The situation has resulted in division unrest and mutual suspicion among people of different ethnicities and religions Bringing together liberation theology biblical hermeneutical and social studies to foster dialogue between theories and human relations in Nigeria the book presents an exegesis of Galatians 3 26 29 weaving out a theology of ethnic liberation As such it will be useful to theologians students of religious studies and philosophy and political historians as well as the general reader interested in African studies

Messiah and Exaltation Andrew Chester,2007 Andrew Chester focuses on Jewish messianic hope intermediary figures and visionary traditions of human transformation particularly in the Second Temple period and analyzes their significance for the origin and development of New Testament Christology He brings together five previously published essays on these themes these include two long chapters one on Jewish messianic and mediatorial traditions in relation to Pauline Christology the other on messianism and eschatology in early Judaism and Christianity plus one on messiah and Temple in Sibylline Oracles 3 5 Two further essays on the significance of Torah in the messianic age and on resurrection transformation and early Christology have been extensively revised There are also three substantial new chapters all of which engage closely with recent scholarly debate The first on the origin of Christology argues for the significance of Jewish visionary traditions of human transformation for understanding how high Christology came about at such an early stage within the New Testament The second discusses the complex questions of the definition scope and nature of Jewish messianism especially in relation to the Hebrew Bible and the more recently available Qumran evidence and their significance for the New Testament The third is concerned with what Paul means by the law of Christ and the wider issues raised by this Abraham, the Nations, and the

Hagarites Martin Goodman, Geurt Hendrik van Kooten, George H. van Kooten, J.T.A.G.M. van Ruiten, 2010-11-11 Jews Christians and Muslims describe elements of their origins with close reference to the narrative of Abraham including the complex story of Abraham's relations with Hagar This volume sketches the significance of this narrative in the three traditions

Renewing Minds David S. Dockery, 2008 Renewing Minds encourages readers to better serve God the church and society by taking part in or supporting Christian higher education

Jesus, Paul, and the Law James D. G. Dunn, 1990-01-01 Drawing upon ten years of research experience the master scholar James D G Dunn presents a book on a major issue in the study of Christian origins what were the attitudes toward Jewish law within earliest Christianity This volume not only gathers the author's significant contributions to date but also includes new material Divided into nine parts it is set in the wider context of a living dialogue and debate The introduction maps out Dunn's extensive work in Pauline and Markan studies The final chapter The Theology of Galatians serves as a summary of Dunn's current position on Paul and the law and brings the volume to a convincing conclusion

Paul's Way of Knowing Ian W. Scott, 2008-12 Dirty Words in Deadwood showcases literary analyses of the Deadwood television series by leading western American literary critics Whereas previous reaction to the series has largely addressed the question of historical accuracy rather than intertextuality or literary complexity Melody Graulich and Nicolas S Witschi's edited volume brings a much needed perspective to Deadwood's representation of the frontier West As Graulich observes in her introduction With its emotional coherence compelling characterizations compressed structural brilliance moral ambiguity language experiments interpretation of the past relevance to the present and engagement with its literary forebears Deadwood is an aesthetic triumph as historical fiction and like much great literature makes a case for the humanistic value of storytelling From previously unpublished interviews with series creator David Milch to explorations of sexuality disability cinematic technique and western narrative this collection focuses on Deadwood as a series ultimately about the imagination as a verbal and visual construct and as a literary masterpiece that richly rewards close analysis and interpretation
