*Freedom in Faith* Hugh Dermot McDonald, 1952

*Galatians: The Biblical Precept of Freedom* Tim James, 2019-01-24

Nowhere is the claim to desire freedom so thoroughly denied by people's actions than in the sphere of religion. All religions while claiming to set people free instead multiply rules and restrictions. For this reason almost all sermons on the believer's freedom spend more time hedging that freedom with warnings against sin than actually setting people free. But the Lord said: If the Son shall make you free you are free indeed. In the book of Galatians Paul made a clear and powerful argument for the freedom of the believer. In this commentary the author breaks the chains of bondage that many have put on this book; he sets the Book of Freedom free. With unassailable argument he sets forth the radical freedom that is the possession of every believer, shows why believers can be trusted with that freedom, and unfolds that it is only in the context of this freedom that they can truly express the fruit of the Spirit, showing Christ and His Cross is the reason. Read it, believe it, and be free.

**Faith in Luther: Martin Luther and the Origin of Anthropocentric Religion** Paul Hacker, 2017-06-01. To mark the 500th anniversary of the Protestant Reformation, Paul Hacker's landmark study *Faith in Luther: Martin Luther and the Origin of Anthropocentric Religion* appears now in a new English edition. Pope Emeritus Benedict XVI in his final memoir in 2016 remembers Paul Hacker as a great master, someone with an unbelievably broad education, someone who knew the Fathers, knew Luther, and had mastered the whole history of Indian religion from scratch. What he wrote always had something new about it; he always went right to the bottom of things. No doubt one of the things he was referring to was Martin Luther's view of faith, which Hacker explores in this text. A unique contribution to ecumenical studies, *Faith in Luther* engages the primary texts of Luther, assessing them for how they reveal Luther's novel conception of faith and how the development of reflexive faith impacted Luther's spirituality and theology and the world. *Galatians* Publishing, Concordia, Thomas J.

Doyle, 2013-10-11. Each study in the *God's Word for Today* series provides an in-depth exploration of a book of the Bible. Each session includes background information on the book of the Bible, its author, audience, occasion, and purpose; learning experiences that promote exciting and challenging discussions; notes for leaders that answer questions, suggest a learning process, and provide additional information; discussion starters that help participants apply God's Word to their daily lives. 13 sessions. Many people today equate freedom with personal choice or do your own thing without regard for God's Word. With Christian freedom comes responsibility to God, and for others. Leaders' guide is included. *Journal of Moral Theology, Volume 3, Number 1* David M. Cloutier, William C. Mattison, 2013-12-20. *Virtue* Volume 3 Number 1 January 2014. **A Historical Commentary on St. Paul's Epistle to the Galatians** Sir William Mitchell Ramsay, 1899    Galatians Leon Morris, 1996    **Biblical Counsel** , 1993    Galatians Gayle Somers, Sarah Christmyer, Mark Shea, 2001-05    *Library of Congress Catalog* Library of Congress, 1970    From Legalism to Freedom Dallas R. Burdette, 2008-08

In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary As a result of his position he suffered persecution for adhering to the Scriptures alone and not to traditions This book traces my spiritual journey from legalism to freedom in Christ In sixteen chapters I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty One of the lengthiest chapters in this book is Where the Scriptures Speak One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks Chapters 11 12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God s righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8 15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God s children Chapter 1 2 and 3 outline my original journey of faith Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary    *Galatians & Ephesians* Kenneth L. Boles, 1993    *Paul Cries Freedom in Galatia!* Gysbert M. H. Loubser, 2017 This study emphasizes Paul s urgency in conveying the radical newness of life since the advent of Christ and his Spirit Just as the Spirit introduces believers to the life in Christ he equally leads them to live life in the faithfulness of Christ producing the fruit of the Spirit Paul describes this as a life of freedom from flesh and its law as well as the elements of the world Guiding believers ethically from inside and empowering them to do God s will the Spirit has no need of law making the christological pneumatological ethic of the new creation wholly anomistic Series Theology in Africa Vol 6 Subject Religious Studies Christian Studies    The Structure of Second Corinthians Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context

as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul s discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter
