## **Freedom Justice And Hope Toward A Strategy For The Poor And The Oppressed:**

*Freedom, Justice, and Hope* Herbert Schlossberg, 1988 *Freedom Justice and Hope* seeks to present the biblical worldview and essential principles for effective work in relief and development It exposes the tragic failure of Liberation Theology social engineering and utopian ideology But beyond this it points to practical solutions that will change lives and cultures at the deepest level through the transforming power of the gospel and give practical assistance to those in need back cover

*Freedom, justice, and hope : toward a strategy for the poor and oppressed* Marvin ; Schlossberg Olasky (Herbert ; Berthoud, Pierre ; and Pinnock, Clark H.), 1988      **Christian Approaches to Poverty** David T. Williams, 2001-10 It is a sad fact that the majority of the world's people still lives in poverty with all the problems of hunger and disease that goes with it What should Christians do about this Various things have been tried all with their own advantages and problems Here is an overview of these approaches and a suggestion for a synthesis based on Christian teachings      **Postmodern Times** Gene Edward Veith Jr., 1994-02-15 The modern era is over Assumptions that shaped twentieth century thought and culture the bridges we crossed to this present moment have blown up The postmodern age has begun Just what is postmodernism The average person would be shocked by its creed Truth meaning and individual identity do not exist These are social constructs Human life has no special significance no more value than animal or plant life All social relationships all institutions all moral values are expressions and masks of the primal will to power Alarming these ideas have gripped the nation's universities which turn out today's lawyers judges writers journalists teachers and other culture shapers Through society's influences postmodernist ideas have seeped into films television art literature politics and without his knowing it into the head of the average person on the street Christ has called us to proclaim the gospel to a culture grappling with postmodernism We must understand our times Then through the power that Christ gives we can counter the prevailing culture and proclaim His sufficiency to our society's very points of need      **The New Apostolic Reformation** John Weaver, 2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary *Jesus Camp* 2006 the New Apostolic Reformation's influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherd's movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation's organization how the movement spread and its national and international objectives      **Reading Between the Lines** Gene Edward Veith Jr., 2013-01-31 Here is a guidebook for those who want to learn how to recognize books that are spiritually and aesthetically good to cultivate good literary taste Gene Edward Veith presents basic information to help book lovers understand what they read from the classics to the bestsellers He explains how the major genres of literature communicate He explores ways comedy tragedy realism and fantasy can portray the Christian worldview These discussions lead to a host of related topics the value of fairy tales for children the tragic and the

comic sense of life the interplay between Greek and Biblical concepts in the imagination and the new post modernism a subject of vital importance to Christians In the pages of this book readers will meet writers past and present who carry on a great literary tradition By supporting worthy authors Christians can exert a powerful influence on their culture

*The Gaggling of God* D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn't unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It's no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering *The Gaggling of God* takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within *The Gaggling of God* offers an in depth look at the big picture shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response

**What is Mission?** J. Andrew Kirk, How should today's Church shape its response to the Gospel How can we set about making disciples of all nations in our post Christian multifaith world What does mission mean in our times Here is a book that addresses these issues and many more with honesty and openness It strips mission of its old associations with colonialism and militarism It looks anew at the underlying theology reminding us that our task is God's mission not a human construct It explores key aspects of contemporary mission from the familiar such as the relation of mission to evangelism and to people of other faiths to the unusual and thought provoking such as mission and the environment justice for the poor and the overcoming of violence Students of mission and Christians who wish to engage with today's world to integrate faith and life will find here an inclusive comprehensive and lucid presentation of all the relevant discussions

**Am I Still My Brother's Keeper?** Robert Wafawanaka, 2012-04-05 What does the Bible say about poverty and our responsibility toward the poor This book examines the concept of brother's keeper in both the ancient Near East and the biblical world Wafawanaka contends that biblical Israel failed to play the rightful role of brother's keeper and claims that we too have strayed from this responsibility *Am I Still My Brother's Keeper* reveals what we can learn about poverty from a biblical context and how we might appropriate those insights to fight poverty in our own communities Beginning with the biblical mandate in Deuteronomy 15 Wafawanaka surveys the Hebrew Scriptures and challenges those with power and resources to reevaluate their response to the poor Failure to revisit the notion of brother's keeper threatens

to create a society that is increasingly disenfranchised and unjust A glance at our world in light of biblical history suggests that poverty is an endemic global problem that requires a radical global solution *The Soul of Development* Amy L. Sherman,1997-05-01 Ever since Max Weber started an argument about the role of Protestantism in jump starting northern Europe s economic development scholars have clashed over the influence of religion and culture on a society s or an individual s economic prospects Today many wonder whether the explosion of Protestantism in Latin America will effect a similar wave of growth and democratization In this book Sherman compiles the results of her field study and national survey of 1000 rural Guatemalan households She offers persuasive evidence that in Guatemala and throughout the region religious world views significantly influence economic life Sherman explains how the change in attitude and behavior that accompanies conversion from animism to a Biblically orthodox world view has improved the domestic welfare and economic status of many families Further she asserts that this new attitude sympathetic to democratic capitalism has created a moral cultural soil in which freedom personal empowerment an enhanced status for women and a desire to get ahead can be nurtured **Freedom Unlimited** Jeffrey S. Hocking,2010-10-18 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis **Heart of the Living God** Michael G. Maness,2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is Gods gift to us in our Imago Deithe image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has

thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at [www.PreciousHeart.net](http://www.PreciousHeart.net)      *Evangelicals and American Foreign Policy* Mark R. Amstutz, 2014 Mark Amstutz offers a timely and insightful look at how Evangelicals have shaped America's role in the world and how they can best use their power without compromising their principles      **Prosperity and Poverty** E. Calvin Beisner, 2001-11-19 We live in a world with millions in need a nation torn by conflicting ideologies that offer failing remedies for economic ills Yet the gospel calls Christians to feed the hungry and care for the poor But how Prosperity and Poverty offers clear teaching on Biblical principles of stewardship and economics enabling us to make informed choices in these areas The stakes are high Our decisions mean the difference between starvation and plenty between liberty and oppression for tens of millions of people      Stories Economists Tell John P. Tiemstra, 2012-12-19 A Christian approach to economic analysis requires that humans be thought of not as maximizing their own private economic welfare but rather as making moral choices with their resources Professor Tiemstra lays out the methodology of this approach in the first section of this book He then applies it to real economic problems including poverty and economic justice environmental sustainability and globalization      **Power, Politics and the Fragmentation of Evangelicalism** Kenneth J. Collins, 2012-08-02 Kenneth J Collins traces the establishment of the evangelical enterprise in American culture and its influences on the political and social values of the American landscape throughout the twentieth century as well as its fragmentation into competing ideological camps      Biblical Counsel , 1993      **The Resurgence of Religion** David S. Zeidan, 2018-11-13 This book is a comparative study of basic themes in Christian and Islamic fundamentalist discourses analyzing and comparing texts from a wide variety of fundamentalist leaders and movements looking for family resemblances and significant differences in order to better understand the contemporary phenomenon of religious resurgence After placing fundamentalisms in a theoretical framework the study looks at selected themes important to fundamentalists noting resemblances and differences These themes include their anti secularist stance their theocentric worldviews their reliance on inerrant sacred scriptures and their attitudes to politics government state and democracy The study also looks at the fundamentalist view of the world as a perennial battlefield between the forces of good and those of evil in the realm of ideologies as well as politics and the legitimization of violence      **Sisters, Mothers, Daughters: Pentecostal Perspectives on Violence against Women** , 2022-06-13 This volume explores issues and themes related to violence against women It is distinctive in two ways First the editors have convened an international cohort of contributing scholars whose assessment of the pervasiveness and urgency of the problems and their proposals for solutions derives from their pneumatology their theology of the Holy Spirit Second this book represents quite simply the first sustained effort to bring together in one volume Pentecostal voices from a variety of academic disciplines ecclesial traditions and cultural situations to address the urgent issues associated with violence toward women      **All God's Children and Blue Suede Shoes (With a New Introduction / Redesign)** Ken

Myers, 2012-02-29 Every generation faces unique challenges The first century Church had Caesar's lions and the Colosseum And while it might seem like an unlikely comparison the challenge of living with popular culture may well be as serious as persecution was for the saints of old Today we witness the tremendous power of pop culture to set the pace and priorities of our lives We simply cannot afford to be indifferent about culture's influence nor can we escape it glibly condemn it or Christianize it Cultural expert Ken Myers helps us to engage pop culture from a historical and experiential perspective so that we can live in it with wisdom and discernment
