Encyclopedia of African American History, 1619-1895 Paul Finkelman,2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness      **From Slavery to Emancipation in the Atlantic World** Sylvia R. Frey,Betty Wood,2013-10-18 This collection examines the effects of slavery and emancipation on race class and gender in societies of the American South the Caribbean Latin America and West Africa The contributors discuss what slavery has to teach us about patterns of adjustment and change black identity and the extent to which enslaved peoples succeeded in creating a dynamic world of interaction between the Americas They examine how emancipation was defined how it affected attitudes towards slavery patterns of labour usage and relationships between workers as well as between workers and their former owners      The Problem of Slavery in the Age of Emancipation David Brion Davis,2015-01-06 Winner of the National Book Critics Circle Award 2014 With this volume Davis presents the age of emancipation as a model for reform and as probably the greatest landmark of willed moral progress in human history

Bringing to a close his staggeringly ambitious prizewinning trilogy on slavery in Western culture Davis offers original and penetrating insights into what slavery and emancipation meant to Americans He explores how the Haitian Revolution respectively terrified and inspired white and black Americans hovering over the antislavery debates like a bloodstained ghost He offers a surprising analysis of the complex and misunderstood significance the project to move freed slaves back to Africa He vividly portrays the dehumanizing impact of slavery as well as the generally unrecognized importance of freed slaves to abolition Most of all Davis presents the age of emancipation as a model for reform and as probably the greatest landmark of willed moral progress in human history

Remarks on Slavery and Emancipation Francis John Higginson,1834 Report from Select Committee on the Extinction of Slavery Throughout the British Dominions Great Britain. Parliament. House of Commons. Select Committee on the Extinction of Slavery Throughout the British Dominions,1833 Exodus and Emancipation Kenneth Chelst,2009-02-01 Presenting a new perspective on the saga of the enslavement of the Jewish people and their departure from Egypt this study compares the Jewish experience with that of African American slaves in the United States as well as the latter group s subsequent fight for dignity and equality This consideration dives deeply into the biblical narrative using classical and modern commentaries to explore the social psychological religious and philosophical dimensions of the slave experience and mentality It draws on slave narratives published letters eyewitness accounts and recorded interviews with former slaves together with historical sociological economic and political analyses of this era The book explores the five major needs of every long term victim and journeys through these five stages with the Israelite and the African American slaves on their historical path toward physical and psychological freedom This rich multi dimensional collage of parallel and contrasting experiences is designed to enrich readers understanding of the plight of these two groups

*Social Inequality in a Global Age* Scott Sernau,2019-09-24 *Social Inequality in a Global Age* provides a sociological framework for analyzing inequality within the United States in the context of global stratification and a rapidly changing world economy With insightful analysis and using examples drawn straight from today s headlines Scott Sernau explores the multiple dimensions of inequality class privilege race and ethnicity gender and sexuality status and power and how they intersect with each other As it explores each dimension of inequality the text analyzes the relationship between changing global power structures and growing inequalities within societies Throughout a focus on social action and community engagement encourages students to become involved active learners in the classroom and engaged citizens in their communities

British Slave Emancipation William A. Green,1991 This is a study of the West Indies in the mid nineteenth century William A Green draws together the experiences of more than a dozen different sugar colonies and forms them into a coherent historical account The first part of the book examines the West Indies on the eve of emancipation in 1830 the second explores the politics and society of the islands during the period 1830 1865 a key passage in West Indian history Professor Green presents a clear general picture of the sugar colonies and places British governmental policy towards the

region in the context of Victorian attitudes towards colonial questions His lucid and comprehensive account is an important contribution to Caribbean history **Two Lectures on the Subjects of Slavery and Abolition** Charles Olcott,1838

**Grander in Her Daughters** Tracy J. Revels,2004 Though the women of Florida suffered Civil War traumas and privations commensurate with women throughout the Confederacy few of their experiences have become part of the historical record Drawing largely on primary source discoveries Tracy J Revels recounts the experiences of wives and widows Unionists and secessionists black female slaves and their plantation mistresses business owners and refugees **American Journal of Islam and Society (AJIS) - 40th Anniversary Special Issue - Volume 41 Issues 1** Asyraf Wajdi Dusuki,Nurdianawati Irwani Abdullah,Akhmad Akbar Susanto,Emad Hamdeh,Glenn E. Perry,Jasmin Zine,Fadel Abdallah,Sherman A. Jackson,Amber Haque,Rosnani Hashim, For forty years AJIS has been a trusted platform for researchers scholars and practitioners serving as a conduit for the exchange of ideas the dissemination of cutting edge research and the cultivation of intellectual dialogue Many of us found this journal a space for ruminating discussing and developing our own narratives on our Islamic heritage and what it means in the contemporary world Especially compared to anti Islamic biases in other corners of academia AJIS is a coming home One constant throughout the past four decades is the journal's commitment to scholarship that documents and explores Islam's rich religious intellectual legal philosophical and social heritages The assumption is that these various perspectives have meaningful things to say about the human condition and our place in the world Debate discussion and disagreement all appear in these pages but always grounded in an underlying steadfastness that Islam is a faith tradition that is not obsolete that Muslims can contribute positively to humanity's betterment That said the journal is not a place of religious homilies This is an academic journal with a double blind peer review process Articles that are published thus pass muster in the discipline in which they conduct their research Let us thank the authors who have entrusted us with their groundbreaking research pushing the boundaries of knowledge and enriching our understanding of critical issues in our disciplines Let us thank the journal's editors editorial boards diligent reviewers and committed staff members who have meticulously upheld the journal's reputation for excellence contributing to its sustained success *Freedom's Delay* Allen Carden,2014-10-30 The Declaration of Independence proclaimed freedom for Americans from the domination of Great Britain yet for millions of African Americans caught up in a brutal system of racially based slavery freedom would be denied for ninety additional years until the ratification of the Thirteenth Amendment to the U S Constitution *Freedom's Delay America's Struggle for Emancipation 1776 1865* probes the slow painful yet ultimately successful crusade to end slavery throughout the nation North and South This work fills an important gap in the literature of slavery's demise Unlike other authors who focus largely on specific time periods or regional areas Allen Carden presents a thematically structured national synthesis of emancipation *Freedom's Delay* offers a comprehensive and unique overview of the process of manumission commencing in 1776 when slavery was a national

institution not just the southern experience known historically by most Americans In this volume the entire country is examined and major emancipatory efforts political literary legal moral and social made by black and white free and enslaved individuals are documented over the years from independence through the ratification of the Thirteenth Amendment Freedom s Delay dispels many of the myths about slavery and abolition including that racial servitude was of little consequence in the North and where it did exist it ended quickly and easily that abolition was a white man s cause and blacks were passive recipients of liberty that the South seceded primarily to protect states rights not slavery and that the North fought the Civil War primarily to end the subjugation of African Americans By putting these misunderstandings aside this book reveals what actually transpired in the fight for human rights during this critical era Carden s inclusion of a cogent preface and epilogue assures that Freedom s Delay will find a significant place in the literature of American slavery and freedom With a compelling preface and epilogue notes illustrations and tables and a detailed bibliography this volume will be of great value not only in courses on American history and African American history but also to the general reading public Allen Carden is professor of history at Fresno Pacific University in Fresno California He is the author of Puritan Christianity in America Religion and Life in Seventeenth Century Massachusetts **Louisiana Reports** Louisiana. Supreme Court, Thomas H. Thorpe, Charles G. Gill, 1860 Reports of Cases Argued and Determined in the Supreme Court of Louisiana Louisiana. Supreme Court, 1860 **An Emancipation of the Mind** Matthew Stewart, 2024-03-26 A bracingly original book Harold Holzer Wall Street Journal How a band of antislavery leaders recovered the radical philosophical inspirations of the first American Revolution to defeat the slaveholders oligarchy in the Civil War This is a story about a dangerous idea one which ignited revolutions in America France and Haiti burst across Europe in the revolutions of 1848 and returned to inflame a new generation of intellectuals to lead the abolition movement the idea that all men are created equal In their struggle against the slaveholding oligarchy of their time America s antislavery leaders found their way back to the rationalist secularist and essentially atheist inspiration for the first American Revolution Frederick Douglass s unusual interest in radical German philosophers and Abraham Lincoln s buried allusions to the same thinkers are but a few of the clues that underlie this propulsive philosophical detective story With fresh takes on forgotten thinkers like Theodore Parker the excommunicated Unitarian minister who is the original source of some of Lincoln s most famous lines and a feisty band of German refugees philosopher and historian Matthew Stewart tells a vivid and piercing story of the battle between America s philosophical radicals and the conservative counterrevolution that swept the American republic in the first decades of its existence and persists in new forms up to the present day In exposing the role of Christian nationalism and the collusion between northern economic elites and slaveholding oligarchs An Emancipation of the Mind demands a significant revision in our understanding of the origins and meaning of the struggle over slavery in America and offers a fresh perspective on struggles between democracy and elite power today *New York's Grand Emancipation Jubilee* Alan J. Singer, 2018-04-25

Examines slavery abolition and race in the United States with a special focus on New York State In this book Alan J Singer discusses the history of race and racism in the United States emphasizing the continuing significance of slavery s past in shaping our present Each chapter addresses a different theme in the history of slavery and the abolitionist struggle in the United States with a focus on events and debates in New York State Chapters examine the founders of the new nation and their views on slavery and equality African American resistance how abolitionists moved from the margins to the center of political debate key players in the anti slavery struggle such as David Ruggles Solomon Northup Harriet Tubman Frederick Douglass William Seward and Abraham Lincoln celebrations of freedom as well as ongoing racism Interspersed throughout the text are teaching notes that explore primary source documents and resources The book draws on the latest scholarship to address and correct historical myths about both New York State before during and after the American Civil War especially the pro slavery anti civil rights stance of New York Copperhead Democrats in Congress and the crucial role of Black and White abolitionists in ending slavery in the United States and challenging racial injustice New York s Grand Emancipation Jubilee is not only an effort to include more African Americans as historical actors and celebrate their activism and achievements but to provide an opportunity to analyze historical moments for change explore their dynamic and discover the conditions that make some of them successful The book s greatest strength is that it situates the activism of New York s black abolitionists in the larger abolition movement It is particularly nice to see prominent African Americans chronicled in a single book Additionally this work will make it easier for both secondary and college level instructors to teach about the importance of African American abolitionists in helping to put an end to slavery Jane Dabel author of *A Respectable Woman: The Public Roles of African American Women in 19th Century New York* **Phylon** ,1961 **Slave Emancipation In Cuba** Rebecca J. Scott,2000-08-15 *Slave Emancipation in Cuba* is the classic study of the end of slavery in Cuba Rebecca J Scott explores the dynamics of Cuban emancipation arguing that slavery was not simply abolished by the metropolitan power of Spain or abandoned because of economic contradictions Rather slave emancipation was a prolonged gradual and conflictive process unfolding through a series of social legal and economic transformations Scott demonstrates that slaves themselves helped to accelerate the elimination of slavery Through flight participation in nationalist insurgency legal action and self purchase slaves were able to force the issue helping to dismantle slavery piece by piece With emancipation former slaves faced transformed but still very limited economic options By the end of the nineteenth century some chose to join a new and ultimately successful rebellion against Spanish power In a new afterword prepared for this edition the author reflects on the complexities of postemancipation society and on recent developments in historical methodology that make it possible to address these questions in new ways
