The Stairway To Freedom Bob Sanders,2016-03-01 This book *The Stairway To Freedom* was dictated from the spirit world by The Great White Brotherhood and is a complete primer of esoteric knowledge covering virtually every aspect of a human being's development whilst here in incarnation and also will see one's life into in the spiritual realms as one progresses towards God It covers a large gamut of seemingly unrelated topics covering Sexuality The birth process How life develops and is controlled by archangels What is God and what God's Power is What our auras are How we can develop spirituality Diet Organising one's daily routine and a host of other topics The book cleverly weaves all these apparently disparate elements into a cohesive whole so that the student can have a firm grasp on the way that life operates whilst incarnate here on Earth and will help guide one through that life and also what awaits someone when this incarnation is finished and they return to their true home the spirit realms There are also a couple of prayers that were dictated from the spirit world some guided meditations and lastly a number of questions and answers that were asked of the Great White Brotherhood on a variety of topics Although it is a book on spirituality it offers a lot of practical information relevant to the problems that people face in their daily lives The Brotherhood all had incarnations here on Earth at some stage and so have first hand knowledge of the difficulties that we face It is not a remote academic book just dealing with what is God It is written in simple if precise language and all people

will find that they can connect to the information presented in the various chapters As a last point a great deal of love was put in by the Great White Brotherhood to give us this book and a great deal of hard work was put in by various people to present this to you It is hoped that the information will change your life
