Greg Rice, 2011-07-28. Our society is blindly chasing after freedom: financial freedom, freedom from sadness. We're on a quest for spiritual truth, yet these pursuits leave most of us on an endless treadmill. The truth is, life-changing freedom is available to all who have the answers to life's most important questions: What is the purpose for which I was created? How do I get to know my Creator? How do I live in wholehearted freedom? God did not design His creation to survive but never really live. The aim of this book is to set people free through Biblical truth, offering clear, succinct answers. The Gifts of Freedom will bring its readers hope, encouragement, joy, and their purpose in life. Will you choose to learn about, receive, unwrap, and use these wonderful gifts? **From Legalism to Freedom**. Dallas R. Burdette, 2008-08. In 1517, Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary. As a result of his position, he suffered persecution for adhering to the Scriptures alone and not to traditions. This book traces my spiritual journey from legalism to freedom in Christ. In sixteen chapters, I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty. One of the lengthiest chapters in this book is "Where the Scriptures Speak." One objective of this chapter is to help individuals understand that one may speak where the Bible speaks and not

necessarily speak as the Bible speaks Chapters 11 12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God's righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8 15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God's children Chapter 1 2 and 3 outline my original journey of faith Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

The Church, Authority, and Foucault Steven G. Ogden, 2017-02-03 The Church Authority and Foucault addresses the problem of the Church's enmeshment with sovereign power which can lead to marginalization Breaking new ground Ogden uses Foucault's approach to power and knowledge to interpret the church leader's significance as the guardian of knowledge This can become privileged knowledge under the spell of sovereign power and with the complicity of clergy and laity in search of sovereigns Inevitably such a culture leads to a sense of entitlement for leaders and conformity for followers All in the name of obedience The Church needs to change in order to fulfil its vocation Instead of a monarchy what about Church as an open space of freedom This book then is a theological enterprise which cultivates practices of freedom for the sake of the other This involves thinking differently by exploring catalysts for change which include critique space imagination and wisdom In the process Ogden uses a range of sources analysing discourse gossip ritual territory masculinity and pastoral power In all the work of Michel Foucault sets the tone for a fresh ecclesiological critique that will appeal to theologians and clergy alike
