"Bula" Man-River Kiang P Lee, 2013-03-06 The parable of the Bula man river is the story of the miraculous life God promises man from the beginning By creating man in His own likeness He forever placed man on a path of living the miraculous life He is divine and we are mortal and whenever the two intersect miracles happen As humans it s impossible for man to experience the glory of God s divine Being so he experiences miracles the divine spark Miracles are foretastes of man s future in the glorious presence of God It s a life of unimaginable awe inspiring wonder both now and future From the beginning Adam and Eve experienced this miraculous life firsthand God lovingly and miraculously planted them a garden home which had all the resources for their survival and happiness God did not point to a jungle and charged Adam with planting a garden himself No God planted it with His own hands This miraculous life was man s destiny from the start and continues to this day The whole earth hanging in the blackness of space is the larger Edenic home we all share as co inhabitants of it But man fails to respond with gratitude to dress and keep it Lost in the jungle of his own narcissistic self man seeks for life s answers which only the BULA man river can supply For those who change into the likeness of God s love God leads them to a new Eden This is where the miraculous life is lived as naturally as breathing This is what this book is about miracles It begins with the life of the BULA man river He is the product of God s love It begins with love gifts from the Father which form the substance of the three dimensional life of the BULA man river the Miracle Man Read about the two wonderful love gifts of the Father *To Grant to Indians Living Under Federal Tutelage the Freedom to Organize for Purposes of Local Self-government and Economic Enterprise* United States. Committee on Indian Affairs, 1934 **Freedom River** Marjory Stoneman Douglas, 1994 In the 1840s as Florida prepares to become a state an Indian boy black slave and white settler become friends and explore their differences and common bonds **Friend on Freedom River** Gloria Whelan, 2011-08-02 In 1850 the Detroit River was a major track along the Underground Railroad the last step to freedom The journey across the river was dangerous especially in winter and especially for a 12 year old boy When Louis s father left him

in charge of the farm he offered his son this advice If you don t know what to do just do what you think I would have done Louis relies upon his father s words of wisdom when a runaway slave and her two children come looking for safe passage In the second title in our Tales of Young Americans series Gloria Whelan author of National Book Award winning Homeless Bird beautifully creates a suspenseful coming of age story while illuminating a difficult time in America s past Ms Whelan s narrative again shows the human spirit will forever shine brightly in dark times Freedom River part of our Young Americans series will quickly become a favorite for its important message and look at history from a youngster s eye Artist Gijbert van Frankenhuyzen a Sleeping Bear Press favorite treats the material as only he can Each illustrated page demonstrates the same mastery and devotion to his craft as the young heroes he brings to life **River of Freedom** Caitlyn Kamminga,Adam Walters,2016-04-15 River Of Freedom On May 19th 2012 a documentary entitled The Merikins premiered in Princes Town Trinidad There to present it to the audience was the former United States Ambassador to Trinidad and Tobago Ms Beatrice Welters In her speech to the audience Ambassador Welters said This story touched me deeply the United States is a nation founded on the principle that we are all created equal and that our freedom is an inalienable right But the government of the United States has not always lived up to that ideal The struggle of the Merikins shows that desire for freedom is found in the hearts of every man woman and child Inspired greatly by the film we decided to write a narrated piece of music about the journey of the Merikins and to tell the tale in the way we know best through music poetry and art Three years later we premiered our new work in the heart of the Company Villages at St Mary s Government Primary School in the south of Trinidad to members of the Merikin community who showed up in great numbers and welcomed us warmly We are very grateful to the US Embassy of Trinidad and Tobago and the Vincent Wilkinson Foundation for giving us matching grants to research write and premiere the work and to the Classical Music Development Foundation of Trinidad and Tobago and the Caribbean Network Arts and Education Foundation for their support in the workshops and the creation of this book
