## **Freedom Road:**

*Ebony*, 1979-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **State of Defiance** Judith Poucher, 2014-06-03 The Johns Committee a product of the red scare in Florida grabbed headlines and destroyed lives Its goal was to halt integration by destroying the NAACP in Florida and smearing integrationists Citizens were subpoenaed under charges of communist tendencies and later for homosexual or subversive behavior *Howard Fast* Gerald Sorin, 2021-12-22 A biography of the Jewish American left wing author of Spartacus that explores his identity his work and his politics Howard Fast's life from a rough and tumble Jewish New York street kid to the rich and famous author of close to one hundred books rivals the Horatio Alger myth Author of bestsellers such as Citizen Tom Paine Freedom Road My Glorious Brothers and Spartacus Fast joined the American Communist Party in 1943 and remained a loyal member until 1957 despite being imprisoned for contempt of Congress Gerald Sorin illuminates the connections among Fast's Jewishness his writings and his left wing politics and explains Fast's attraction to the Party and the reasons he stayed in it as long as he did Recounting the story of his private and public life with its adventure and risk love and pain struggle failure and success Sorin also addresses questions such as the relationship between modern Jewish identity and radical movements the consequences of political myopia and the complex interaction of art popular culture and politics in twentieth century America A notable study of a thorny protagonist whose life has much to reveal about the times in which he lived and about the interplay of political belief personal identity art and ambition Publishers Weekly Sorin has written a heavily researched critical biography of Fast The volume's strength is its explication and analysis of the complex social and political context of Fast's activism and creative work Sorin's lengthy critique of Fast's adherence to Communism long after most American writers and intellectuals had abandoned the party and his shameful public silence on Stalin's crimes and Soviet anti-Semitism are of significant import Recommended Choice An intriguing biography not least for its examination of how Fast interwove his political activism his Jewishness and his art during the heyday of McCarthyism Recommended Recorder Melbourne [Freedom's Shore](#) Russell Duncan, 2021-07-01 **A Voice but No Power** David Forrest, 2022-08-23 Examining the work of social justice groups in Minneapolis following the 2008 recession Since the Great Recession even as protest and rebellion have occurred with growing frequency many social justice organizers continue to displace as much as empower popular struggles for egalitarian and emancipatory change In A Voice but No Power David Forrest explains why this is the case and explores how these organizers might better reach their potential as advocates for the abolition of exploitation discrimination and other unjust conditions Through an in depth study of post 2008 Minneapolis a center of progressive activism Forrest argues that social justice organizers so often fall short of their potential largely because of challenges they face in building what he calls contentious identities the public identities they use to represent their constituents and counteract stigmatizing images such

as the welfare queen or the underclass In the process of assembling publicizing and legitimating contentious identities he shows these organizers encounter a series of political hazards each of which pushes them to make choices that weaken movements for equality and freedom Forrest demonstrates that organizers can achieve better outcomes however by steadily working to remake their hazardous political terrain The book s conclusion reflects on the 2020 uprising that followed the police killing of George Floyd assessing what it means for the future of social justice activism Ultimately Forrest s detailed analysis contributes to leading theories about organizing and social movements and charts possibilities for further emboldening grassroots struggles for a fairer society
